(In thousands of U.S. dollars, except share and per share amounts or as otherwise disclosed)
(Unaudited)

1. BASIS OF PRESENTATION

The accompanying unaudited interim Consolidated Financial Statements of Accenture plc and its controlled subsidiary companies have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC") for quarterly reports on Form 10-Q and do not include all of the information and note disclosures required by U.S. generally accepted accounting principles ("U.S. GAAP") for complete financial statements. We use the terms "Accenture," "we" and "our" in the Notes to Consolidated Financial Statements to refer to Accenture plc and its subsidiaries. These Consolidated Financial Statements should therefore be read in conjunction with the Consolidated Financial Statements and Notes thereto for the fiscal year ended August 31, 2019 included in our Annual Report on Form 10-K filed with the SEC on October 29, 2019.

The accompanying unaudited interim Consolidated Financial Statements have been prepared in accordance with U.S. GAAP, which requires management to make estimates and assumptions that affect amounts reported in the Consolidated Financial Statements and accompanying disclosures. Although these estimates are based on management's best knowledge of current events and actions that we may undertake in the future, actual results may differ from those estimates. The Consolidated Financial Statements reflect all adjustments of a normal, recurring nature that are, in the opinion of management, necessary for a fair presentation of results for these interim periods. The results of operations for the three and six months ended February 29, 2020 are not necessarily indicative of the results that may be expected for the fiscal year ending August 31, 2020.

Allowances for Client Receivables

As of February 29, 2020 and August 31, 2019, total allowances recorded for client receivables were $35,875 and $45,538, respectively.

Depreciation and Amortization

Depreciation expense was $122,592 and $219,682 for the three and six months ended February 29, 2020, respectively, and $110,635 and $213,348 for the three and six months ended February 28, 2019, respectively. As of February 29, 2020 and August 31, 2019, total accumulated depreciation was $2,191,823 and $1,956,029, respectively. Deferred transition amortization expense was $78,754 and $146,668 for the three and six months ended February 29, 2020, respectively, and $68,209 and $137,088 for the three and six months ended February 28, 2019, respectively. See Note 6 (Goodwill and Intangible Assets) to these Consolidated Financial Statements for intangible asset amortization balances.

Recently Adopted Accounting Pronouncements

Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2016-02 and related updates ("Topic 842")

On September 1, 2019, we adopted FASB ASU No. 2016-02, Leases, and related updates ("Topic 842") using the effective date method. Prior period amounts were not adjusted. The primary impact of adoption is the requirement for lessees to recognize assets and liabilities on the balance sheet for the rights and obligations created by both operating and finance leases. Enhanced quantitative and qualitative disclosures about leasing arrangements are also required. We elected the package of practical expedients which does not require reassessment of prior conclusions related to identifying leases, lease classification or initial direct costs. We also elected the practical expedient to combine lease and nonlease components, accounting for the combined components as a single lease component, for our office real estate and automobile leases. The standard did not have a material impact on our Consolidated Income Statement.

The impact of adopting Topic 842 on our Consolidated Balance Sheets was as follows:

Balance Sheet	Balance as of August 31, 2019	Adjustments due to ASU 2016-02 (Topic 842)	Balance as of September 1, 2019
CURRENT ASSETS			
Other current assets	$ 1,225,364	$ (38,666)	$ 1,186,698
NON-CURRENT ASSETS			
Lease assets	—	3,169,608	3,169,608
Other non-current assets	1,400,292	(10,333)	1,389,959
CURRENT LIABILITIES			
Lease liabilities	—	699,399	699,399
Other accrued liabilities	951,450	(703)	950,747
NON-CURRENT LIABILITIES			
Lease liabilities	—	2,666,344	2,666,344
Other non-current liabilities	526,988	(244,431)	282,557

See Note 7 (Leases) to these Consolidated Financial Statements for further details.

FASB ASU No. 2018-15 ("Subtopic 350-40")

On September 1, 2019, we prospectively adopted FASB ASU No. 2018-15, Intangibles - Goodwill and Other - Internal-Use Software: Customer's Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement That Is a Service Contract. ASU 2018-15 clarifies and aligns the accounting and capitalization of implementation costs in cloud computing arrangements that are service arrangements with the accounting for implementation costs incurred to develop or obtain internal-use software under ASC No. 350-40. Implementation costs that are currently capitalized in software licensing arrangements (e.g. costs to configure the software) will be capitalized in cloud computing arrangements, and costs expensed in software license arrangements (e.g. data conversion, training, and business process re-engineering) will be expensed in cloud computing arrangements. The adoption did not have a material impact on our Consolidated Financial Statements.

2. REVENUES

Disaggregation of Revenue

See Note 12 (Segment Reporting) to these Consolidated Financial Statements for our disaggregated revenues.

Remaining Performance Obligations

We had remaining performance obligations of approximately $19 billion and $20 billion as of February 29, 2020 and August 31, 2019, respectively. Our remaining performance obligations represent the amount of transaction price for which work has not been performed and revenue has not been recognized. The majority of our contracts are terminable by the client on short notice with little or no termination penalties, and some without notice. Under Topic 606, only the non-cancelable portion of these contracts is included in our performance obligations. Additionally, our performance obligations only include variable consideration if we assess it is probable that a significant reversal of cumulative revenue recognized will not occur when the uncertainty is resolved. Based on the terms of our contracts, a significant portion of what we consider contract bookings is not included in our remaining performance obligations. We expect to recognize approximately 53% of our remaining performance obligations as of February 29, 2020 as revenue in fiscal 2020, an additional 24% in fiscal 2021, and the balance thereafter.

Contract Estimates

Adjustments in contract estimates related to performance obligations satisfied or partially satisfied in prior periods were immaterial for the three and six months ended February 29, 2020 and February 28, 2019, respectively.

Contract Balances

Deferred transition revenues were $629,505 and $563,245 as of February 29, 2020 and August 31, 2019, respectively, and are included in Non-current deferred revenues. Costs related to these activities are also deferred and are expensed as the services are provided. Generally, deferred amounts are protected in the event of early termination of the contract and are monitored regularly for impairment. Impairment losses are recorded when projected remaining undiscounted operating cash flows of the related contract are not sufficient to recover the carrying amount of contract assets. Deferred transition costs were $690,483 and $681,492 as of February 29, 2020 and August 31, 2019, respectively, and are included in Deferred contract costs.

The following table provides information about the balances of our Receivables, Contract assets and Contract liabilities (Deferred revenues):

	As of February 29, 2020	As of August 31, 2019
Receivables, net of allowance	$ 7,785,957	$ 7,467,338
Contract assets (current)	731,992	627,733
Receivables and contract assets (current)	8,517,949	8,095,071
Contract assets (non-current)	56,503	71,002
Deferred revenues (current)	3,594,142	3,188,835
Deferred revenues (non-current)	629,505	565,224

Changes in the contract asset and liability balances during the six months ended February 29, 2020, were a result of normal business activity and not materially impacted by any other factors.

Revenues recognized during the three and six months ended February 29, 2020 that were included in Deferred revenues as of November 30, 2019 and August 31, 2019 were $1.7 billion and $2.4 billion, respectively. Revenues recognized during the three and six months ended February 28, 2019 that were included in Deferred revenues as of November 30, 2018 and September 1, 2018 were $1.5 billion and $2.4 billion, respectively.

7. LEASES

We account for leases in accordance with Topic 842. See Note 1 (Basis of Presentation) to these Consolidated Financial Statements for further information on our adoption.

As a lessee, substantially all of our lease obligation is for office real estate. Our significant judgments used in determining our lease obligation include whether a contract is or contains a lease and the determination of the discount rate used to calculate the lease liability.

Our leases may include the option to extend or terminate before the end of the contractual term and are often non-cancelable or cancelable only by the payment of penalties. Our lease assets and liabilities include these options in the lease term when it is reasonably certain that they will be exercised. In certain cases, we sublease excess office real estate to third-party tenants.

Lease assets and liabilities recognized at the lease commencement date are determined predominantly as the present value of the payments due over the lease term. Since we cannot determine the implicit rate in our leases, we use our incremental borrowing rate on that date to calculate the present value. Our incremental borrowing rate approximates the rate at which we could borrow, on a secured basis for a similar term, an amount equal to our lease payments in a similar economic environment.

Effective September 1, 2019, when we are the lessee, all leases are recognized as lease liabilities and associated lease assets on the Consolidated Balance Sheet. Lease liabilities represent our obligation to make payments arising from the lease. Lease assets represent our right to use an underlying asset for the lease term and may also include advance payments, initial direct costs or lease incentives. Fixed and variable payments that depend upon an index or rate, such as the Consumer Price Index (CPI), are included in the recognition of lease assets and liabilities at the commencement-date rate. Other variable payments, such as common area maintenance, property and other taxes, utilities and insurance that are based on the lessor's cost, are recognized in the Consolidated Income Statement in the period incurred.

As of February 29, 2020, we had no material finance leases. Operating lease expense is recorded on a straight-line basis over the lease term. Lease costs were as follows:

	Three Months Ended February 29, 2020	Six Months Ended February 29, 2020
Operating lease cost	$ 184,971	$ 366,053
Variable lease cost	47,244	95,403
Sublease income	(6,022)	(12,560)
Total net lease cost	$ 226,193	$ 448,896

Supplemental information related to operating lease transactions was as follows:

	Six Months Ended February 29, 2020
Lease liability payments	$ 357,731
Lease assets obtained in exchange for liabilities	$ 267,174

As of February 29, 2020, our operating leases had a weighted average remaining lease term of 7.2 years and a weighted average discount rate of 4.3%.

The following maturity analysis presents future undiscounted cash outflows for operating leases as of February 29, 2020:

	Lease Payments	Sublease Receipts
2020 (Remainder)	$ 376,637	$ (13,550)

Less interest	(523,273)

These leases are primarily related to office real estate and will commence in or before fiscal year 2022 with lease terms of up to 17 years.

9. FINANCIAL INSTRUMENTS

Derivatives

In the normal course of business, we use derivative financial instruments to manage foreign currency exchange rate risk. Our derivative financial instruments consist of deliverable and non-deliverable foreign currency forward contracts.

Cash Flow Hedges

For a cash flow hedge, the effective portion of the change in estimated fair value of a hedging instrument is recorded in Accumulated other comprehensive loss as a separate component of Shareholders' Equity and is reclassified into Cost of services in the Consolidated Income Statements during the period in which the hedged transaction is recognized. For information related to derivatives designated as cash flow hedges that were reclassified into Cost of services during the three and six months ended February 29, 2020 and February 28, 2019, as well as those expected to be reclassified into Cost of services in the next 12 months, see Note 4 (Accumulated Other Comprehensive Loss) to these Consolidated Financial Statements.

Other Derivatives

Realized gains or losses and changes in the estimated fair value of foreign currency forward contracts that have not been designated as hedges were net gains of $1,461 and net losses $55,158 for the three and six months ended February 29, 2020, respectively, and net losses of $28,945 and $77,928 for the three and six months ended February 28, 2019, respectively. Gains and losses on these contracts are recorded in Other income (expense), net in the Consolidated Income Statements and are offset by gains and losses on the related hedged items.

We utilize standard counterparty master agreements containing provisions for the netting of certain foreign currency transaction obligations and for the set-off of certain obligations in the event of an insolvency of one of the parties to the transaction. In the Consolidated Balance Sheets, we record derivative assets and liabilities at gross fair value. The potential effect of netting derivative assets against liabilities under the counterparty master agreements was as follows:

	February 29, 2020	August 31, 2019
Net derivative assets	$ 140,169	$ 88,811
Net derivative liabilities	10,858	37,985
Total fair value	$ 129,311	$ 50,826

Equity Securities Without Readily Determinable Fair Values

We hold investments in equity securities that do not have readily determinable fair values. We record these investments at cost and remeasure them to fair value based on certain observable price changes or impairment events as they occur. The carrying amount of these investments was $144,846 and $131,675 as of February 29, 2020 and August 31, 2019, respectively.

10. INCOME TAXES

We apply an estimated annual effective tax rate to our year-to-date operating results to determine the interim provision for income tax expense. In addition, we recognize taxes related to unusual or infrequent items or resulting from a change in judgment regarding a position taken in a prior year as discrete items in the interim period in which the event occurs.

Our effective tax rate for both the three months ended February 29, 2020 and February 28, 2019 was 17.1%. The effective tax rate for the three months ended February 29, 2020 included higher tax benefits from share-based payments offset by the phased-in effects of U.S. tax reform and lower benefits from adjustments to prior year tax liabilities compared to the same period in fiscal 2019. Our effective tax rates for the six months ended February 29, 2020 and February 28, 2019 were 20.6% and 18.6%, respectively. The effective tax rate for the six months ended February 29, 2020 was higher due to lower benefits from adjustments to prior year tax liabilities and the phased-in effects of U.S. tax reform, partially offset by higher tax benefits from share-based payments compared to the same period in fiscal 2019.

11. COMMITMENTS AND CONTINGENCIES

Indemnifications and Guarantees

In the normal course of business and in conjunction with certain client engagements, we have entered into contractual arrangements through which we may be obligated to indemnify clients with respect to certain matters.

As of February 29, 2020 and August 31, 2019, our aggregate potential liability to our clients for expressly limited guarantees involving the performance of third parties was approximately $699,000 and $794,000, respectively, of which all but approximately $117,000 and $128,000, respectively, may be recovered from the other third parties if we are obligated to make payments to the indemnified parties as a consequence of a performance default by the other third parties. For arrangements with unspecified limitations, we cannot reasonably estimate the aggregate maximum potential liability, as it is inherently difficult to predict the maximum potential amount of such payments, due to the conditional nature and unique facts of each particular arrangement.

To date, we have not been required to make any significant payment under any of the arrangements described above. We have assessed the current status of performance/payment risk related to arrangements with limited guarantees, warranty obligations, unspecified limitations and/or indemnification provisions and believe that any potential payments would be immaterial to the Consolidated Financial Statements, as a whole.

Legal Contingencies

As of February 29, 2020, we or our present personnel had been named as a defendant in various litigation matters. We and/or our personnel also from time to time are involved in investigations by various regulatory or legal authorities concerning matters arising in the course of our business around the world. Based on the present status of these matters, including the putative class action lawsuit discussed below, management believes the range of reasonably possible losses in addition to amounts accrued, net of insurance recoveries, will not have a material effect on our results of operations or financial condition.

On July 24, 2019, Accenture was named in a putative class action lawsuit filed by consumers of Marriott International, Inc. (“Marriott”) in the U.S. District Court for the District of Maryland. The complaint alleges negligence by us, and seeks monetary damages, costs and attorneys’ fees and other related relief, relating to a data security incident involving unauthorized access to the reservations database of Starwood Worldwide Resorts, Inc. (“Starwood”), which was acquired by Marriott on September 23, 2016. Since 2009, we have provided certain IT infrastructure outsourcing services to Starwood. We believe the lawsuit is without merit and we will vigorously defend it. We cannot reasonably estimate a range of loss, if any, at this time.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis should be read in conjunction with our Consolidated Financial Statements and related Notes included elsewhere in this Quarterly Report on Form 10-Q and in our Annual Report on Form 10-K for the year ended August 31, 2019, and with the information under the heading "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K for the year ended August 31, 2019.

We use the terms "Accenture," "we," "our" and "us" in this report to refer to Accenture plc and its subsidiaries. All references to years, unless otherwise noted, refer to our fiscal year, which ends on August 31. For example, a reference to "fiscal 2020" means the 12-month period that will end on August 31, 2020. All references to quarters, unless otherwise noted, refer to the quarters of our fiscal year.

We use the term "in local currency" so that certain financial results may be viewed without the impact of foreign currency exchange rate fluctuations, thereby facilitating period-to-period comparisons of business performance. Financial results "in local currency" are calculated by restating current period activity into U.S. dollars using the comparable prior year period's foreign currency exchange rates. This approach is used for all results where the functional currency is not the U.S. dollar.

Disclosure Regarding Forward-Looking Statements

This Quarterly Report on Form 10-Q contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 (the "Exchange Act") relating to our operations, results of operations and other matters that are based on our current expectations, estimates, assumptions and projections. Words such as "may," "will," "should," "likely," "anticipates," "expects," "intends," "plans," "projects," "believes," "estimates," "positioned," "outlook" and similar expressions are used to identify these forward-looking statements. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Forward-looking statements are based upon assumptions as to future events that may not prove to be accurate. Actual outcomes and results may differ materially from what is expressed or forecast in these forward-looking statements. Risks, uncertainties and other factors that might cause such differences, some of which could be material, include but are not limited to those identified below. For a discussion of risks and actions taken in response to the coronavirus pandemic, see "*Our results of operations have been adversely affected and could in the future be materially adversely impacted by the coronavirus pandemic (COVID-19).*" under Item 1A, "Risk Factors." Many of the following risks, uncertainties and other factors identified below are, and will be, amplified by the coronavirus pandemic (COVID-19).

- Our results of operations have been adversely affected and could in the future be materially adversely impacted by the coronavirus pandemic (COVID-19).
- Our results of operations could be adversely affected by volatile, negative or uncertain economic and political conditions and the effects of these conditions on our clients' businesses and levels of business activity.
- Our business depends on generating and maintaining ongoing, profitable client demand for our services and solutions, including through the adaptation and expansion of our services and solutions in response to ongoing changes in technology and offerings, and a significant reduction in such demand or an inability to respond to the evolving technological environment could materially affect our results of operations.
- If we are unable to keep our supply of skills and resources in balance with client demand around the world and attract and retain professionals with strong leadership skills, our business, the utilization rate of our professionals and our results of operations may be materially adversely affected.
- We could face legal, reputational and financial risks if we fail to protect client and/or Accenture data from security breaches or cyberattacks.
- The markets in which we operate are highly competitive, and we might not be able to compete effectively.
- Changes in our level of taxes, as well as audits, investigations and tax proceedings, or changes in tax laws or in their interpretation or enforcement, could have a material adverse effect on our effective tax rate, results of operations, cash flows and financial condition.

- Our profitability could materially suffer if we are unable to obtain favorable pricing for our services and solutions, if we are unable to remain competitive, if our cost-management strategies are unsuccessful or if we experience delivery inefficiencies.
- Our results of operations could be materially adversely affected by fluctuations in foreign currency exchange rates.
- As a result of our geographically diverse operations and our growth strategy to continue to expand in our key markets around the world, we are more susceptible to certain risks.
- Our business could be materially adversely affected if we incur legal liability.
- Our work with government clients exposes us to additional risks inherent in the government contracting environment.
- If we are unable to manage the organizational challenges associated with our size, we might be unable to achieve our business objectives.
- Our ability to attract and retain business and employees may depend on our reputation in the marketplace.
- If we do not successfully manage and develop our relationships with key alliance partners or if we fail to anticipate and establish new alliances in new technologies, our results of operations could be adversely affected.
- We might not be successful at acquiring, investing in or integrating businesses, entering into joint ventures or divesting businesses.
- If we are unable to protect or enforce our intellectual property rights, or if our services or solutions infringe upon the intellectual property rights of others or we lose our ability to utilize the intellectual property of others, our business could be adversely affected.
- Our results of operations and share price could be adversely affected if we are unable to maintain effective internal controls.
- Changes to accounting standards or in the estimates and assumptions we make in connection with the preparation of our consolidated financial statements could adversely affect our financial results.
- Many of our contracts include fees subject to the attainment of targets or specific service levels. This could increase the variability of our revenues and impact our margins.
- We might be unable to access additional capital on favorable terms or at all. If we raise equity capital, it may dilute our shareholders' ownership interest in us.
- We are incorporated in Ireland and a significant portion of our assets is located outside the United States. As a result, it might not be possible for shareholders to enforce civil liability provisions of the federal or state securities laws of the United States. We may also be subject to criticism and negative publicity related to our incorporation in Ireland.
- Irish law differs from the laws in effect in the United States and might afford less protection to shareholders.

For a more detailed discussion of these factors, see the information under the heading "Risk Factors" in our Annual Report on Form 10-K for the year ended August 31, 2019. Our forward-looking statements speak only as of the date of this report or as of the date they are made, and we undertake no obligation to update any forward-looking statements.

Overview

Revenues are driven by the ability of our executives to secure new contracts, to renew and extend existing contracts, and to deliver services and solutions that add value relevant to our clients' current needs and challenges. The level of revenues we achieve is based on our ability to deliver market-leading services and solutions and to deploy skilled teams of professionals quickly and on a global basis.

Our results of operations are affected by economic conditions, including macroeconomic conditions and levels of business confidence. There continues to be significant volatility and economic and geopolitical uncertainty in many markets around the world. The current coronavirus (COVID-19) pandemic has increased that level of volatility and uncertainty globally and has created economic disruption. We are actively managing our business to respond to the impact.

There also continues to be volatility in foreign currency exchange rates. The majority of our revenues are denominated in currencies other than the U.S. dollar, including the Euro, Japanese yen and U.K. pound. Unfavorable fluctuations in foreign currency exchange rates have had and could have in the future a material effect on our financial results.

As announced on January 13, 2020, effective March 1, we began managing our business under a new growth model through our three geographic markets, North America, Europe and Growth Markets, which will become our reportable segments in the third quarter of fiscal 2020. For additional information, see our Form 8-K filed on January 13, 2020.

Summary of Results

Revenues for the second quarter of fiscal 2020 increased 7% in U.S. dollars and 8% in local currency compared to the second quarter of fiscal 2019. Revenues for the six months ended February 29, 2020 increased 7% in U.S. dollars and 8% in local currency compared to the six months ended February 28, 2019. Demand for our services and solutions continued to be strong, resulting in growth across all areas of our business. During the second quarter of fiscal 2020, revenue growth in local currency was very strong in Health & Public Service and Products, solid in Communications, Media & Technology and Resources and modest in Financial Services. We experienced local currency revenue growth that was very strong in Growth Markets and North America and modest in Europe. Revenue growth in local currency was strong in both outsourcing and consulting during the second quarter of fiscal 2020. While the business environment remained competitive, pricing was relatively stable. We use the term "pricing" to mean the contract profitability or margin on the work that we sell.

In our consulting business, revenues for the second quarter of fiscal 2020 increased 7% in U.S. dollars and 8% in local currency compared to the second quarter of fiscal 2019. Consulting revenues for the six months ended February 29, 2020 increased 7% in U.S. dollars and 8% in local currency compared to the six months ended February 28, 2019. Consulting revenue growth in local currency in the second quarter of fiscal 2020 was led by very strong growth in Health & Public Service and Products, modest growth in Resources and Communications, Media & Technology and slight growth in Financial Services. Our consulting revenue growth continues to be driven by strong demand for digital-, cloud- and security-related services and assisting clients with the adoption of new technologies. In addition, clients continue to be focused on initiatives designed to deliver cost savings and operational efficiency, as well as projects to integrate their global operations and grow and transform their businesses.

In our outsourcing business, revenues for the second quarter of fiscal 2020 increased 6% in U.S. dollars and 8% in local currency compared to the second quarter of fiscal 2019. Outsourcing revenues for the six months ended February 29, 2020 increased 7% in U.S. dollars and 9% in local currency compared to the six months ended February 28, 2019. Outsourcing revenue growth in local currency in the second quarter of fiscal 2020 was led by very strong growth in Resources and strong growth in Health & Public Service, Communications, Media & Technology, Products and Financial Services. We continue to experience growing demand to assist clients with the operation and maintenance of digital-related services and cloud enablement. In addition, clients continue to be focused on transforming their operations to improve effectiveness and cost efficiency.

As we are a global company, our revenues are denominated in multiple currencies and may be significantly affected by currency exchange rate fluctuations. If the U.S. dollar weakens against other currencies, resulting in favorable currency translation, our revenues, revenue growth and results of operations in U.S. dollars may be higher. If the U.S. dollar strengthens against other currencies, resulting in unfavorable currency translation, our revenues, revenue growth and results of operations in U.S. dollars may be lower. The U.S. dollar strengthened against various currencies during the three and six months ended February 29, 2020 compared to the three and six months ended February 28, 2019, resulting in unfavorable currency translation and U.S. dollar revenue growth that was approximately 1.0% and 1.4% lower, respectively, than our revenue growth in local currency. Assuming that exchange rates stay

within recent ranges for the remainder of fiscal 2020, we estimate that our full fiscal 2020 revenue growth in U.S. dollars will be approximately 1.5% lower in U.S. dollars than our revenue growth in local currency.

The primary categories of operating expenses include Cost of services, Sales and marketing and General and administrative costs. Cost of services is primarily driven by the cost of client-service personnel, which consists mainly of compensation, subcontractor and other personnel costs, and non-payroll costs on outsourcing contracts. Cost of services includes a variety of activities such as: contract delivery; recruiting and training; software development; and integration of acquisitions. Sales and marketing costs are driven primarily by: compensation costs for business development activities; marketing- and advertising-related activities; and certain acquisition-related costs. General and administrative costs primarily include costs for non-client-facing personnel, information systems, office space and certain acquisition-related costs.

Utilization for the second quarter of fiscal 2020 was 91%, consistent with the second quarter of fiscal 2019. We hire to meet current and projected future demand. We proactively plan and manage the size and composition of our workforce and take actions as needed to address changes in the anticipated demand for our services and solutions, given that compensation costs are the most significant portion of our operating expenses. Based on current and projected future demand, we have increased our headcount, the majority of which serve our clients, to approximately 509,000 as of February 29, 2020, compared to approximately 477,000 as of February 28, 2019. The year-over-year increase in our headcount reflects an overall increase in demand for our services and solutions, as well as headcount added in connection with acquisitions. Attrition, excluding involuntary terminations, for the second quarter of fiscal 2020 was 14%, down from 15% in the second quarter of fiscal 2019. We evaluate voluntary attrition, adjust levels of new hiring and use involuntary terminations as means to keep our supply of skills and resources in balance with changes in client demand. In addition, we adjust compensation in certain skill sets and geographies in order to attract and retain appropriate numbers of qualified employees. For the majority of our personnel, compensation increases become effective December 1st of each fiscal year. We strive to adjust pricing and/or the mix of resources to reduce the impact of compensation increases on our margin. Our ability to grow our revenues and maintain or increase our margin could be adversely affected if we are unable to: keep our supply of skills and resources in balance with changes in the types or amounts of services and solutions clients are demanding; recover increases in compensation; deploy our employees globally on a timely basis; manage attrition; and/or effectively assimilate and utilize new employees.

Gross margin (Revenues less Cost of services as a percentage of Revenues) for the second quarter of fiscal 2020 was 30.2%, compared with 29.2% for the second quarter of fiscal 2019. Gross margin for the six months ended February 29, 2020 was 31.1% compared with 30.2% for the six months ended February 28, 2019. The increase in gross margin for the second quarter and first half of fiscal 2020 was primarily due to lower labor and non-payroll costs as a percentage of revenues compared to the same periods in fiscal 2019.

Sales and marketing and General and administrative costs as a percentage of revenues were 16.8% for the second quarter of fiscal 2020 and 16.7% for the six months ended February 29, 2020, compared with 16.0% for the second quarter of fiscal 2019 and 15.8% for the six months ended February 28, 2019. For both the second quarter and six months ended February 29, 2020, compared to the same periods in fiscal 2019, Sales and marketing costs as a percentage of revenues increased 60 basis points, primarily due to higher selling and other business development costs. For the second quarter and six months ended February 29, 2020, compared to the same periods in fiscal 2019, General and administrative costs as a percentage of revenues increased 20 and 30 basis points, respectively, primarily due to higher technology and facilities costs.

Operating margin (Operating income as a percentage of revenues) for the second quarter of fiscal 2020 was 13.4%, compared with 13.3% for the second quarter of fiscal 2019. Operating margin for the six months ended February 29, 2020 was 14.5%, compared with 14.3% for the six months ended February 28, 2019.

New Bookings

New bookings for the second quarter of fiscal 2020 were $14.2 billion, with consulting bookings of $7.2 billion and outsourcing bookings of $7.0 billion. New bookings for the six months ended February 29, 2020 were $24.5 billion, with consulting bookings of $13.2 billion and outsourcing bookings of $11.4 billion.

The following revenues commentary discusses local currency revenue changes for the second quarter of fiscal 2020 compared to the second quarter of fiscal 2019:

Cost of Services

Cost of services for the second quarter of fiscal 2020 increased $383 million, or 5%, over the second quarter of fiscal 2019, and decreased as a percentage of revenues to 69.8% from 70.8% during this period. Gross margin for the second quarter of fiscal 2020 increased to 30.2% from 29.2% during the second quarter of fiscal 2019. The increase as a percentage of revenues was primarily due to higher selling and other business development costs compared to the same period in fiscal 2019.

General and Administrative Costs

General and administrative costs for the second quarter of fiscal 2020 increased $60 million, or 9%, over the second quarter of fiscal 2019, and increased as a percentage of revenues to 6.4% from 6.2% during this period.

(1) In connection with the change in our reportable segments, Accenture will begin reporting Operating income by geographic market, rather than operating group, in the third quarter of fiscal 2020.

We estimate that the aggregate percentage impact of foreign currency exchange rates on our operating income during the second quarter of fiscal 2020 was similar to that disclosed for revenue. The commentary below provides insight into other factors affecting operating group performance and operating margin for the second quarter of fiscal 2020 compared with the second quarter of fiscal 2019:

- Communications, Media & Technology operating income increased primarily due to revenue growth, partially offset by lower consulting contract profitability.
- Financial Services operating income decreased as revenue growth was offset by lower outsourcing contract profitability and higher sales and marketing costs as a percentage of revenues.
- Health & Public Service operating income increased primarily due to revenue growth and higher consulting contract profitability.
- Products operating income increased primarily due to revenue growth, partially offset by higher sales and marketing costs as a percentage of revenues.
- Resources operating income increased primarily due to revenue growth and higher contract profitability.

Other Income (Expense), net

Other income (expense), net primarily consists of foreign currency gains and losses, non-operating components of pension expense, as well as gains and losses associated with our investments. For the second quarter of fiscal 2020, other income (expense) increased $32 million over the second quarter of fiscal 2019, primarily due to gains on investments.

Income Tax Expense

The effective tax rate for the second quarter of both fiscal 2020 and 2019 was 17.1%. The effective tax rate for the three months ended February 29, 2020 included higher tax benefits from share-based payments offset by the phased-in effects of U.S. tax reform and lower benefits from adjustments to prior year tax liabilities compared to the same period in fiscal 2019.

Earnings Per Share

Diluted earnings per share were $1.91 for the second quarter of fiscal 2020, compared with $1.73 for the second quarter of fiscal 2019. The $0.18 increase in our diluted earnings per share was due to an increase of $0.14 from higher revenues and operating results and $0.04 from higher non-operating income. For information regarding our earnings per share calculations, see Note 3 (Earnings Per Share) to our Consolidated Financial Statements under Item 1, “Financial Statements.”

Revenues

The following revenues commentary discusses local currency revenue changes for the six months ended February 29, 2020 compared to the six months ended February 28, 2019:

Operating Groups

- Communications, Media & Technology revenues increased 6% in local currency, driven by growth in Software & Platforms across all geographic regions and Communications & Media in Europe and North America, partially offset by a decline in High Tech in North America.
- Financial Services revenues increased 4% in local currency, driven by growth in Insurance across all geographic regions and Banking & Capital Markets in Growth Markets and North America. These increases were partially offset by a decline in Banking & Capital Markets in Europe.
- Health & Public Service revenues increased 14% in local currency, led by Public Service and Health in North America.
- Products revenues increased 11% in local currency, driven by growth in Consumer Goods, Retail & Travel Services and Life Sciences across all geographic regions, led by North America, as well as Industrial in Growth Markets.

- Resources revenues increased 6% in local currency, driven by growth in Energy and Utilities across all geographic regions and Chemicals & Natural Resources in Europe and Growth Markets. These increases were partially offset by a decline in Chemicals & Natural Resources in North America.

Geographic Regions

- North America revenues increased 10% in local currency, driven by the United States.
- Europe revenues increased 4% in local currency, led by Italy, Germany and Ireland, partially offset by a decline in the United Kingdom.
- Growth Markets revenues increased 12% in local currency, driven by Japan, as well as Brazil.

Operating Expenses

Operating expenses for the six months ended February 29, 2020 increased $1,200 million, or 7%, over the six months ended February 28, 2019, and decreased as a percentage of revenues to 85.5% from 85.7% during this period.

Cost of Services

Cost of services for the six months ended February 29, 2020 increased $786 million, or 5%, over the six months ended February 28, 2019, and decreased as a percentage of revenues to 68.9% from 69.8% during this period. Gross margin for the six months ended February 29, 2020 increased to 31.1% from 30.2% during the six months ended February 28, 2019. The increase in gross margin was primarily due to lower labor and non-payroll costs as a percentage of revenues compared to the same period in fiscal 2019.

Sales and Marketing

Sales and marketing expense for the six months ended February 29, 2020 increased $264 million, or 13%, over the six months ended February 28, 2019, and increased as a percentage of revenues to 10.5% from 9.9% during this period. The increase as a percentage of revenues was primarily due to higher selling and other business development costs compared to the same period in fiscal 2019.

General and Administrative Costs

General and administrative costs for the six months ended February 29, 2020 increased $151 million, or 12%, over the six months ended February 28, 2019, and increased as a percentage of revenues to 6.2% from 5.9% during this period. The increase as a percentage of revenues was primarily due to higher technology and facilities costs compared to the same period in fiscal 2019.

Operating Income and Operating Margin

Operating income for the six months ended February 29, 2020 increased $241 million, or 8%, over the six months ended February 28, 2019.

Operating income and operating margin for each of the operating groups were as follows:

	Six Months Ended				
	February 29, 2020		February 28, 2019		
	Operating Income	Operating Margin	Operating Income	Operating Margin	Increase (Decrease)

Products	936	15	813	14	123
Resources	555	16	474	14	80
TOTAL	$ 3,256	14.5%	$ 3,016	14.3%	$ 241

(1) In connection with the change in our reportable segments, Accenture will begin reporting Operating income by geographic market, rather than operating group, in the third quarter of fiscal 2020.

We estimate that the aggregate percentage impact of foreign currency exchange rates on our operating income during the six months ended February 29, 2020 was similar to that disclosed for revenue. The commentary below provides insight into other factors affecting operating group performance and operating margin for the six months ended February 29, 2020 compared with the six months ended February 28, 2019:

- Communications, Media & Technology operating income increased primarily due to revenue growth, partially offset by lower consulting contract profitability and higher sales and marketing costs as a percentage of revenues.
- Financial Services operating income decreased as revenue growth was offset by lower contract profitability and higher sales and marketing costs as a percentage of revenues.
- Health & Public Service operating income increased primarily due to revenue growth and higher consulting contract profitability.
- Products operating income increased primarily due to revenue growth and higher consulting contract profitability.
- Resources operating income increased primarily due to revenue growth and higher outsourcing contract profitability.

Other Income (Expense), net

Other income (expense), net primarily consists of foreign currency gains and losses, non-operating components of pension expense, as well as gains and losses associated with our investments. For the six months ended February 29, 2020, other income (expense) increased $77 million over the six months ended February 28, 2019, primarily due to gains on investments, partially offset by foreign exchange losses.

Income Tax Expense

The effective tax rate for the six months ended February 29, 2020 was 20.6%, compared with 18.6% for the six months ended February 28, 2019. The higher effective tax rate for the six months ended February 29, 2020 was primarily due to lower benefits from adjustments to prior year tax liabilities and the phased-in effects of U.S. tax reform, partially offset by higher tax benefits from share-based payments compared to the same period in fiscal 2019.

Our provision for income taxes is based on many factors and subject to volatility year to year. We expect the fiscal 2020 annual effective tax rate to be in the range of 23.5% to 25.5%. The effective tax rate for interim periods can vary because of the timing of when certain events occur during the year.

Earnings Per Share

Diluted earnings per share were $4.00 for the six months ended February 29, 2020, compared with $3.69 for the six months ended February 28, 2019. The $0.31 increase in our diluted earnings per share was due to an increase of $0.30 from higher revenues and operating results, $0.10 from higher non-operating income and $0.01 from lower weighted average shares outstanding. These increases were partially offset by a decrease of $0.10 from a higher effective tax rate. For information regarding our earnings per share calculations, see Note 3 (Earnings Per Share) to our Consolidated Financial Statements under Item 1, “Financial Statements.”

Liquidity and Capital Resources

As of February 29, 2020, Cash and cash equivalents was $5.4 billion, compared with $6.1 billion as of August 31, 2019.

Cash flows from operating, investing and financing activities, as reflected in our Consolidated Cash Flows Statements, are summarized in the following table:

	Six Months Ended		
	February 29, 2020	February 28, 2019	Change
	(in millions of U.S. dollars)		
Net cash provided by (used in):			
Operating activities	$ 2,318	$ 2,387	$ (70)
Investing activities	(763)	(725)	(39)
Financing activities	(2,238)	(2,294)	57
Effect of exchange rate changes on cash and cash equivalents	(7)	35	(42)
Net increase (decrease) in cash and cash equivalents	$ (690)	$ (596)	$ (94)

Amounts in table may not total due to rounding.

Operating activities: The $70 million year-over-year decrease in operating cash flow was due to higher net income, which was offset by changes in operating assets and liabilities.

Investing activities: The $39 million increase in cash used was primarily due to higher spending on business acquisitions and property and equipment, partially offset by increased proceeds from investments. For additional information, see Note 5 (Business Combinations) to our Consolidated Financial Statements under Item 1, “Financial Statements.”

Financing activities: The $57 million decrease in cash used was primarily due to a decrease in the net purchase of shares as well as an increase in net proceeds from share issuances, partially offset by an increase in cash dividends paid. For additional information, see Note 8 (Material Transactions Affecting Shareholders’ Equity) to our Consolidated Financial Statements under Item 1, “Financial Statements.”

We believe that our current and longer-term working capital, investments and other general corporate funding requirements will be satisfied for the next twelve months and thereafter through cash flows from operations and, to the extent necessary, from our borrowing facilities and future financial market activities.

Substantially all of our cash is held in jurisdictions where there are no regulatory restrictions or material tax effects on the free flow of funds. Domestic cash inflows for our Irish parent, principally dividend distributions from lower-tier subsidiaries, have been sufficient to meet our historic cash requirements, and we expect this to continue into the future.

Borrowing Facilities

As of February 29, 2020, we had the following borrowing facilities, including the issuance of letters of credit, to support general working capital purposes:

	Facility Amount	Borrowings Under Facilities
	(in millions of U.S. dollars)	
Syndicated loan facility	$ 1,000	$ —
Separate, uncommitted, unsecured multicurrency revolving credit facilities	830	—
Local guaranteed and non-guaranteed lines of credit	222	—
Total	$ 2,052	$ —

Under the borrowing facilities described above, we had an aggregate of $430 million of letters of credit outstanding as of February 29, 2020.

Share Purchases and Redemptions

The Board of Directors of Accenture plc has authorized funding for our publicly announced open-market share purchase program for acquiring Accenture plc Class A ordinary shares and for purchases and redemptions of Accenture plc Class A ordinary shares and Accenture Canada Holdings Inc. exchangeable shares held by current and former members of Accenture Leadership and their permitted transferees.

Our share purchase activity during the six months ended February 29, 2020 was as follows:

	Accenture plc Class A Ordinary Shares		Accenture Canada Holdings Inc. Exchangeable Shares	
	Shares	Amount	Shares	Amount
	(in millions of U.S. dollars, except share amounts)			
Open-market share purchases (1)	6,025,001	$ 1,187	—	$ —
Other share purchase programs	—	—	33,315	7
Other purchases (2)	2,479,052	505	—	—
Total	8,504,053	$ 1,693	33,315	$ 7

Amounts in table may not total due to rounding.

(1) We conduct a publicly announced open-market share purchase program for Accenture plc Class A ordinary shares. These shares are held as treasury shares by Accenture plc and may be utilized to provide for select employee benefits, such as equity awards to our employees.

(2) During the six months ended February 29, 2020, as authorized under our various employee equity share plans, we acquired Accenture plc Class A ordinary shares primarily via share withholding for payroll tax obligations due from employees and former employees in connection with the delivery of Accenture plc Class A ordinary shares under those plans. These purchases of shares in connection with employee share plans do not affect our aggregate available authorization for our publicly announced open-market share purchase and the other share purchase programs.

We intend to continue to use a significant portion of cash generated from operations for share repurchases during the remainder of fiscal 2020. The number of shares ultimately repurchased under our open-market share purchase program may vary depending on numerous factors, including, without limitation, share price and other market conditions, our ongoing capital allocation planning, the levels of cash and debt balances, other demands for cash, such as acquisition activity, general economic and/or business conditions, and board and management discretion. Additionally, as these factors may change over the course of the year, the amount of share repurchase activity during any particular period cannot be predicted and may fluctuate from time to time. Share repurchases may be made from time to time through open-market purchases, in respect of purchases and redemptions of Accenture Canada Holdings Inc. exchangeable shares, through the use of Rule 10b5-1 plans and/or by other means. The repurchase program may be accelerated, suspended, delayed or discontinued at any time, without notice.

Off-Balance Sheet Arrangements

In the normal course of business and in conjunction with some client engagements, we have entered into contractual arrangements through which we may be obligated to indemnify clients with respect to certain matters.

To date, we have not been required to make any significant payment under any of the arrangements described above. For further discussion of these transactions, see Note 11 (Commitments and Contingencies) to our Consolidated Financial Statements under Item 1, “Financial Statements.”

Significant Accounting Policies

See Note 1 (Basis of Presentation) and Note 7 (Leases) to our Consolidated Financial Statements under Item 1, “Financial Statements.” Note 7 includes updates to our leases policy as a result of the implementation of FASB ASU No. 2016-02.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

During the six months ended February 29, 2020, there were no material changes to the information on market risk exposure disclosed in our Annual Report on Form 10-K for the year ended August 31, 2019. For a discussion of our market risk associated with foreign currency risk, interest rate risk and equity price risk as of August 31, 2019, see “Quantitative and Qualitative Disclosures About Market Risk” in Part II, Item 7A, of our Annual Report on Form 10-K for the year ended August 31, 2019.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our principal executive officer and our principal financial officer, has evaluated the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Exchange Act) as of the end of the period covered by this report. Any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. Based on that evaluation, the principal executive officer and the principal financial officer of Accenture plc have concluded that, as of the end of the period covered by this report, our disclosure controls and procedures were effective at the reasonable assurance level.

Changes in Internal Control Over Financial Reporting

There has been no change in our internal control over financial reporting that occurred during the second quarter of fiscal 2020 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

PART II — OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

The information set forth under “Legal Contingencies” in Note 11 (Commitments and Contingencies) to our Consolidated Financial Statements under Part I, Item 1, “Financial Statements,” is incorporated herein by reference.

ITEM 1A. RISK FACTORS

For a discussion of our potential risks and uncertainties, see the risk factor below and the information under the heading “Risk Factors” in our Annual Report on Form 10-K for the year ended August 31, 2019 (the “Annual Report”).

Our results of operations have been adversely affected and could in the future be materially adversely impacted by the coronavirus pandemic (COVID-19).

The global spread of the coronavirus (COVID-19) has created significant volatility and uncertainty and economic disruption. The extent to which the coronavirus pandemic impacts our business, operations and financial results will depend on numerous evolving factors that we may not be able to accurately predict, including: the duration and scope of the pandemic; governmental, business and individuals’ actions that have been and continue to be taken in response to the pandemic; the impact of the pandemic on economic activity and actions taken in response; the effect on our clients and client demand for our services and solutions; our ability to sell and provide our services and solutions, including as a result of travel restrictions and people working from home; the ability of our clients to pay for our services and solutions; and any closures of our and our clients’ offices and facilities. For example, in India and the Philippines, we have large concentrations of employees performing critical operations. The closure of those facilities, or restrictions inhibiting our employees’ ability to access those facilities, has disrupted, and could in the future disrupt our ability to provide our services and solutions and result in, among other things, terminations of client contracts and losses of revenue. Clients may also slow down decision making, delay planned work or seek to terminate existing agreements. Any of these events could cause or contribute to the risks and uncertainties enumerated in the Annual Report and could materially adversely affect our business, financial condition, results of operations and/or stock price.

WHEREAS, the Participant acknowledges and agrees that such Confidential Information, Trade Secrets, and client or prospective client relationships of the Constituent Companies, as well as investments by the Constituent Companies in the training, skills, capabilities, knowledge and experience of their employees are extremely valuable assets, and that the Constituent Companies have invested and will continue to invest substantial time, effort and expense to develop Confidential Information, Trade Secrets, client or prospective client relationships, and the training, skills, capabilities, knowledge and experience of their employees, and which the Constituent Companies have taken all reasonable steps to protect;

WHEREAS, the Participant acknowledges and agrees that the terms and conditions set forth in this Agreement are reasonable, fair, and necessary to protect the Constituent Companies' legitimate business interests as described in the foregoing recital clauses; and

WHEREAS, the Participant acknowledges and agrees that the restricted share units ("RSUs") granted pursuant to Section 1 are good and valuable consideration for, and conditioned upon, the Participant's full compliance with the terms and conditions set forth in this Agreement, and that the Participant would forfeit such RSUs pursuant to Section 6 in the event the Participant were to engage in any of the activities defined in Section 6(c).

NOW, THEREFORE, for such good and valuable consideration, the Participant hereby covenants and agrees to the following terms and conditions, including, but not limited to, the provisions set forth in Sections 6(b) and 6(c), all of which the Participant acknowledges and agrees are reasonably designed to protect the legitimate business interests of the Constituent Companies and which will not unreasonably affect the Participant's professional opportunities following termination of Participant's association with the Constituent Companies.

The Company hereby grants as of 1 January 2020 the number of RSUs as set forth in the Essential Grant Terms (as defined below) to the Participant on the terms and conditions hereinafter set forth. This grant is made pursuant to the terms of the Amended and Restated Accenture plc 2010 Share Incentive Plan (the "Plan"), which Plan, as amended from time to time, is incorporated herein by reference and made a part of this Agreement (as defined below). Each RSU represents the unfunded, unsecured right of the Participant to receive and retain a Share on the date(s) specified herein, subject to the conditions specified herein. Capitalized terms not otherwise defined herein shall have the same meanings ascribed to them in the Plan.

This grant of RSUs is subject to the Key Executive Performance Share Program Essential Grant Terms (the "Essential Grant Terms") displayed electronically on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com) and the Restricted Share Unit Agreement, which together constitute the Key Executive Performance Share Program Restricted Share Unit Agreement (the "Agreement"). The parties further agree as follows:

1. Performance-Based Vesting.

(a) Performance Period. The RSUs shall vest, if at all, based upon the attainment of specific pre-established financial performance objectives (the "Performance Objectives") by the Company for the period commencing on 1 September 2019 and ending on 31 August 2022 (the "Performance Period"), as set forth in this Section 1.

(b) Service Relationship. Except as provided in Section 2(a), RSUs that are unvested as of the termination of the Participant's full-time employment status with any of the Constituent Companies (such employment hereinafter referred to as "Qualified Status") shall be immediately forfeited as of such termination and the Company shall have no further obligations with respect thereto.

(c) Total Shareholder Return.

(i) Up to twenty-five percent (25%) of the RSUs granted to the Participant pursuant to this Agreement shall vest, if at all, based upon the Total Shareholder Return for the Company, as compared to the Comparison Companies, for the Performance Period in the manner set forth on Exhibit 1-A hereto.

(ii) For purposes of this Agreement, Total Shareholder Return with respect to the Company and each of the Comparison Companies shall mean the quotient of (A) the Fair Market Value of the stock of the particular company or index on 31 August 2022, divided by (B) the Fair Market Value of the stock of such company or index on 1 September 2019. For purposes of calculating a company's Total Shareholder Return, the Fair Market Value of the stock of any company on 31 August 2022 shall be adjusted to reflect any and all cash, stock or in-kind dividends paid on the stock of such company during the Performance Period as follows: the Fair Market Value of the stock of the company on 31 August 2022 shall be multiplied by the sum of (Y) one (1) plus (Z) the number of whole and fractional shares of the stock of the company that (i) were actually received in respect of one share (or such greater number of shares that are deemed to have been held at such time pursuant to this clause (c)(ii)) by way of a stock dividend and (ii) would otherwise result assuming each cash dividend paid on the stock (or fair market value of any in-kind dividend, as determined by the Committee) of the company during the Performance Period was used to purchase additional whole and/or fractional shares of stock of the company on the record date of such dividend based on the fair market value of the stock of the company (as determined by the Committee), or with respect to the Company, the Fair Market Value of a Share, on the record date of such dividend.

(iii) If at any time prior to the completion of the Performance Period, a Comparison Company ceases to be a publicly-traded company, merges or consolidates with another company, is acquired or disposes of or spins off a significant portion of its businesses as they exist on the date of this Agreement or experiences any other extraordinary event as determined by the Committee, the Committee, in its sole discretion, may remove such Comparison Company, ratably adjust the calculation of the Total Shareholder Return with respect to such Comparison Company, include any applicable successor entity or spun off entity as a new Comparison Company, determine the extent to which any distribution in kind should be valued for purposes of calculating Total Shareholder Return or make such other appropriate adjustments as determined by the Committee.

(iv) For purposes of this Agreement: (i) "Comparison Companies" shall mean Aon plc (AON), Automatic Data Processing, Inc. (ADP), Cap Gemini S.A. (CAP), Cisco Systems, Inc. (CSCO), Cognizant Technology Solutions Corporation (CTSH), DXC Technology Company (DXC), General Dynamics Corporation (GD), Hewlett Packard Enterprise Company (HPE), Infosys Limited (INFY), Intel Corporation (INTC), International Business Machines Corporation (IBM), Marsh & McLennan Companies, Inc. (MMC), Microsoft Corporation (MSFT), Oracle Corporation (ORCL), SAP SE (SAP) and the S&P 500 Total Return Index (SPX); and (ii) the "Fair Market Value" of (A) a share of stock of a company on a given date shall mean the average of the high and low trading price of the stock of the company, as reported on the principal exchange on which the stock of such company is traded (or, if the stock is not traded on an exchange but is quoted on Nasdaq or a successor quotation system, the average of the mean between the closing representative bid and asked prices for the stock) and (B) for the S&P 500 Total Return Index on a given date shall mean the average of the high and low values for such index as reported in the Wall Street Journal (or, if the S&P 500 Total Return Index is not reported in the Wall Street Journal, in such other reliable source as the Company may determine), in each case for the ten (10) consecutive trading days immediately preceding such date.

(d) Operating Income Growth Rate. Up to seventy-five percent (75%) of the RSUs granted to the Participant pursuant to this Agreement shall vest, if at all, based upon the achievement of operating income targets by the Company for the Performance Period, as set forth on Exhibit 1-B hereto. For purposes of this Agreement:

"Target Cumulative Operating Income" shall mean the aggregate of the "Operating Income Plan," as approved by the Committee, for each of the Company's three fiscal years during the Performance Period. Within a reasonable period following the availability of all relevant data (as determined by the Committee in its sole discretion), the Committee will approve an operating income plan for the purposes of the Key Executive Performance Share Program for each applicable fiscal year during the Performance Period (each an "Operating Income Plan").

"Actual Cumulative Operating Income" shall mean the aggregate of the Company's actual operating income for the Company's three fiscal years during the Performance Period, as determined from the Company's final, audited financial statements for such fiscal years.

In the event that, as determined in the sole discretion of the Committee and due to a required change in generally accepted accounting practices, a change in the accounting methods of the Company or an extraordinary and material event in the Company's business (each of the foregoing events being referred to herein as a "Material Event"), Actual Cumulative Operating Income determined after the occurrence of a Material Event would be materially different as a result of the occurrence thereof, the Committee may instruct the Company to determine Actual Cumulative Operating Income for such period, solely for purposes of this Agreement, as if the Material Event had not happened or was not effective. Such instruction may be limited to apply to fiscal periods in which the applicable Operating Income Plan did not account for the occurrence of the Material Event.

(e) Certification. No RSUs granted to the Participant hereunder shall vest in accordance with Sections 1(c) or (d) unless and until the Committee makes a certification in writing with respect to the achievement of the Performance Objectives for the Performance Period. Following the end of the Performance Period, the Committee shall review and determine whether the Performance Objectives have been met within a reasonable period following the availability of all data necessary to determine whether the Performance Objectives have been achieved, and not later than 31 December 2022, shall certify such finding to the Company and to the Participant.

2. Termination of Employment.

(a) Termination as a result of death, Disability, or Involuntary Termination; Specified Age Attainment. Notwithstanding anything in Section 1 to the contrary, the RSUs granted hereunder shall vest upon the termination of the Participant's Qualified Status as a result of death, Disability (as defined below), Involuntary Termination (as defined below) or if the Participant's Qualified Status has terminated as a result of voluntary termination before the end of the Performance Period and Participant has attained a certain age, all as follows:

(i) Termination as a result of death or Disability. In the event the Participant's Qualified Status is terminated during the Performance Period as a result of death or Disability, the RSUs granted to the Participant hereunder shall remain outstanding throughout the Performance Period and until the Vesting Date (as defined below) and shall vest, if at all, on the Vesting Date in accordance with Sections 1(c) or (d).

(ii) Involuntary Termination. In the event the Participant's Qualified Status is terminated during the Performance Period due to an Involuntary Termination, the RSUs granted to the Participant hereunder shall remain outstanding throughout the Performance Period and until the Vesting Date. On the Vesting Date, the Participant shall vest in the number of RSUs granted hereunder equal to the product of (i) the aggregate number of RSUs that would otherwise vest on the Vesting Date in accordance with Sections 1(c) or (d), multiplied by (ii) a fraction, the numerator of which is the whole number of months that have elapsed from the commencement of the Performance Period through the effective date of the Participant's Involuntary Termination or the last day of the Performance Period (whichever is earlier) and the denominator of which is thirty-six (36).

(iii) Specified Age Attainment. In the event the Participant's Qualified Status is terminated as a result of the Participant's voluntary termination of employment during the Performance Period and (i) the Participant has reached the age of 50 prior to the effective date of the termination of the Participant's Qualified Status and the end of the Performance Period and (ii) has had at least 15 years of continuous service to the Company immediately preceding the effective date of the termination, the RSUs granted to the Participant hereunder shall remain outstanding throughout the Performance Period until the Vesting Date. On the Vesting Date, the Participant shall vest in the number of RSUs granted hereunder equal to the product of (i) the aggregate number of RSUs that would otherwise vest upon the Vesting Date in accordance with Sections 1(c) or (d), multiplied by (ii) a fraction, the numerator of which is the whole number of months that have elapsed from the commencement of the Performance Period through the effective date of the termination of the Participant's Qualified Status or the last day of the Performance Period (whichever is earlier) and the denominator of which is thirty-six (36).

(b) Termination for reasons other than death, Disability, Involuntary Termination or Specified Age Attainment. In the event the Participant's Qualified Status is terminated during the Performance Period for any reason other than death, Disability, Involuntary Termination, except as set forth in Section 2(a)(iii) above, the RSUs granted hereunder shall be immediately forfeited as of such termination and the Company shall have no further obligation with respect thereto.

(c) Definitions. For purposes of this Agreement, the following terms shall have the meaning specified below:

(i) "Cause" shall mean "cause" as defined in any employment or consultancy agreement (or similar agreement) or in any letter of appointment then in effect between the Participant and the Company or any Affiliate or if not defined therein (it being the intent that the definition of "Cause" shall include, at a minimum, the acts set forth below), or if there shall be no such agreement, to the extent legally permissible, (a) the Participant's embezzlement,

misappropriation of corporate funds, or other material acts of dishonesty, (b) the Participant's commission or conviction of any felony, or of any misdemeanor involving moral turpitude, or entry of a plea of guilty or nolo contendere to any felony or misdemeanor, (c) engagement in any activity that the Participant knows or should know could harm the business or reputation of the Company or an Affiliate, (d) the Participant's material failure to adhere to the Company's or an Affiliate's corporate codes, policies or procedures as in effect from time to time, (e) the Participant's continued material failure to meet minimum performance standards as determined by the Company or an Affiliate, (f) the Participant's violation of any statutory, contractual, or common law duty or obligation to the Company or an Affiliate, including, without limitation, the duty of loyalty, or (g) the Participant's material breach of any confidentiality or non-competition covenant entered into between the Participant and the Company or an Affiliate, including, without limitation, the covenants contained in this Agreement. The determination of the existence of Cause shall be made by the Company in good faith, which determination shall be conclusive for purposes of this Agreement.

(ii) Unless Section 23 applies, "Disability" shall mean "disability" (A) as defined in any employment or consultancy agreement (or similar agreement) or in any letter of appointment then in effect between the Participant and the Company or any Affiliate or (B) if not defined therein, or if there shall be no such agreement, as defined in the long-term disability plan maintained by the Constituent Company by which the Participant is employed or for which the Participant serves as a consultant or by appointment, as in effect from time to time, or (C) if there shall be no plan, the inability of the Participant to perform in all material respects his or her duties and responsibilities to the Constituent Companies for a period of six (6) consecutive months or for an aggregate period of nine (9) months in any twenty-four (24) consecutive month period by reason of a physical or mental incapacity.

(iii) "Involuntary Termination" shall mean termination of Qualified Status, as applicable, by or with the agreement of the employing Constituent Company (other than for Cause or Disability) which is not voluntary and which is recorded as "involuntary" by the Company. A resignation, retirement or other voluntary termination of Qualified Status by the Participant, is not an Involuntary Termination.

(iv) "Vesting Date" shall mean the date the Committee certifies the achievement of the Performance Objectives pursuant to paragraph 1(e) above.

3. Form and Timing of Issuance or Transfer.

(a) Vested RSUs. The Company shall issue or cause there to be transferred to the Participant that number of Shares as determined by the Committee pursuant to Section 1(e) hereof to have vested under this RSU award; provided however, that in lieu of Shares, fractional vested RSUs shall be distributed to the Participant in cash based upon the Fair Market Value of a Share at the time of distribution.

(b) Distribution Date. Shares, if any, shall be distributed to the Participant in the manner set forth in Section 3(a) on the date the Committee makes a certification in writing with respect

to the achievement of the Performance Objectives for the Performance Period as provided in Section 1(e).

(c) Participants Outside of the U.S. Notwithstanding Section 3(a), if the Participant is resident or employed outside the United States, the Company, in its sole discretion, may provide for the settlement of the RSUs in the form of:

(i) a cash payment (in an amount equal to the Fair Market Value of the Shares that corresponds with the number of vested RSUs) to the extent that settlement in Shares (i) is prohibited under local law, (ii) would require the Participant, the Company or Constituent Company to obtain the approval of any governmental or regulatory body in the Participant's country of residence (or country of employment, if different), (iii) would result in adverse tax consequences for the Participant, the Company or Constituent Company or (iv) is administratively burdensome; or

(ii) Shares, but require the Participant to sell such Shares immediately or within a specified period following the Participant's termination of employment (in which case, the Participant hereby agrees that the Company shall have the authority to issue sale instructions in relation to such Shares on the Participant's behalf).

4. Dividends. If on any date while RSUs are outstanding hereunder the Company shall pay any dividend on the Shares (other than a dividend payable in Shares), the number of RSUs granted to the Participant shall, as of such dividend payment date, be increased by a number of RSUs equal to: (a) the product of (i) the number of RSUs held by the Participant as of the related dividend record date, multiplied by (ii) the per Share amount of any cash dividend (or, in the case of any dividend payable in whole or in part other than in cash, the per Share value of such dividend, as determined in good faith by the Committee), divided by (b) the Fair Market Value of a Share on the payment date of such dividend. In the case of any dividend declared on Shares that is payable in the form of Shares, the number of RSUs granted to the Participant shall be increased by a number equal to the product of (a) the aggregate number of RSUs held by the Participant through the related dividend record date, multiplied by (b) the number of Shares (including any fraction thereof) payable as a dividend on a Share. Any additional RSUs granted to the Participant pursuant to this Section 4 during the Performance Period or prior to the Vesting Date shall also be subject to the vesting requirements of Sections 1(c) and (d) and the other terms and conditions contained in this Agreement.

5. Adjustments Upon Certain Events.

(a) The grant of the RSUs shall not in any way affect the right or power of the Company to make adjustments, reclassification, or changes in its capital or business structure, or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets.

(b) In the event of any dividend or other distribution other than a cash dividend (whether in the form of Shares, other securities or other property), recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination,

repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event (collectively, an "Adjustment Event"), the Committee may, in its sole discretion, (i) adjust the Shares or RSUs subject to this Agreement and (ii) adjust the methodology for calculating Total Shareholder Return and Operating Income in accordance with Sections 1(c) and (d) to reflect such Adjustment Event.

6. Compliance, Cancellation and Rescission of Shares.

(a) Upon any transfer or issuance of Shares or cash underlying RSUs, the Participant shall certify in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of this Agreement and the Plan.

(b) In the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant's Qualified Status for Cause, (ii) the Participant's Qualified Status with any of the Constituent Companies is terminated for Cause, or (iii) the Participant engages in any of the activities defined in subsection (c) below, the Participant shall, to the extent legally permitted, transfer to the Company the Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above) and without regard to whether the Participant continues to own or control such previously delivered Shares and the Participant shall bear all costs of issuance or transfer, including any transfer taxes that may be payable in connection with any transfer. Upon a showing satisfactory to the Company by Participant that the value of the Shares subject to transfer as described above exceeds the value of the actual benefit received by the Participant (as measured by the gross proceeds the Participant received upon the sale of Shares issued or transferred under this Agreement), then, with respect to such sold Shares, the transfer of Shares required under this Section 6(b) shall be limited to a number of Shares equivalent in value to such actual benefit received by the Participant. Upon receiving a demand from the Company to transfer Shares to the Company pursuant to this subsection, the Participant shall effect the transfer of Shares to the Company by no later than ten (10) business days from the date of the Company's demand. For the avoidance of doubt, if the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority) and engages in any of the activity set forth in subsection (c)(i), the Company may require the Participant, to the extent legally permitted, to transfer to the Company up to a number of Shares equal to the number of Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above), as well as a number of Shares that have been issued or transferred under any prior agreement between the Company and the Participant, without regard to whether the Participant continues to own or control such previously delivered Shares and without regard to the actual benefit received by the Participant with respect to any Shares sold by the Participant, and the Participant shall bear all costs of transfer, including any transfer taxes that may be payable in connection with such transfer. Similarly, in the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant's Qualified Status for Cause or (ii) the Participant engages in any of the activities defined in subsection (c) below, in either case at any time prior to the date that any Shares

underlying RSUs granted under this Agreement have been issued or transferred, the RSUs granted hereunder (both vested and unvested) shall be forfeited immediately.

(c) In the event Participant engages in any of the activities defined in this subsection, Participant agrees to transfer Shares to the Company in accordance with any demand received from the Company for the transfer of Shares under subsection 6(b) above and/or that his or her award of RSUs will be forfeited in its entirety, as applicable:

(i) if the Participant's employment with any of the Constituent Companies terminates while the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority), the Participant shall not, for a period of twelve months following the termination of the Participant's employment with any of the Constituent Companies associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor or otherwise) with any Competitive Enterprise (or any of the affiliates, related entities, successors, or assigns of any Competitive Enterprise) that: (1) is identified on the list of competitors maintained by the Company on the myHoldings website (which list may be updated by the Company from time to time) as a Global Accenture Competitor or as being a competitor of any Restricted Business, and/or (2) is otherwise a competitor of any Restricted Business; provided, however, that with respect to the equity of any Competitive Enterprise which is or becomes publicly traded, the Participant's ownership as a passive investor of less than one percent (1%) of the outstanding publicly traded stock of a Competitive Enterprise shall not be deemed a violation of this subsection 6(c)(i);

(ii) the Participant shall not, for a period of twelve months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly (A) solicit, or assist any other individual, person, firm or other entity in soliciting, any Restricted Client or Restricted Prospective Client for the purpose of performing or providing any Relevant Services; (B) perform or provide, or assist any other individual, person, firm or other entity in performing or providing, Relevant Services for any Restricted Client or Restricted Prospective Client; or (C) interfere with or damage (or attempt to interfere with or damage) any relationship and/or agreement between the Company or any Affiliates and a Restricted Client or Restricted Prospective Client;

(iii) the Participant shall not, for a period of twelve months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly, solicit, employ or retain, or assist any other individual, person, firm or other entity in soliciting, employing or retaining, any employee or other agent of the Company or an Affiliate, (A) with whom the Participant has had material dealings; (B) from whom, or as a result of contact with whom, the Participant has obtained Confidential Information or Trade Secrets; or (C) whom the Participant has supervised on a client or prospective client engagement, in the twenty-four months preceding the termination of the Participant's Qualified Status with the Constituent Companies; or

(iv) the Participant shall not, unless the Participant has received the prior written consent of the Company or its Affiliates or is otherwise required by law, either directly or indirectly use, sell, lend, lease, distribute, license, give, transfer, assign, show, disseminate, divulge, disclose, reveal, share, provide access to, reproduce, copy, distribute, publish, appropriate, or otherwise communicate any Confidential Information or Trade Secrets at any time following the termination of the Participant's employment with the relevant Constituent Company. If the Participant is requested or required pursuant to any legal, governmental or investigatory proceeding or process or otherwise, to disclose any Confidential Information or Trade Secrets, the Participant shall promptly notify the Company in writing so that the Company may seek a protective order or other appropriate remedy, or, if it chooses, waive compliance with the applicable provision of this Agreement. The Participant's obligation of non-disclosure as set forth herein shall continue for so long as such item continues to constitute Confidential Information. Notwithstanding the foregoing, if the Participant makes a confidential disclosure of a Trade Secret or other Confidential Information to a government official or an attorney for the sole purpose of reporting or investigating a suspected violation of law, or in a court filing under seal, the Participant shall not be held liable under this Agreement or under any federal or state trade secret law for such a disclosure. Additionally, if the Participant files a lawsuit in the United States for retaliation by the Company for reporting a suspected violation of the law, the Participant may disclose Trade Secret information to the Participant's attorney, and can use the Trade Secret information in sealed filings in the court proceeding, or pursuant to a court order, as long as the Participant does not otherwise disclose the Trade Secret.

(d) In the event that the Participant's Qualified Status with any of the Constituent Companies is terminated for Cause, or (ii) the Participant engages in any of the activities defined in subsection (c) above, the Company's remedy shall be limited to the recovery of Shares as set forth in subsection (b) above; provided, however, that nothing in this Agreement is intended to or should be interpreted as diminishing any rights and remedies that Affiliates may have, at law or equity, related to investments by the Constituent Companies in Confidential Information, Trade Secrets, clients and prospective client relationships, and the training, skills, capabilities, knowledge and experience of employees, including, but not limited to, any rights and remedies set forth in the Participant's employment agreement, confidentiality agreement, intellectual property agreement, restrictive covenant agreement, or any other agreement entered into between the Participant and an Affiliate of the Company.

(e) This Section 6 shall be interpreted and applied in a consistent manner to any cash paid to the Participant in accordance with Section 3(c). For the sake of clarity, cash paid to the Participant to settle vested RSUs in accordance with Section 3(c) shall be subject to forfeiture/recoupment/repayment under this Section 6 on the same basis as if such RSUs were settled with Shares.

(f) For purposes of this Agreement:

or non-technical data, a formula, a pattern, a compilation, a program, a device, a method, a technique, a drawing, a process, financial data, financial plans, business and strategic plans, product plans, source code, software, unpublished patent applications, customer proposals or pricing information or a list of actual or potential customers or suppliers which is not commonly known by or available to the public and which information (A) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use and (B) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(g) If, during the twelve-month period following the termination of the Participant's employment with the Constituent Companies, the Participant is presented with an opportunity that might involve participation in any of the activities defined in Section 6(c) above, Participant shall notify the Company in writing of the nature of the opportunity (the "Conflicting Activity"). Following receipt of sufficient information concerning the Conflicting Activity, the Company will advise Participant in writing whether the Company considers the Participant's RSUs to be subject to Section 6(b)(ii) above. The Company retains sole discretion to determine whether Participant's RSUs are subject to Section 6(b)(ii) and to alter its determination should additional or different facts become known to the Company.

7. Collateral Agreements. As a condition to the issuance or transfer of the Shares underlying the RSUs granted hereunder, the Participant shall, to the degree reasonably required by the Company, (a) execute and return to the Company a counterpart of this Agreement (or, if acceptable to the Company, acknowledge receipt and agreement of the terms of this Agreement electronically), all in accordance with the instructions provided by the Company and (b) to the extent required by the Company, either (i) execute and return an employment agreement, a consultancy agreement, a letter of appointment and/or an intellectual property agreement, in form and substance satisfactory to the Company, or (ii) provide evidence satisfactory to the Company that the agreements referenced in clause (i) have been previously executed by the Participant.

8. Nature of Grant. In accepting the grant, the Participant acknowledges, understands and agrees that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Board at any time;

(b) the grant of the RSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs (whether on the same or different terms), or benefits in lieu of RSUs, even if RSUs have been granted in the past;

(c) all decisions with respect to future grants of RSUs or other grants, if any, will be at the sole discretion of the Committee, including, but not limited to, the form and timing of the grant, the number of Shares subject to the grant, and the vesting provisions applicable to the grant;

(d) the RSU grant and the Participant's participation in the Plan shall not create a right to employment or be interpreted as forming an employment or services contract with the Company

or any Constituent Company and shall not interfere with the ability of the Company, or Constituent Company, as applicable, to terminate Participant's employment or service relationship;

(e) the Participant is voluntarily participating in the Plan;

(f) Shares (or cash) will be issued to the Participant only if the vesting conditions are met and any necessary services are rendered by the Participant over the vesting period;

(g) the RSUs and the Shares (or cash) subject to the RSUs are not intended to replace any pension rights or compensation;

(h) the RSUs and the Shares subject to the RSUs, and the income and value thereof, are an extraordinary item of compensation outside the scope of the Participant's employment (and employment contract, if any) and is not part of normal or expected compensation for any purpose, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(i) the future value of the Shares underlying the RSUs is unknown, indeterminable and cannot be predicted with certainty;

(j) no claim or entitlement to compensation or damages shall arise from forfeiture of RSUs resulting from the Participant ceasing to be employed or otherwise providing services to the Company or Constituent Company;

(k) unless otherwise provided herein, in the Plan or by the Company in its discretion, the RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares of the Company; and

(l) if the Participant resides or is employed outside the United States, the Participant acknowledges and agrees that neither the Company nor any Constituent Company shall be liable for any exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the RSUs or of any amounts due to Participant pursuant to the settlement of the RSUs or the subsequent sale of any Shares acquired upon settlement.

9. No Rights of a Shareholder. The Participant shall not have any rights as a shareholder of the Company until the Shares in question have been registered in the Company's register of shareholders.

10. Unfunded Obligation; Unsecured Creditor. The RSUs granted hereunder are an unfunded obligation of the Company and no assets or shares of the Company shall be set segregated or earmarked by the Company in respect of any RSUs awarded hereunder. The RSUs

granted hereunder shall be an unsecured obligation of the Company and the rights and interests of the Participant herein shall make him only a general, unsecured creditor of the Company.

11. Legend on Certificates. Any Shares issued or transferred to the Participant pursuant to Section 3 of this Agreement shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the U.S. Securities and Exchange Commission, any stock exchange upon which such Shares are listed, any applicable U.S. Federal or state laws or relevant securities laws of the jurisdiction of the domicile of the Participant or to ensure compliance with any additional transfer restrictions that may be in effect from time to time, and the Committee may cause a legend or legends to be put on any certificates representing such Shares to make appropriate reference to such restrictions.

12. Transferability Restrictions — RSUs/Underlying Shares. RSUs may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance not permitted by this Section 12 shall be void and unenforceable against any Constituent Company. Any Shares issued or transferred to the Participant shall be subject to compliance by the Participant with such policies as the Committee or the Company may deem advisable from time to time, including, without limitation, any policies relating to minimum executive employee share ownership requirements. Such policies shall be binding upon the permitted respective legatees, legal representatives, successors and assigns of the Participant. The Company shall give notice of any such additional or modified terms and restrictions applicable to Shares delivered or deliverable under this Agreement to the holder of the RSUs and/or the Shares so delivered, as appropriate, pursuant to the provisions of Section 13 or, if a valid address does not appear to exist in the personnel records, to the last address known by the Company of such holder. Notice of any such changes may be provided electronically, including, without limitation, by publication of such changes to a central website to which any holder of the RSUs or Shares issued therefrom has access.

13. Notices. Any notice to be given under this Agreement shall be delivered personally, or sent by certified, registered or express mail, postage prepaid, addressed to the Company in care of its General Counsel at:

Accenture
161 N. Clark Street
Chicago, IL 60601
USA
Telecopy: +1 (312) 652-5619
Attn: General Counsel

(or, if different, the then current principal business address of the duly appointed General Counsel of the Company) and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party at such other address as either party hereto

may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

14. Tax Withholding.

(a) Regardless of any action the Company or Constituent Company takes with respect to any or all income tax (including U.S. federal, state and local taxes or non-U.S. taxes), social insurance, payroll tax, fringe benefit, payment on account or other tax-related withholding ("Tax-Related Items"), the Participant acknowledges that the ultimate liability for all Tax-Related Items legally due by the Participant is and remains the Participant's responsibility and that the Company and Constituent Company (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSUs, including the grant of the RSUs, the vesting of the RSUs, the delivery or sale of any Shares or cash acquired pursuant to the RSUs and the issuance of any dividends, and (ii) do not commit to structure the terms of the grant or any aspect of the RSUs to reduce or eliminate the Participant's liability for Tax-Related Items.

(b) To the extent that the grant or vesting of the RSUs, the delivery of Shares or cash pursuant to the RSUs or issuance of dividends results in a withholding obligation for Tax-Related Items, unless otherwise specifically approved and directed by the Committee, the Participant authorizes the Company, Constituent Company or agent of the Company or Constituent Company to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company or the Constituent Company; (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent); or (iii) withholding from the Shares to be delivered upon settlement of the RSUs that number of Shares having a Fair Market Value equal to the amount required by law to be withheld. If the Participant is subject to taxation in more than one jurisdiction, the Participant acknowledges that the Company may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(c) Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates (as determined by the Company in good faith and in its sole discretion) or other applicable withholding rates, including maximum applicable rates, in which case Participant will receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. The Company shall repay any excess amounts due to the Participant within, where administratively feasible, thirty (30) days of withholding. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the vested RSUs, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

(d) The Participant agrees to pay to the Company or Constituent Company, any amount of Tax-Related Items that the Company or Constituent Company may be required to withhold or

account for as a result of Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares, cash or the proceeds of the sale of Shares, if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

(e) The Participant hereby acknowledges that he or she will not be entitled to any interest or appreciation on Shares sold to satisfy the tax withholding requirements (including with respect to any amounts withheld in excess of the Participant's tax liability).

15. Choice of Law and Dispute Resolution.

(a) THE INTERPRETATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

(b) Subject to subsections (c) through (f), any and all disputes which cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance and/or termination of this Agreement and any amendment thereto (including without limitation the validity, scope and enforceability of this arbitration provision) (each a "Dispute") shall be finally settled by arbitration conducted by a single arbitrator in New York, in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce ("ICC"), except that the parties may select an arbitrator who is a national of the same country as one of the parties. If the parties to the dispute fail to agree on the selection of an arbitrator within thirty (30) days of the receipt of the request for arbitration, the ICC shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. In the event of any arbitration between the parties, the Company shall consent to a request by the Participant to hold arbitral proceedings, including any evidentiary hearings, in the country in which the Participant principally conducts his/her business for the convenience of the parties and witnesses, it being understood, however, that the legal situs of the arbitration shall remain in New York. Each side will bear its own costs and attorneys' fees.

(c) Either party may bring an action or proceeding in any court having jurisdiction thereof for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and/or in support of the arbitration as permitted by any applicable arbitration law and, for the purposes of this subsection (c), each party expressly consents to the application of subsections (e) and (f) to any such suit, action or proceeding.

(d) Judgment on any award(s) rendered by the tribunal may be entered in any court having jurisdiction thereof.

(e) (i) Each party hereby irrevocably submits to the non-exclusive jurisdiction of the Courts located in New York, United States for the purpose of any suit, action or proceeding brought in accordance with the provisions of subsection (c). The parties acknowledge that the

forum designated by this subsection (e) has a reasonable relation to this Agreement, and to the parties' relationship with one another.

(ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to any right to assert personal jurisdiction in any other forum or to the laying of venue of any suit, action or proceeding brought in any court referred to in subsection (e)(i) pursuant to subsection (c) and such parties agree not to plead or claim the same, or to seek anti-suit relief or any other remedy to deny the arbitral jurisdiction referred to in subsection (b).

(f) The parties agree that if a suit, action or proceeding is brought under subsection (c) proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and they irrevocably appoint the General Counsel of the Company, c/o Accenture, 161 N. Clark Street, Chicago IL, 60601 USA (or, if different, the then-current principal business address of the duly appointed General Counsel of the Company) as such party's agent for service of process in connection with any such action or proceeding and agree that service of process upon such agent, who shall promptly advise such party of any such service of process, shall be deemed in every respect effective service of process upon the party in any such action or proceeding.

16. Severability. This Agreement shall be enforceable to the fullest extent allowed by law. In the event that a court or appointed arbitrator holds any provision of this Agreement to be invalid or unenforceable, then, if allowed by law, the provision shall be reduced, modified or otherwise conformed to the relevant law, judgment or determination to the degree necessary to render it valid and enforceable without affecting the rest of this Agreement. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be deemed severable from the remainder of this Agreement, and the remaining provisions contained in this Agreement shall be construed to preserve to the maximum permissible extent the intent and purposes of this Agreement. Any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

17. RSUs Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. All RSUs are subject to the Plan. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail.

18. Rule 16b-3. The grant of the RSUs to the Participant hereunder is intended to be exempt from the provisions of Section 16(b) of the Securities Exchange Act of 1934, as amended from time to time (the "Exchange Act") pursuant to Rule 16b-3 promulgated under the Exchange Act.

19. Signature in Counterparts. To the extent that this Agreement is manually signed, instead of electronically accepted by the Participant (if permitted by the Company), it may be signed in counterparts, each of which shall be deemed an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

20. Entire Agreement. This Agreement and the Plan constitute the entire agreement of the parties and supersede in their entirety all prior undertakings and oral and written agreements of the parties with respect to the subject matter hereof. Participant acknowledges and agrees that this Agreement, including the Plan, and all prior RSU or other equity grant agreements between the Company and its assignor Accenture Ltd, on the one hand, and Participant, on the other, are separate from, and shall not be modified or superseded in any way by any other agreements, including employment agreements, entered into between Participant and the Company's Affiliates.

21. Severability of Agreement. In the event that any provision in this Agreement shall be held invalid or unenforceable, such provision shall be severable from, and such invalidity or unenforceability shall not be construed to have any effect on, the remaining provisions of this Agreement.

22. Administration; Consent. In order to manage compliance with the terms of this Agreement, Shares delivered pursuant to this Agreement may, at the sole discretion of the Company, be registered in the name of the nominee for the holder of the Shares and/or held in the custody of a custodian until otherwise determined by the Company. To that end, by acceptance of this Agreement, the holder hereby appoints the Company, with full power of substitution and resubstitution, his or her true and lawful attorney-in-fact to assign, endorse and register for transfer into such nominee's name or deliver to such custodian any such Shares, granting to such attorneys, and each of them, full power and authority to do and perform each and every act and thing whatsoever that such attorney or attorneys may deem necessary, advisable or appropriate to carry out fully the intent of this Section 22 as such person might or could do personally. It is understood and agreed by each holder of the Shares delivered under this Agreement that this appointment, empowerment and authorization may be exercised by the aforementioned persons with respect to all Shares delivered pursuant to this Agreement of such holder, and held of record by another person or entity, for the period beginning on the date hereof and ending on the later of the date this Agreement is terminated and the date that is ten years following the last date Shares are delivered pursuant to this Agreement. The form of the custody agreement and the identity of the custodian and/or nominee shall be as determined from time to time by the Company in its sole discretion. A holder of Shares delivered pursuant to this Agreement acknowledges and agrees that the Company may refuse to register the transfer of and enter stop transfer orders against the transfer of such Shares except for transfers deemed by it in its sole discretion to be in compliance with the terms of this Agreement. The Company reserves the right to impose other requirements on the RSUs, any Shares acquired pursuant to the RSUs and the Participant's participation in the Plan to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the RSUs and the Plan. Such requirements may include (but are not limited to) requiring the Participant to sign any agreements, undertakings or additional documents that may be necessary to accomplish the foregoing. The Participant agrees to take such other actions as may be deemed reasonably necessary or desirable by the Company to effect the provisions of this Agreement, as in effect from time to time. Each holder of Shares delivered pursuant to this Agreement or any prior

agreement between the Company and the Participant acknowledges and agrees that the Company may impose a legend on any document relating to Shares issued or issuable pursuant to this Agreement conspicuously referencing the restrictions applicable to such Shares, and may instruct the administrator of any brokerage account into which Shares have been initially deposited to freeze or otherwise prevent the disposition of such Shares.

23. Section 409A - Disability, Deferral Elections, Payments to Specified Employees, and Interpretation of Grant Terms. If the Participant is subject to income taxation on the income resulting from this Agreement under the laws of the United States, and the foregoing provisions of this Agreement would result in adverse tax consequences to the Participant, as determined by the Company, under Section 409A of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), then the following provisions shall apply and supersede the foregoing provisions:

(a) "Disability" shall mean a disability within the meaning of Section 409A(a)(2)(C) of the Code.

(b) Deferral elections made by U.S. taxpayers are subject to Section 409A of the Code. The Company will use commercially reasonable efforts to not permit RSUs to be deferred, accelerated, released, extended, paid out or modified in a manner that would result in the imposition of an additional tax under Section 409A of the Code. In the event that it is reasonably determined by the Company that, as a result of Section 409A of the Code, payments or delivery of the Shares underlying the RSU award granted pursuant to this Agreement may not be made at the time contemplated by the terms of the RSU award or the Participant's deferral election, as the case may be, without causing the Participant to be subject to taxation under Section 409A of the Code, the Company will make such payment or share delivery as soon as practicable on or following the first day that would not result in the Participant's incurring any tax liability under Section 409A of the Code, and in any event, no later than the last day of the calendar year in which such first date occurs.

(c) If the Participant is a "specified employee" (within the meaning of Section 409A(a)(2)(B)(i) of the Code), payments and deliveries of shares in respect of any RSUs subject to Section 409A of the Code that are linked to the date of the Participant's separation from service shall not be made prior to the date which is six (6) months after the date of the Participant's separation from service from the Company or any of its Affiliates, determined in accordance with Section 409A of the Code and the regulations promulgated thereunder.

(d) The Company shall use commercially reasonable efforts to avoid subjecting the Participant to any additional taxation under Section 409A of the Code as described herein; provided that neither the Company nor any of its employees, agents, directors or representatives shall have any liability to the Participant with respect to Section 409A of the Code.

24. Electronic Delivery. The Company may, in its sole discretion, deliver by electronic means any documents related to the RSUs or the Participant's future participation in the Plan. The Participant hereby consents to receive such documents by electronic delivery and agrees to

participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

25. English Language. If the Participant is resident in a country where English is not an official language, the Participant acknowledges and agrees that it is the Participant's express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the grant of RSUs, be drawn up in English. If the Participant has received this Agreement, the Plan or any other documents related to the RSUs translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version will control.

26. Repatriation; Compliance with Law. If the Participant is resident or employed outside the United States, the Participant agrees to repatriate all payments attributable to the Shares and/or cash acquired under the Plan in accordance with applicable foreign exchange rules and regulations in the Participant's country of residence (and country of employment, if different). In addition, the Participant agrees to take any and all actions, and consents to any and all actions taken by the Company and Constituent Companies, as may be required to allow the Company and Constituent Companies to comply with local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different). Further, the Participant agrees to take any and all actions as may be required to comply with the Participant's personal obligations under local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different).

27. Insider Trading / Market Abuse Laws. By participating in the Plan, the Participant agrees to comply with the Company's policy on insider trading. The Participant further acknowledges that the Participant may be subject to local insider trading and/or market abuse laws and regulations that are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Participant acknowledges that it is the Participant's personal responsibility to comply with any applicable restrictions, and that the Participant should consult the Participant's personal advisor on this matter.

28. Appendix B. Notwithstanding any provision of this Agreement to the contrary, the RSUs shall be subject to any special terms and conditions for the Participant's jurisdiction of residence (and jurisdiction of employment, if different) as set forth in Appendix B to the Agreement, if applicable, which shall constitute part of this Agreement.

29. Recoupment. The RSUs granted under this Agreement, and any Shares issued or other payments made in respect thereof, shall be subject to any recoupment policy that the Company may adopt from time to time, to the extent any such policy is applicable to the Participant. By accepting the grant of RSUs under this Agreement the Participant agrees and consents to the Company's application, implementation and enforcement of (a) the recoupment policy and (b) any provision of applicable law relating to cancellation, recoupment, rescission or payback of compensation and expressly agrees that the Company may take such actions as are necessary to effectuate the recoupment policy (as applicable to the Participant) or applicable law without further consent or action being required by the Participant. For purposes of the foregoing, the

Participant expressly and explicitly authorizes the Company to issue instructions, on the Participant's behalf, to any brokerage firm and/or third party administrator engaged by the Company to hold the Participant's Shares and other amounts acquired under the Plan to re-convey, transfer or otherwise return such Shares and/or other amounts to the Company. To the extent that the terms of this Agreement and the recoupment policy conflict, the terms of the recoupment policy shall prevail.

30. Amendments. The rights and obligations under this Agreement and their enforceability are subject to local tax and foreign exchange laws and regulations and, in this sense, the terms and conditions contained herein may be amended at the sole discretion of the Company and/or the Committee in order to comply with any such laws and regulations.

31. Data Protection. The Participant consents to the collection and processing (including international transfer) of personal data as set out in Appendix A for the purposes specified therein.

32. Waiver. No waiver of any breach or condition of this Agreement shall be deemed to be a waiver of any other or subsequent breach or condition, whether of like or different nature.

33. Electronic Signature. Participant acknowledges and agrees that by clicking the "Accept Grant Online" button on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com), it will act as the Participant's electronic signature to this Agreement and will constitute Participant's acceptance of and agreement with all of the terms and conditions of the RSUs, as set forth in this Agreement, the Essential Grant Terms and the Plan.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective as of the date set forth above.

APPENDIX A

DATA PROTECTION PROVISION

(a) By participating in the Plan or accepting any rights granted under it, the Participant consents to and authorizes the collection, processing and transfer by the Company and its Affiliates of personal data relating to the Participant by the Company and its Affiliates for the purposes of fulfilling their obligations and exercising their rights under the Plan, issuing certificates (if any), statements and communications relating to the Plan and generally administering and managing the Plan, including keeping records of analysis of and reporting on participation levels and other information about the Plan from time to time. Any such processing shall be in accordance with the purposes and provisions of this data protection provision. References in this provision to the Company and its Affiliates include the Participant's employer.

This includes the following categories of data ("Data"):

(i) Data already held in the Participant's records such as the Participant's name and address, ID number, payroll number, length of service and whether the Participant works full-time or part time;

(ii) Data collected upon the Participant accepting the rights granted under the Plan (if applicable);

(iii) Data subsequently collected by the Company or any of its Affiliates in relation to the Participant's continued participation in the Plan, for example, data about shares offered or received, purchased or sold under the Plan from time to time and other appropriate financial and other data about the Participant and his or her participation in the Plan (e.g., the date on which shares were granted, termination of employment and the reasons of termination of employment or retirement of the Participant); and

(iv) Other personal information about the Participant, including, but not limited to, telephone number, date of birth, social insurance number, tax identification number, resident registration number or other identification number, salary, nationality, job title or any other information necessary for implementing, administering, and managing the Plan.

(b) Access to the Participant's personal Data within the Company will be limited to those employees who have a need to know the information for the purposes described in this Appendix A, which may include personnel in HR, IT, Compliance, Legal, Finance and Accounting, Corporate Investigations and Internal Audit.

(c) The Company and its Affiliates shall retain the Data of the Participant for as long as necessary for the above mentioned purposes. In particular:

- the Company retains the Participant's Data during the term of the Plan;
- the Company retains the Participant's Data where it is required to do so by a legal obligation to which it is subject;
- the Company retains the Participant's Data where this is advisable to safeguard or improve the Company's legal position (for instance in relation to statutes of limitations, litigation, or regulatory investigations).

(d) This consent is in addition to and does not affect any previous consent provided by the Participant to the Company or its Affiliates. The Participant has the right to withdraw its consent at any time by contacting the Company's data protection officer at dataprivacyofficer@accenture.com.

(e) In particular, the Participant expressly consents to the transfer of personal data about the Participant as described in paragraph (a) above by the Company and its Affiliates. Data may be transferred not only within the country in which the Participant is based from time to time or within the EU or the European Economic Area ("EEA"), but also worldwide, to other employees and officers of the Company and its Affiliates and to the following third parties for the purposes described in paragraph (a) above:

(i) Plan administrators, auditors, brokers, agents and contractors of, and third party service providers to, the Company or its Affiliates such as printers and mail houses engaged to print or distribute notices or communications about the Plan;

(ii) regulators, tax authorities, stock or security exchanges and other supervisory, regulatory, governmental or public bodies as required by law or otherwise deemed necessary by the Company or its Affiliates;

(iii) actual or proposed merger partners or proposed assignees of, or those taking or proposing to take security over, the business or assets of the Company or its Affiliates and their agents and contractors;

(iv) other third parties to whom the Company or its Affiliates may need to communicate/transfer the data in connection with the administration of the Plan, under a duty of confidentiality to the Company and its Affiliates; and

(v) the Participant's family members, physicians, heirs, legatees and others associated with the Participant in connection with the Plan.

Not all countries, where the personal data may be transferred to, have an equal level of data protection as in the EU or the European Economic Area. Countries to which data are transferred include the USA and Ireland and other locations where the Company and its Affiliates, as applicable, administer the Plan. The Company has internal policies to ensure an equivalent level of protection is in place across the Company's worldwide organization. Any transfers of the Participant's personal Data to other offices of the

Company will be governed by the Company's binding corporate rules (a copy of which can be found at https://www.accenture.com/t00010101T000000Z__w__/gb-en/_acnmedia/PDF-52/Accenture-Public-Facing-BCR-June-2017.pdf). Any international transfers of the Participant's personal Data to third parties (including those outside the EEA), will be based on an adequacy decision or are governed by the standard contractual clauses (a copy of which can be obtained from dataprivacy@accenture.com).

All national and international transfer of personal data is only done in order to fulfill the obligations and rights of the Company and/or its Affiliates under the Plan.

The Participant has the right to be informed whether the Company or its Affiliates hold personal data about the Participant and, to the extent they do so, to have access to those personal data at no charge and require them to be corrected if they are inaccurate and to request the erasure, request the restriction of processing or object to the processing and withdraw his or her consent. The Participant also has the right to request a copy or the portability of its personal Data which it provided to the Company. The Participant is entitled to all the other rights provided for by applicable data protection law, including those detailed in any applicable documentation or guidelines provided to the Participant by the Company or its Affiliates in the past. More detailed information is available to the Participant by contacting the appropriate local data protection officer in the country in which the Participant is based from time to time. If the Participant has a complaint regarding the manner in which personal information relating to the Participant is dealt with, the Participant should contact the appropriate local data protection officer referred to above. The Participant also has the right to lodge a complaint with the competent data protection authority.

(f) The Participant understands that the Participant may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data, or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Participant's local data contact referred to above. The Participant understands, however, that refusing or withdrawing the Participant's consent may affect the Participant's ability to participate in the Plan (and may result in the forfeiture of unvested RSUs). For more information on the consequences of the Participant's refusal to consent or withdrawal of consent, the Participant understands that the Participant may contact the data protection officer referred to above.

(g) Finally, upon request of the Company, the Participant agrees to provide an executed data privacy consent form (or any other agreements or consents that may be required by the Company) that the Company may deem necessary to obtain from the Participant for the purposes of administering the Participant's participation in the Plan in compliance with the data privacy laws in the Participant's country, either now or in the future. The Participant understands and agrees that the Participant will not be able to participate in the Plan if the Participant fails to provide any such consent or agreement requested by the Company.

EXHIBIT 1-A

Determination of RSU Vesting pursuant to Section 1(c) of the Agreement

1. Determine Percentile Rank (PR) for each of the Comparison Companies in accordance with the following formula:

PR = (PB/N)(100)

Where:

PB = ordinal position from the lowest TSR among the Comparison Companies. The Comparison Company with the lowest TSR is the first position from the bottom.

N = number of Comparison Companies in the computation.

2. After determining and ordering the PR for each Comparison Company, if the TSR of the Company is equal to the TSR of any other Comparison Company (rounded to the nearest 0.01), then the Company's PR shall equal the PR of such Comparison Company. If the Company's TSR is not equal to the TSR of any other Comparison Company, then the Company's PR shall be determined by interpolation, using the TSRs and PRs of the Comparison Companies having the next highest and next lowest TSRs in comparison to the Company's TSR. If there is no Comparison Company with a TSR that is higher than the Company's TSR, then the Company's PR shall be 100. If there is no Comparison Company with a TSR that is lower than the Company's TSR, then the Company's PR shall be equal to the PR of the lowest ranked Comparison Company.

3. Upon determining the PR of the Company, the percentage of maximum RSUs granted under the Agreement that vest shall be determined as follows:

Performance level	Company PR (measured as a percentile)	Percentage of maximum RSUs granted under the Agreement that vest
Maximum	The Company is ranked at or above the 75th percentile.	25%
Target	The Company is ranked at the 60th percentile.	16.67%
Threshold	The Company is ranked at the 40th percentile.	8.33%
	The Company is ranked below the 40th percentile.	0%

If the Company's Percentile Rank is at the 40th percentile or above, but below the 75th percentile, the percentage of RSUs that vest will be determined by linear interpolation between the applicable Percentile Ranks shown above, taking into account that where the Company is ranked at the 60th percentile, 16.67% of the RSUs granted under the Agreement will vest.

EXHIBIT 1-B

Determination of RSU Vesting pursuant to Section 1(d) of the Agreement

1. Determine the Company actual percentage of Target Cumulative Operating Income ("AP") by dividing the Company's Actual Cumulative Operating Income by the Target Cumulative Operating Income and expressing the result as a percentage (the resulting percentage being referred to as the "Performance Rate" or "PR").

2. Upon determining the Company's Performance Rate, the percentage of maximum RSUs granted under the Agreement that vest shall be determined as follows:

Performance level	Company's Performance Rate	Percentage of RSUs granted under the Agreement that vest
Maximum	110% or greater	75%
Target	100%	50%
Threshold	80%	25%
	Less than 80%	0%

If the Company's Performance Rate is 80% or above, but below 110%, then the percentage of RSUs that vest will be determined by linear interpolation between the applicable Performance Rates shown above, taking into account that where the Performance Rate is 100%, 50% of the RSUs granted under the Agreement will vest.

NOW, THEREFORE, for such good and valuable consideration, the Participant hereby covenants and agrees to the following terms and conditions, including, but not limited to, the provisions set forth in Sections 6(b) and 6(c), all of which the Participant acknowledges and

1. Grant of RSUs.

(a) The Company hereby grants the number of RSUs set forth in the Essential Grant Terms (as defined below) to the Participant set forth in the Essential Grant Terms, on the terms and conditions hereinafter set forth. This grant is made pursuant to the terms of the Amended and Restated Accenture plc 2010 Share Incentive Plan (the "Plan"), which Plan, as amended from time to time, is incorporated herein by reference and made a part of this Agreement (as defined below). Each RSU represents the unfunded, unsecured right of the Participant to receive and retain a Share on the date(s) specified herein, subject to the conditions specified herein. Capitalized terms not otherwise defined herein shall have the same meanings ascribed to them in the Plan.

(b) This grant of RSUs is subject to the Accenture Leadership Performance Equity Award Restricted Share Unit Agreement Essential Grant Terms (the "Essential Grant Terms") displayed electronically on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com) and the Standard Form of Accenture Leadership Performance Equity Award Restricted Share Unit Agreement Terms and Conditions which together constitute the Accenture Leadership Performance Equity Award Restricted Share Unit Agreement (the "Agreement").

2. Vesting Schedule.

(a) Subject to the Participant's continued employment with any of the Constituent Companies, the RSUs shall vest pursuant to the vesting schedule set forth in the Essential Grant Terms (as modified by this Agreement) until such RSUs are one hundred percent (100%) vested. Upon the Participant's termination of employment for any reason, any unvested RSUs shall immediately terminate, and no further Shares shall be issued or transferred under Section 3 of this Agreement in respect of such unvested RSUs; provided, however, that if (i) the Participant's employment with the Constituent Companies terminates due to the Participant's death or Disability, the RSUs granted hereunder shall vest with respect to one hundred percent (100%) of the RSUs held by the Participant on the date of such termination of employment, or (ii) the Participant's employment with the Constituent Companies terminates due to (A) an Involuntary Termination or (B) a Qualifying SMD Departure, a number of RSUs granted hereunder shall vest on the date of such termination equal to the total number of RSUs that would have otherwise vested within the twelve (12) month period immediately following such termination.

(b) For purposes of this Agreement:

(i) "Cause" shall have the meaning set forth in Section 3(c) below.

(ii) "Disability" shall have the meaning set forth in Section 3(b) below or, if applicable, Section 21(a) below.

(iii) "Involuntary Termination" shall mean termination of employment by or with the agreement of the employing Constituent Company (other than for Cause or Disability) which is not voluntary and which is recorded as "involuntary" by the Company. A Qualifying SMD Departure, resignation or other voluntary termination of employment by the Participant , is not an Involuntary Termination.

(iv) "Qualifying SMD Departure" shall mean a voluntary termination of employment by the Participant with the agreement of the Company (other than by reason of death, Cause or Disability) that satisfies the Company's applicable requirements when the Participant is a Senior Managing Director ("SMD") located in a jurisdiction designated by the Company's Chief Leadership & Human Resources Officer and has at least fifteen (15) years of continuous service with the Constituent Companies immediately preceding the effective date of the termination, of which at least three (3) years were as an SMD.

3. Form and Timing of Issuance or Transfer.

(a) In General.

(i) The Company shall issue or cause there to be transferred to the Participant that number of Shares as set forth in the Essential Grant Terms, until all of the Shares underlying the vested RSUs have been issued or transferred; provided that on each such delivery date, a number of RSUs equal to the number of Shares issued or transferred to the Participant shall be extinguished; provided further, that upon the issuance or transfer of Shares to the Participant, in lieu of a fractional Share, the Participant shall receive a cash payment equal to the Fair Market Value of such fractional Share. At the discretion of the Company, the Company may issue or transfer Shares underlying vested RSUs to the Participant earlier than the dates set forth in the Essential Grant Terms to the extent required to satisfy tax liabilities arising in connection with this RSU grant. Notwithstanding the foregoing, if the conditions set forth in Section 21 of this Agreement are satisfied, Section 21 shall supersede the foregoing.

(ii) Notwithstanding Section 3(a)(i), if the Participant is resident or employed outside the United States, the Company, in its sole discretion, may provide for the settlement of the RSUs in the form of:

(A) a cash payment (in an amount equal to the Fair Market Value of the Shares that corresponds with the number of vested RSUs) to the extent that settlement in Shares (i) is prohibited under local law, (ii) would require the Participant, the Company or Constituent Company to obtain the approval of any governmental or regulatory body in the Participant's country of residence (or country of employment, if different), (iii) would result in adverse tax

consequences for the Participant, the Company or Constituent Company or (iv) is administratively burdensome; or

(B) Shares, but require the Participant to sell such Shares immediately or within a specified period following the Participant's termination of employment (in which case, the Participant hereby agrees that the Company shall have the authority to issue sale instructions in relation to such Shares on the Participant's behalf).

(b) Death or Disability. Notwithstanding Section 3(a) of this Agreement, if (i) the Participant's employment with the Constituent Companies terminates due to the Participant's death or Disability, the Company shall issue or cause to be transferred to the Participant or to his or her estate, as the case may be, a number of Shares equal to the aggregate number of RSUs granted to the Participant hereunder (rounded down to the next whole Share) as soon as practicable following such termination of employment, at which time a number of RSUs equal to the number of Shares issued or transferred to the Participant or to his or her estate shall be extinguished or (ii) the Participant dies following a Qualifying SMD Departure or an involuntary not for Cause termination of employment with the Constituent Companies, the Company shall issue or cause to be transferred to the Participant's estate all previously vested but unreleased Shares, if any (rounded down to the next whole Share) as soon as practicable following receipt of satisfactory evidence of such Participant's death; provided, however, that upon the issuance or transfer of Shares to the Participant or to his or her estate, in lieu of a fractional Share, the Participant or his or her estate, as the case may be, shall receive a cash payment equal to the Fair Market Value of such fractional Share.

For purposes of this Agreement, unless Section 21 applies, "Disability" shall mean "disability" as defined (i) in any employment agreement then in effect between the Participant and the Company or any Affiliate or (ii) if not defined therein, or if there shall be no such agreement, as defined in the long-term disability plan maintained by the Participant's employer as in effect from time to time, or (iii) if there shall be no plan, the inability of the Participant to perform in all material respects his or her duties and responsibilities to the Constituent Companies for a period of six (6) consecutive months or for an aggregate period of nine (9) months in any twenty-four (24) consecutive month period by reason of a physical or mental incapacity.

(c) Notwithstanding Sections 3(a) and 3(b) of this Agreement, upon the Participant's termination of employment with the Constituent Companies for Cause or to the extent that the Participant otherwise takes such action that would constitute Cause, to the extent legally permissible, any outstanding RSUs shall immediately terminate. For purposes of this Agreement, "Cause" shall mean "cause" as defined in any employment or consultancy agreement (or similar agreement) or in any letter of appointment then in effect between the Participant and the Company or any Affiliate or if not defined therein (it being the intent that the definition of "Cause" shall include, at a minimum, the acts set forth below), or if there shall be no such agreement, to the extent legally permissible, (a) the Participant's embezzlement, misappropriation of corporate funds, or other material acts of dishonesty, (b) the Participant's

commission or conviction of any felony, or of any misdemeanor involving moral turpitude, or entry of a plea of guilty or nolo contendere to any felony or misdemeanor, (c) engagement in any activity that the Participant knows or should know could harm the business or reputation of the Company or an Affiliate, (d) the Participant's material failure to adhere to the Company's or an Affiliate's corporate codes, policies or procedures as in effect from time to time, (e) the Participant's continued and material failure to meet minimum performance standards as determined by the Company or an Affiliate, (f) the Participant's violation of any statutory, contractual, or common law duty or obligation to the Company or an Affiliate, including, without limitation, the duty of loyalty, or (g) the Participant's material breach of any confidentiality or non-competition covenant entered into between the Participant and the Company or an Affiliate, including, without limitation, the covenants contained in this Agreement. The determination of the existence of Cause shall be made by the Company in good faith, which determination shall be conclusive for purposes of this Agreement.

4. Dividends. If on any date while RSUs are outstanding hereunder the Company shall pay any dividend on the Shares (other than a dividend payable in Shares), the number of RSUs granted to the Participant shall, as of such dividend payment date, be increased by a number of RSUs equal to: (a) the product of (x) the number of RSUs held by the Participant as of the related dividend record date, multiplied by (y) the per Share amount of any cash dividend (or, in the case of any dividend payable in whole or in part other than in cash, the per Share value of such dividend, as determined in good faith by the Committee), divided by (b) the Fair Market Value of a Share on the payment date of such dividend. In the case of any dividend declared on Shares that is payable in the form of Shares, the number of RSUs granted to the Participant shall be increased by a number equal to the product of (a) the aggregate number of RSUs held by the Participant through the related dividend record date, multiplied by (b) the number of Shares (including any fraction thereof) payable as a dividend on a Share. For the avoidance of doubt, any additional RSUs granted pursuant to this Section 4 shall be subject to the terms and conditions contained in this Agreement.

5. Adjustments Upon Certain Events. In the event of any change in the outstanding Shares by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, amalgamation, spin-off or combination transaction or exchange of Shares or other similar events (collectively, an "Adjustment Event"), the Committee may, in its sole discretion, adjust any Shares or RSUs subject to this Agreement to reflect such Adjustment Event.

6. Cancellation and Rescission of RSUs and Shares Underlying RSUs.

(a) Upon any transfer or issuance of Shares or cash underlying RSUs, the Participant shall certify in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of this Agreement and the Plan.

(b) In the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant for Cause, (ii) the Participant's employment with any of the Constituent Companies is terminated for Cause, or (iii) the Participant engages in any of the activities defined in subsection (c) below, the Company may require the Participant, to the

extent legally permitted, to transfer to the Company up to a number of Shares equal to the number of Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above) and without regard to whether the Participant continues to own or control such previously delivered Shares, and the Participant shall bear all costs of transfer, including any transfer taxes that may be payable in connection with such transfer. Upon a showing satisfactory to the Company by Participant that the value of the Shares subject to transfer as described above exceeds the value of the actual benefit received by the Participant (as measured by the gross proceeds the Participant received upon the sale of Shares issued or transferred under this Agreement), then, with respect to such sold Shares, the transfer of Shares required under this Section 6(b) shall be limited to a number of Shares equivalent in value to such actual benefit received by the Participant. Upon receiving a demand from the Company to transfer Shares to the Company pursuant to this subsection, the Participant shall effect the transfer of Shares to the Company by no later than ten (10) business days from the date of the Company's demand. For the avoidance of doubt, if the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority) and engages in any of the activity set forth in subsection (c)(i), the Company may require the Participant, to the extent legally permitted, to transfer to the Company up to a number of Shares equal to the number of Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above), as well as a number of Shares that have been issued or transferred under any prior agreement between the Company and the Participant, without regard to whether the Participant continues to own or control such previously delivered Shares and without regard to the actual benefit received by the Participant with respect to any Shares sold by the Participant, and the Participant shall bear all costs of transfer, including any transfer taxes that may be payable in connection with such transfer. Similarly, in the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant for Cause or (ii) the Participant engages in any of the activities defined in subsection (c) below, in either case at any time prior to the date that any Shares underlying RSUs granted under this Agreement have been issued or transferred, the RSUs granted hereunder (both vested and unvested) shall be forfeited immediately.

(c) In the event Participant engages in any of the activities defined in this subsection, Participant agrees to transfer Shares to the Company in accordance with any demand received from the Company for the transfer of Shares under subsection 6(b) above and/or that his or her award of RSUs will be forfeited in its entirety, as applicable:

(i) if the Participant's employment with any of the Constituent Companies terminates while the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority), the Participant shall not, for a period of twelve months following the termination of the Participant's employment with any of the Constituent Companies associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor or otherwise) with any Competitive Enterprise (or any of the affiliates, related entities, successors, or assigns of any Competitive Enterprise) that: (1) is identified on the list of competitors maintained by the Company on the myHoldings website (which list

may be updated by the Company from time to time) as a Global Accenture Competitor or as being a competitor of any Restricted Business, and/or (2) is otherwise a competitor of any Restricted Business; provided, however, that with respect to the equity of any Competitive Enterprise which is or becomes publicly traded, the Participant's ownership as a passive investor of less than one percent (1%) of the outstanding publicly traded stock of a Competitive Enterprise shall not be deemed a violation of this subsection 6(c)(i);

(ii) the Participant shall not, for a period of twelve months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly (A) solicit, or assist any other individual, person, firm or other entity in soliciting, any Restricted Client or Restricted Prospective Client for the purpose of performing or providing any Relevant Services; (B) perform or provide, or assist any other individual, person, firm or other entity in performing or providing, Relevant Services for any Restricted Client or Restricted Prospective Client; or (C) interfere with or damage (or attempt to interfere with or damage) any relationship and/or agreement between the Company or any Affiliates and a Restricted Client or Restricted Prospective Client;

(iii) the Participant shall not, for a period of twelve months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly, solicit, employ or retain, or assist any other individual, person, firm or other entity in soliciting, employing or retaining, any employee or other agent of the Company or an Affiliate, (A) with whom the Participant has had material dealings; (B) from whom, or as a result of contact with whom, the Participant has obtained Confidential Information or Trade Secrets; or (C) whom the Participant has supervised on a client or prospective client engagement, in the twenty-four months preceding the termination of the Participant's employment with the Constituent Companies; or

(iv) the Participant shall not, unless the Participant has received the prior written consent of the Company or its Affiliates or is otherwise required by law, either directly or indirectly, use, sell, lend, lease, distribute, license, give, transfer, assign, show, disseminate, divulge, disclose, reveal, share, provide access to, reproduce, copy, distribute, publish, appropriate, or otherwise communicate any Confidential Information or Trade Secrets at any time following the termination of the Participant's employment with the relevant Constituent Company. If the Participant is requested or required pursuant to any legal, governmental or investigatory proceeding or process or otherwise, to disclose any Confidential Information or Trade Secrets, the Participant shall promptly notify the Company in writing so that the Company may seek a protective order or other appropriate remedy, or, if it chooses, waive compliance with the applicable provision of this Agreement. The Participant's obligation of non-disclosure as set forth herein shall continue for so long as such item continues to constitute Confidential Information. Notwithstanding the foregoing, if the Participant makes a confidential disclosure of a Trade Secret or other Confidential

Information to a government official or an attorney for the sole purpose of reporting or investigating a suspected violation of law, or in a court filing under seal, the Participant shall not be held liable under this Agreement or under any federal or state trade secret law for such a disclosure. Additionally, if the Participant files a lawsuit in the United States for retaliation by the Company for reporting a suspected violation of the law, the Participant may disclose Trade Secret information to the Participant's attorney, and can use the Trade Secret information in sealed filings in the court proceeding, or pursuant to a court order, as long as the Participant does not otherwise disclose the Trade Secret.

(d) In the event that (i) the Participant's employment with any of the Constituent Companies is terminated for Cause, or (ii) the Participant engages in any of the activities defined in subsection (c) above, the Company's remedy shall be limited to the recovery of Shares as set forth in subsection (b) above; provided, however, that nothing in this Agreement is intended to or should be interpreted as diminishing any rights and remedies that Affiliates may have, at law or equity, related to investments by the Constituent Companies in Confidential Information, Trade Secrets, clients and prospective client relationships, and the training, skills, capabilities, knowledge and experience of employees, including, but not limited to, any rights and remedies set forth in the Participant's employment agreement, confidentiality agreement, intellectual property agreement, restrictive covenant agreement, or any other agreement entered into between the Participant and an Affiliate of the Company.

(e) This Section 6 shall be interpreted and applied in a consistent manner to any cash paid to the Participant in accordance with Section 3(a)(ii). For the sake of clarity, cash paid to the Participant to settle vested RSUs in accordance with Section 3(a)(ii) shall be subject to forfeiture/recoupment/repayment under this Section 6 on the same basis as if such RSUs were settled with Shares.

(f) For purposes of this Agreement:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Board at any time;

(b) the grant of the RSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs (whether on the same or different terms), or benefits in lieu of RSUs, even if RSUs have been granted in the past;

(c) all decisions with respect to future grants of RSUs or other grants, if any, will be at the sole discretion of the Committee, including, but not limited to, the form and timing of the grant, the number of Shares subject to the grant, and the vesting provisions applicable to the grant;

(d) the RSU grant and the Participant's participation in the Plan shall not create a right to employment or be interpreted as forming an employment or services contract with the Company or any Constituent Company and shall not interfere with the ability of the Company, or Constituent Company, as applicable, to terminate Participant's employment or service relationship;

(e) the Participant is voluntarily participating in the Plan;

(f) Shares (or cash) will be issued to the Participant only if the vesting conditions are met and any necessary services are rendered by the Participant over the vesting period;

(g) the RSUs and the Shares (or cash) subject to the RSUs are not intended to replace any pension rights or compensation;

(h) the RSUs and the Shares subject to the RSUs, and the income and value thereof, are an extraordinary item of compensation outside the scope of the Participant's employment (and employment contract, if any) and is not part of normal or expected compensation for any purpose, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(i) the future value of the Shares underlying the RSUs is unknown, indeterminable and cannot be predicted with certainty;

(j) no claim or entitlement to compensation or damages shall arise from forfeiture of RSUs resulting from the Participant ceasing to be employed or otherwise providing services to the Company or Constituent Company;

(k) unless otherwise provided herein, in the Plan or by the Company in its discretion, the RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares of the Company; and

(l) if the Participant resides or is employed outside the United States, the Participant acknowledges and agrees that neither the Company nor any Constituent Company shall be liable for any exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the RSUs or of any amounts due to Participant pursuant to the settlement of the RSUs or the subsequent sale of any Shares acquired upon settlement.

10. No Rights of a Shareholder. The Participant shall not have any rights as a shareholder of the Company until the Shares in question have been registered in the Company's register of shareholders.

11. Legend on Certificates. Any Shares issued or transferred to the Participant pursuant to Section 3 of this Agreement shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the U.S. Securities and Exchange Commission, any stock exchange upon which such Shares are listed, any applicable U.S. Federal or state laws or relevant securities laws of the jurisdiction of the domicile of the Participant or to ensure compliance with any additional transfer restrictions that may be in effect from time to time, and the Committee may cause a legend or legends to be put on any certificates representing such Shares to make appropriate reference to such restrictions.

12. Transferability Restrictions – RSUs/Underlying Shares. RSUs may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance not permitted by this Section 12 shall be void and unenforceable against any Constituent Company. Any Shares issued or transferred to the Participant shall be subject to compliance by the Participant with such policies as the Committee or the Company may deem advisable from time to time, including, without limitation, any policies relating to certain minimum share ownership requirements. Such policies shall be binding upon the permitted respective legatees, legal representatives, successors and assigns of the Participant. The Company shall give notice of any such additional or modified terms and restrictions applicable to Shares delivered or deliverable under this Agreement to the holder of the RSUs and/or the Shares so delivered, as appropriate, pursuant to the provisions of Section 13 or, if a valid address does not appear to exist in the personnel records, to the last address known by the Company of such holder. Notice of any such changes may be provided electronically, including, without limitation, by publication of such changes to a central website to which any holder of the RSUs or Shares issued therefrom has access.

13. Notices. Any notice to be given under this Agreement shall be addressed to the Company in care of its General Counsel at:

Accenture
161 N. Clark Street
Chicago, IL 60601
USA
Telecopy: +1 (312) 652-5619
Attn: General Counsel

(or, if different, the then current principal business address of the duly appointed General Counsel of the Company) and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party at such other address as either party hereto may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

14. Tax Withholding.

(a) Regardless of any action the Company or Constituent Company takes with respect to any or all income tax (including U.S. federal, state and local taxes or non-U.S. taxes), social insurance, payroll tax, fringe benefit, payment on account or other tax-related withholding ("Tax-Related Items"), the Participant acknowledges that the ultimate liability for all Tax-Related Items legally due by the Participant is and remains the Participant's responsibility and that the Company and Constituent Company (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSUs, including the grant of the RSUs, the vesting of the RSUs, the delivery or sale of any Shares or cash acquired pursuant to the RSUs and the issuance of any dividends, and (ii) do not commit to structure the terms of the grant or any aspect of the RSUs to reduce or eliminate the Participant's liability for Tax-Related Items.

(b) To the extent that the grant or vesting of the RSUs, the delivery of Shares or cash pursuant to the RSUs or issuance of dividends results in a withholding obligation for Tax-Related Items, unless otherwise specifically approved and directed by the Committee, the Participant authorizes the Company, Constituent Company or agent of the Company or Constituent Company to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company or the Constituent Company; (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent); or (iii) withholding from the Shares to be delivered upon settlement of the RSUs that number of Shares having a Fair Market Value equal to the amount required by law to be withheld. If the Participant is subject to taxation in more than one jurisdiction, the Participant acknowledges that the Company may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(c) Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates (as determined by the Company in good faith and in its sole discretion) or other applicable withholding rates, including maximum applicable rates, in which case Participant will receive a

refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. The Company shall repay any excess amounts due to the Participant within, where administratively feasible, thirty (30) days of withholding. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the vested RSUs, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

(d) The Participant agrees to pay to the Company or Constituent Company, any amount of Tax-Related Items that the Company or Constituent Company may be required to withhold or account for as a result of Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares, cash or the proceeds of the sale of Shares, if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

(e) The Participant hereby acknowledges that he or she will not be entitled to any interest or appreciation on Shares sold to satisfy the tax withholding requirements (including with respect to any amounts withheld in excess of the Participant's tax liability).

15. Choice of Law and Dispute Resolution.

(a) THE INTERPRETATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

(b) Subject to subsections (c) through (f), any and all disputes which cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance and/or termination of this Agreement and any amendment thereto (including without limitation the validity, scope and enforceability of this arbitration provision) (each a "Dispute") shall be finally settled by arbitration conducted by a single arbitrator in New York in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce ("ICC"), except that the parties may select an arbitrator who is a national of the same country as one of the parties. If the parties to the dispute fail to agree on the selection of an arbitrator within thirty (30) days of the receipt of the request for arbitration, the ICC shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. In the event of any arbitration between the parties, the Company shall consent to a request by the Participant to hold arbitral proceedings, including any evidentiary hearings, in the country in which the Participant principally conducts his/her business for the convenience of the parties and witnesses, it being understood, however, that the legal situs of the arbitration shall remain in New York. Each side will bear its own costs and attorneys' fees.

(c) Either party may bring an action or proceeding in any court having jurisdiction thereof for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and/or in support of the arbitration as permitted by any applicable arbitration law and, for the

purposes of this subsection (c), each party expressly consents to the application of subsections (e) and (f) to any such suit, action or proceeding.

(d) Judgment on any award(s) rendered by the tribunal may be entered in any court having jurisdiction thereof.

(e) (i) Each party hereby irrevocably submits to the non-exclusive jurisdiction of the Courts located in New York, United States for the purpose of any suit, action or proceeding brought in accordance with the provisions of subsection (c). The parties acknowledge that the forum designated by this subsection (e) has a reasonable relation to this Agreement, and to the parties' relationship with one another.

(ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to any right to assert personal jurisdiction in any other forum or to the laying of venue of any suit, action or proceeding brought in any court referred to in subsection (e)(i) pursuant to subsection (c) and such parties agree not to plead or claim the same, or to seek anti-suit relief or any other remedy to deny the arbitral jurisdiction referred to in subsection (b).

(f) The parties agree that if a suit, action or proceeding is brought under subsection (c), proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and they irrevocably appoint the General Counsel of the Company, c/o Accenture, 161 N. Clark Street, Chicago, IL 60601 USA (or, if different, the then-current principal business address of the duly appointed General Counsel of the Company) as such party's agent for service of process in connection with any such action or proceeding and agree that service of process upon such agent, who shall promptly advise such party of any such service of process, shall be deemed in every respect effective service of process upon the party in any such action or proceeding.

16. Severability. This Agreement shall be enforceable to the fullest extent allowed by law. In the event that a court or appointed arbitrator holds any provision of this Agreement to be invalid or unenforceable, then, if allowed by law, that provision shall be reduced, modified or otherwise conformed to the relevant law, judgment or determination to the degree necessary to render it valid and enforceable without affecting the rest of this Agreement. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be deemed severable from the remainder of this Agreement, and the remaining provisions contained in this Agreement shall be construed to preserve to the maximum permissible extent the intent and purposes of this Agreement. Any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

17. RSUs Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. All RSUs are subject to the Plan. In the event of a conflict between any term or provision contained herein

and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail.

18. Amendments. The rights and obligations under this Agreement and their enforceability are subject to local tax and foreign exchange laws and regulations and, in this sense, the terms and conditions contained herein may be amended at the sole discretion of the Company and/or the Committee in order to comply with any such laws and regulations.

19. Signature in Counterparts. To the extent that this Agreement is manually signed, instead of electronically accepted by the Participant (if permitted by the Company), it may be signed in counterparts, each of which shall be deemed an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

20. Administration; Consent. In order to manage compliance with the terms of this Agreement, Shares delivered pursuant to this Agreement may, at the sole discretion of the Company, be registered in the name of the nominee for the holder of the Shares and/or held in the custody of a custodian until otherwise determined by the Company. To that end, by acceptance of this Agreement, the holder hereby appoints the Company, with full power of substitution and resubstitution, his or her true and lawful attorney-in-fact to assign, endorse and register for transfer into such nominee's name or deliver to such custodian any such Shares, granting to such attorneys, and each of them, full power and authority to do and perform each and every act and thing whatsoever that such attorney or attorneys may deem necessary, advisable or appropriate to carry out fully the intent of this Section 20 as such person might or could do personally. It is understood and agreed by each holder of the Shares delivered under this Agreement that this appointment, empowerment and authorization may be exercised by the aforementioned persons with respect to all Shares delivered pursuant to this Agreement of such holder, and held of record by another person or entity, for the period beginning on the date hereof and ending on the later of the date this Agreement is terminated and the date that is ten years following the last date Shares are delivered pursuant to this Agreement. The form of the custody agreement and the identity of the custodian and/or nominee shall be as determined from time to time by the Company in its sole discretion. A holder of Shares delivered pursuant to this Agreement acknowledges and agrees that the Company may refuse to register the transfer of and enter stop transfer orders against the transfer of such Shares except for transfers deemed by it in its sole discretion to be in compliance with the terms of this Agreement. The Company reserves the right to impose other requirements on the RSUs, any Shares acquired pursuant to the RSUs and the Participant's participation in the Plan to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the RSUs and the Plan. Such requirements may include (but are not limited to) requiring the Participant to sign any agreements, undertakings or additional documents that may be necessary to accomplish the foregoing. The Participant agrees to take such other actions as may be deemed reasonably necessary or desirable by the Company to effect the provisions of this Agreement, as in effect from time to time. Each holder of Shares delivered pursuant to this Agreement or any prior agreement between the Company and the Participant acknowledges and agrees that the Company may impose a legend on any document relating to Shares issued or issuable pursuant to this

Agreement conspicuously referencing the restrictions applicable to such Shares, and may instruct the administrator of any brokerage account into which Shares have been initially deposited to freeze or otherwise prevent the disposition of such Shares.

21. Section 409A - Disability, Deferral Elections, Payments to Specified Employees, and Interpretation of Grant Terms. If the Participant is subject to income taxation on the income resulting from this Agreement under the laws of the United States, and the foregoing provisions of this Agreement would result in adverse tax consequences to the Participant, as determined by the Company, under Section 409A of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), then the following provisions shall apply and supersede the foregoing provisions:

(a) "Disability" shall mean a disability within the meaning of Section 409A(a)(2)(C) of the Code.

(b) Deferral elections made by U.S. taxpayers are subject to Section 409A of the Code. The Company will use commercially reasonable efforts to not permit RSUs to be deferred, accelerated, released, extended, paid out or modified in a manner that would result in the imposition of an additional tax under Section 409A of the Code. In the event that it is reasonably determined by the Company that, as a result of Section 409A of the Code, payments or delivery of the Shares underlying the RSU award granted pursuant to this Agreement may not be made at the time contemplated by the terms of the RSU award or the Participant's deferral election, as the case may be, without causing the Participant to be subject to taxation under Section 409A of the Code, the Company will make such payment or share delivery as soon as practicable on or following the first day that would not result in the Participant's incurring any tax liability under Section 409A of the Code, and in any event, no later than the last day of the calendar year in which such first date occurs.

(c) If the Participant is a "specified employee" (within the meaning of Section 409A(a)(2)(B)(i) of the Code), payments and deliveries of shares in respect of any RSUs subject to Section 409A of the Code that are linked to the date of the Participant's separation from service shall not be made prior to the date which is six (6) months after the date of the Participant's separation from service from the Company or any of its Affiliates, determined in accordance with Section 409A of the Code and the regulations promulgated thereunder.

(d) The Company shall use commercially reasonable efforts to avoid subjecting the Participant to any additional taxation under Section 409A of the Code as described herein; provided that neither the Company nor any of its employees, agents, directors or representatives shall have any liability to the Participant with respect to Section 409A of the Code.

22. Electronic Delivery. The Company may, in its sole discretion, deliver by electronic means any documents related to the RSUs or the Participant's future participation in the Plan. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

23. English Language. If the Participant is resident in a country where English is not an official language, the Participant acknowledges and agrees that it is the Participant's express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the grant of RSUs, be drawn up in English. If the Participant has received this Agreement, the Plan or any other documents related to the RSUs translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version will control.

24. Repatriation; Compliance with Law. If the Participant is resident or employed outside the United States, the Participant agrees to repatriate all payments attributable to the Shares and/or cash acquired under the Plan in accordance with applicable foreign exchange rules and regulations in the Participant's country of residence (and country of employment, if different). In addition, the Participant agrees to take any and all actions, and consents to any and all actions taken by the Company and Constituent Companies, as may be required to allow the Company and Constituent Companies to comply with local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different). Further, the Participant agrees to take any and all actions as may be required to comply with the Participant's personal obligations under local laws, rules and/or regulations in the Participant's country of residence and country of employment, if different).

25. Insider Trading / Market Abuse Laws. By participating in the Plan, the Participant agrees to comply with the Company's policy on insider trading. The Participant further acknowledges that the Participant may be subject to local insider trading and/or market abuse laws and regulations that are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Participant acknowledges that it is the Participant's personal responsibility to comply with any applicable restrictions, and that the Participant should consult the Participant's personal advisor on this matter.

26. Appendix B. Notwithstanding any provision of this Agreement to the contrary, the RSUs shall be subject to any special terms and conditions for the Participant's jurisdiction of residence (and jurisdiction of employment, if different) as set forth in Appendix B to the Agreement, if applicable, which shall constitute part of this Agreement.

27. Recoupment. The RSUs granted under this Agreement, and any Shares issued or other payments made in respect thereof, shall be subject to any recoupment policy that the Company may adopt from time to time, to the extent any such policy is applicable to the Participant. By accepting the grant of RSUs under this Agreement the Participant agrees and consents to the Company's application, implementation and enforcement of (a) the recoupment policy and (b) any provision of applicable law relating to cancellation, recoupment, rescission or payback of compensation and expressly agrees that the Company may take such actions as are necessary to effectuate the recoupment policy (as applicable to the Participant) or applicable law without further consent or action being required by the Participant. For purposes of the foregoing, the Participant expressly and explicitly authorizes the Company to issue instructions, on the Participant's behalf, to any brokerage firm and/or third party administrator engaged by the Company to hold the Participant's Shares and other amounts acquired under the Plan to re-

convey, transfer or otherwise return such Shares and/or other amounts to the Company. To the extent that the terms of this Agreement and the recoupment policy conflict, the terms of the recoupment policy shall prevail.

28. Entire Agreement. This Agreement, including the Plan, as provided therein, contains the entire agreement between the parties with respect to the subject matter therein and supersedes all prior oral and written agreements between the parties pertaining to such matters. Participant acknowledges and agrees that this Agreement, including the Plan, and all prior RSU or other equity grant agreements between the Company and its assignor Accenture Ltd, on the one hand, and Participant, on the other, are separate from, and shall not be modified or superseded in any way by any other agreements, including employment agreements, entered into between Participant and the Company's Affiliates.

29. Waiver. No waiver of any breach or condition of this Agreement shall be deemed to be a waiver of any other or subsequent breach or condition, whether of like or different nature.

30. Electronic Signature. Participant acknowledges and agrees that by clicking the "Accept Grant Online" button on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com), it will act as the Participant's electronic signature to this Agreement and will constitute Participant's acceptance of and agreement with all of the terms and conditions of the RSUs, as set forth in this Agreement, the Essential Grant Terms and the Plan.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective as of the Date of Grant set forth on the attached Essential Grant Terms.

Any such processing shall be in accordance with the purposes and provisions of this data protection provision. References in this provision to the Company and its Affiliates include the Participant's employer.

This includes the following categories of data ("Data"):

(i) Data already held in the Participant's records such as the Participant's name and address, ID number, payroll number, length of service and whether the Participant works full-time or part time;

(ii) Data collected upon the Participant accepting the rights granted under the Plan (if applicable);

(iii) Data subsequently collected by the Company or any of its Affiliates in relation to the Participant's continued participation in the Plan, for example, data about shares offered or received, purchased or sold under the Plan from time to time and other appropriate financial and other data about the Participant and his or her participation in the Plan (e.g., the date on which shares were granted, termination of employment and the reasons of termination of employment or retirement of the Participant); and

(iv) Other personal information about the Participant, including, but not limited to, telephone number, date of birth, social insurance number, tax identification number, resident registration number or other identification number, salary, nationality, job title or any other information necessary for implementing, administering, and managing the Plan.

(b) Access to the Participant's personal Data within the Company will be limited to those employees who have a need to know the information for the purposes described in this Appendix A, which may include personnel in HR, IT, Compliance, Legal, Finance and Accounting, Corporate Investigations and Internal Audit.

(c) The Company and its Affiliates shall retain the Data of the Participant for as long as necessary for the above mentioned purposes. In particular:

- the Company retains the Participant's Data during the term of the Plan;
- the Company retains the Participant's Data where it is required to do so by a legal obligation to which it is subject;
- the Company retains the Participant's Data where this is advisable to safeguard or improve the Company's legal position (for instance in relation to statutes of limitations, litigation, or regulatory investigations).

(d) This consent is in addition to and does not affect any previous consent provided by the Participant to the Company or its Affiliates. The Participant has the right to withdraw its consent at any time by contacting the Company's data protection officer at dataprivacyofficer@accenture.com.

(e) In particular, the Participant expressly consents to the transfer of personal data about the Participant as described in paragraph (a) above by the Company and its Affiliates. Data may be transferred not only within the country in which the Participant is based from time to time or within the EU or the European Economic Area ("EEA"), but also worldwide, to other employees and officers of the Company and its Affiliates and to the following third parties for the purposes described in paragraph (a) above:

(i) Plan administrators, auditors, brokers, agents and contractors of, and third party service providers to, the Company or its Affiliates such as printers and mail houses engaged to print or distribute notices or communications about the Plan;

(ii) regulators, tax authorities, stock or security exchanges and other supervisory, regulatory, governmental or public bodies as required by law or otherwise deemed necessary by the Company or its Affiliates;

(iii) actual or proposed merger partners or proposed assignees of, or those taking or proposing to take security over, the business or assets of the Company or its Affiliates and their agents and contractors;

(iv) other third parties to whom the Company or its Affiliates may need to communicate/transfer the data in connection with the administration of the Plan, under a duty of confidentiality to the Company and its Affiliates; and

(v) the Participant's family members, physicians, heirs, legatees and others associated with the Participant in connection with the Plan.

Not all countries, where the personal data may be transferred to, have an equal level of data protection as in the EU or the European Economic Area. Countries to which data are transferred include the USA and Ireland and other locations where the Company and its Affiliates, as applicable, administer the Plan. The Company has internal policies to ensure an equivalent level of protection is in place across the Company's worldwide organization. Any transfers of the Participant's personal Data to other offices of the

Company will be governed by the Company's binding corporate rules (a copy of which can be found at https://www.accenture.com/t00010101T000000Z__w__/gb-en/_acnmedia/PDF-52/Accenture-Public-Facing-BCR-June-2017.pdf). Any international transfers of the Participant's personal Data to third parties (including those outside the EEA), will be based on an adequacy decision or are governed by the standard contractual clauses (a copy of which can be obtained from dataprivacy@accenture.com).

All national and international transfer of personal data is only done in order to fulfill the obligations and rights of the Company and/or its Affiliates under the Plan.

The Participant has the right to be informed whether the Company or its Affiliates hold personal data about the Participant and, to the extent they do so, to have access to those personal data at no charge and require them to be corrected if they are inaccurate and to request the erasure, request the restriction of processing or object to the processing and withdraw his or her consent. The Participant also has the right to request a copy or the portability of its personal Data which it provided to the Company. The Participant is entitled to all the other rights provided for by applicable data protection law, including those detailed in any applicable documentation or guidelines provided to the Participant by the Company or its Affiliates in the past. More detailed information is available to the Participant by contacting the appropriate local data protection officer in the country in which the Participant is based from time to time. If the Participant has a complaint regarding the manner in which personal information relating to the Participant is dealt with, the Participant should contact the appropriate local data protection officer referred to above. The Participant also has the right to lodge a complaint with the competent data protection authority.

(f) The Participant understands that the Participant may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data, or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Participant's local data contact referred to above. The Participant understands, however, that refusing or withdrawing the Participant's consent may affect the Participant's ability to participate in the Plan (and may result in the forfeiture of unvested RSUs). For more information on the consequences of the Participant's refusal to consent or withdrawal of consent, the Participant understands that the Participant may contact the data protection officer referred to above.

(g) Finally, upon request of the Company, the Participant agrees to provide an executed data privacy consent form (or any other agreements or consents that may be required by the Company) that the Company may deem necessary to obtain from the Participant for the purposes of administering the Participant's participation in the Plan in compliance with the data privacy laws in the Participant's country, either now or in the future. The Participant understands and agrees that the Participant will not be able to participate in the Plan if the Participant fails to provide any such consent or agreement requested by the Company.

(a) The Company hereby grants the number of RSUs set forth in the Essential Grant Terms (as defined below) to the Participant set forth in the Essential Grant Terms, on the terms and conditions hereinafter set forth. This grant is made pursuant to the terms of the Amended and Restated Accenture plc 2010 Share Incentive Plan (the "Plan"), which Plan, as amended from time to time, is incorporated herein by reference and made a part of this Agreement (as defined below). Each RSU represents the unfunded, unsecured right of the Participant to receive and retain a Share on the date(s) specified herein, subject to the conditions specified herein. Capitalized terms not otherwise defined herein shall have the same meanings ascribed to them in the Plan.

(b) This grant of RSUs is subject to the Voluntary Equity Investment Program Matching Grant Restricted Share Unit Agreement Essential Grant Terms (the "Essential Grant Terms") displayed electronically on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com) and the Standard Form of Voluntary Equity Investment Program Matching Grant Restricted Share Unit Agreement Terms and Conditions which together constitute the Voluntary Equity Investment Program Matching Grant Restricted Share Unit Agreement (the "Agreement").

2. Vesting Schedule.

(a) Subject to the Participant's continued employment with any of the Constituent Companies, the RSUs shall vest pursuant to the vesting schedule set forth in the Essential Grant Terms (as modified by this Agreement) until such RSUs are one hundred percent (100%) vested. Upon the Participant's termination of employment for any reason, any unvested RSUs shall immediately terminate, and no further Shares shall be issued or transferred under Section 3 of this Agreement in respect of such unvested RSUs; provided, however, that if (i) the Participant's employment with the Constituent Companies terminates due to the Participant's death, Disability or a Qualifying SMD Departure, the RSUs granted hereunder shall vest with respect to one hundred percent (100%) of the RSUs held by the Participant on the date of such termination of employment, or (ii) the Participant's employment with the Constituent Companies terminates due to an Involuntary Termination, a number of RSUs granted hereunder shall vest on the date of such Involuntary Termination equal to (x) fifty percent (50%) of the total number of RSUs granted hereunder if the date of the Involuntary Termination is prior to the first anniversary of the date of the grant, or (y) one hundred percent (100%) of the total number of RSUs granted hereunder if the date of the Involuntary Termination is on or after the first anniversary of the date of the grant less the number (if any) of RSUs that vested before the date of such Involuntary Termination.

(b) For purposes of this Agreement:

(i) "Cause" shall have the meaning set forth in Section 3(c) below.

(ii) "Disability" shall have the meaning set forth in Section 3(b) below or, if applicable, Section 21(a) below.

(iii) "Involuntary Termination" shall mean termination of employment by or with the agreement of the employing Constituent Company (other than for Cause or Disability) which is not voluntary and which is recorded as "involuntary" by the Company. A Qualifying SMD Departure, resignation or other voluntary termination of employment by the Participant is not an Involuntary Termination.

(iv) "Qualifying SMD Departure" shall mean a voluntary termination of employment by the Participant with the agreement of the Company (other than by reason of death, Cause or Disability) that satisfies the Company's applicable requirements when the Participant is a Senior Managing Director ("SMD") located in a jurisdiction designated by the Company's Chief Leadership & Human Resources Officer and has at least fifteen (15) years of continuous service with the Constituent Companies immediately preceding the effective date of the termination, of which at least three (3) years were as an SMD.

3. Form and Timing of Issuance or Transfer.

(a) In General.

(i) The Company shall issue or cause there to be transferred to the Participant that number of Shares as set forth in the Essential Grant Terms, until all of the Shares underlying the vested RSUs have been issued or transferred; provided that on each such delivery date, a number of RSUs equal to the number of Shares issued or transferred to the Participant shall be extinguished; provided, further, that upon the issuance or transfer of Shares to the Participant, in lieu of a fractional Share, the Participant shall receive a cash payment equal to the Fair Market Value of such fractional Share. At the discretion of the Company, the Company may issue or transfer Shares underlying vested RSUs to the Participant earlier than the dates set forth in the Essential Grant Terms to the extent required to satisfy tax liabilities arising in connection with this RSU grant. Notwithstanding the foregoing, if the conditions set forth in Section 21 of this Agreement are satisfied, Section 21 shall supersede the foregoing.

(ii) Notwithstanding Section 3(a)(i), if the Participant is resident or employed outside the United States, the Company, in its sole discretion, may provide for the settlement of the RSUs in the form of:

(A) a cash payment (in an amount equal to the Fair Market Value of the Shares that corresponds with the number of vested RSUs) to the extent that settlement in Shares (i) is prohibited under local law, (ii) would require the Participant, the Company or Constituent Company to obtain the approval of any governmental or regulatory body in the Participant's country of residence (or country of employment, if different), (iii) would result in adverse tax consequences for the Participant, the Company or Constituent Company or (iv) is administratively burdensome; or

(B) Shares, but require the Participant to sell such Shares immediately or within a specified period following the Participant's termination of employment (in which case, the Participant hereby agrees that the Company shall have the authority to issue sale instructions in relation to such Shares on the Participant's behalf).

(b) Death or Disability. Notwithstanding Section 3(a) of this Agreement, if (i) the Participant's employment with the Constituent Companies terminates due to the Participant's death or Disability, the Company shall issue or cause to be transferred to the Participant or to his or her estate, as the case may be, a number of Shares equal to the aggregate number of RSUs granted to the Participant hereunder (rounded down to the next whole Share) as soon as practicable following such termination of employment, at which time a number of RSUs equal to the number of Shares issued or transferred to the Participant or to his or her estate shall be extinguished or (ii) the Participant dies following a Qualifying SMD Departure or an involuntary not for Cause termination of employment with the Constituent Companies, the Company shall issue or cause to be transferred to the Participant's estate all previously vested but unreleased Shares, if any (rounded down to the next whole Share) as soon as practicable following receipt of satisfactory evidence of such Participant's death; provided, however, that upon the issuance or transfer of Shares to the Participant or to his or her estate, in lieu of a fractional Share, the Participant or his or her estate, as the case may be, shall receive a cash payment equal to the Fair Market Value of such fractional Share.

For purposes of this Agreement, unless Section 21 applies, "Disability" shall mean "disability" as defined (i) in any employment agreement then in effect between the Participant and the Company or any Affiliate or (ii) if not defined therein, or if there shall be no such agreement, as defined in the long-term disability plan maintained by the Participant's employer as in effect from time to time, or (iii) if there shall be no plan, the inability of the Participant to perform in all material respects his or her duties and responsibilities to the Constituent Companies for a period of six (6) consecutive months or for an aggregate period of nine (9) months in any twenty-four (24) consecutive month period by reason of a physical or mental incapacity.

(c) Notwithstanding Sections 3(a) and 3(b) of this Agreement, upon the Participant's termination of employment with the Constituent Companies for Cause or to the extent that the Participant otherwise takes such action that would constitute Cause, to the extent legally permissible, any outstanding RSUs shall immediately terminate. For purposes of this Agreement, "Cause" shall mean "cause" as defined in any employment or consultancy agreement (or similar agreement) or in any letter of appointment then in effect between the Participant and the Company or any Affiliate or if not defined therein (it being the intent that the definition of "Cause" shall include, at a minimum, the acts set forth below), or if there shall be no such agreement, to the extent legally permissible, (a) the Participant's embezzlement, misappropriation of corporate funds, or other material acts of dishonesty, (b) the Participant's commission or conviction of any felony, or of any misdemeanor involving moral turpitude, or entry of a plea of guilty or nolo contendere to any felony or misdemeanor, (c) engagement in any activity that the Participant knows or should know could harm the business or reputation of the Company or an Affiliate, (d) the Participant's material failure to adhere to the Company's or an

Affiliate's corporate codes, policies or procedures as in effect from time to time, (e) the Participant's continued and material failure to meet minimum performance standards as determined by the Company or an Affiliate, (f) the Participant's violation of any statutory, contractual, or common law duty or obligation to the Company or an Affiliate, including, without limitation, the duty of loyalty, or (g) the Participant's material breach of any confidentiality or non-competition covenant entered into between the Participant and the Company or an Affiliate, including, without limitation, the covenants contained in this Agreement. The determination of the existence of Cause shall be made by the Company in good faith, which determination shall be conclusive for purposes of this Agreement.

4. Dividends. If on any date while RSUs are outstanding hereunder the Company shall pay any dividend on the Shares (other than a dividend payable in Shares), the number of RSUs granted to the Participant shall, as of such dividend payment date, be increased by a number of RSUs equal to: (a) the product of (x) the number of RSUs held by the Participant as of the related dividend record date, multiplied by (y) the per Share amount of any cash dividend (or, in the case of any dividend payable in whole or in part other than in cash, the per Share value of such dividend, as determined in good faith by the Committee), divided by (b) the Fair Market Value of a Share on the payment date of such dividend. In the case of any dividend declared on Shares that is payable in the form of Shares, the number of RSUs granted to the Participant shall be increased by a number equal to the product of (a) the aggregate number of RSUs held by the Participant through the related dividend record date, multiplied by (b) the number of Shares (including any fraction thereof) payable as a dividend on a Share. For the avoidance of doubt, any additional RSUs granted pursuant to this Section 4 shall be subject to the terms and conditions contained in this Agreement.

5. Adjustments Upon Certain Events. In the event of any change in the outstanding Shares by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, amalgamation, spin-off or combination transaction or exchange of Shares or other similar events (collectively, an "Adjustment Event"), the Committee may, in its sole discretion, adjust any Shares or RSUs subject to this Agreement to reflect such Adjustment Event.

6. Cancellation and Rescission of RSUs and Shares Underlying RSUs.

(a) Upon any transfer or issuance of Shares or cash underlying RSUs, the Participant shall certify in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of this Agreement and the Plan.

(b) In the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant for Cause, (ii) the Participant's employment with any of the Constituent Companies is terminated for Cause, or (iii) the Participant engages in any of the activities defined in subsection (c) below, the Company may require the Participant to, to the extent legally permitted, to transfer to the Company up to a number of Shares equal to the number of Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above), and without regard to whether the Participant continues to own or control such previously delivered Shares and the Participant shall bear all costs of transfer,

including any transfer taxes that may be payable in connection with such transfer. Upon a showing satisfactory to the Company by Participant that the value of the Shares subject to transfer as described above exceeds the value of the actual benefit received by the Participant (as measured by the gross proceeds the Participant received upon the sale of Shares issued or transferred under this Agreement), then, with respect to such sold Shares, the transfer of Shares required under this Section 6(b) shall be limited to a number of Shares equivalent in value to such actual benefit received by the Participant. Upon receiving a demand from the Company to transfer Shares to the Company pursuant to this subsection, the Participant shall effect the transfer of Shares to the Company by no later than ten (10) business days from the date of the Company's demand. For the avoidance of doubt, if the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority) and engages in any of the activity set forth in subsection (c)(i), the Company may require the Participant, to the extent legally permitted, to transfer to the Company up to a number of Shares equal to the number of Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above), as well as a number of Shares that have been issued or transferred under any prior agreement between the Company and the Participant, without regard to whether the Participant continues to own or control such previously delivered Shares and without regard to the actual benefit received by the Participant with respect to any Shares sold by the Participant, and the Participant shall bear all costs of transfer, including any transfer taxes that may be payable in connection with such transfer. Similarly, in the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant for Cause or (ii) the Participant engages in any of the activities defined in subsection (c) below, in either case at any time prior to the date that any Shares underlying RSUs granted under this Agreement have been issued or transferred, the RSUs granted hereunder (both vested and unvested) shall be forfeited immediately.

(c) In the event Participant engages in any of the activities defined in this subsection, Participant agrees to transfer Shares to the Company in accordance with any demand received from the Company for the transfer of Shares under subsection 6(b) above and/or that his or her award of RSUs will be forfeited in its entirety, as applicable:

(i) if the Participant's employment with any of the Constituent Companies terminates while the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority), the Participant shall not, for a period of twelve (12) months following the termination of the Participant's employment with any of the Constituent Companies associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor or otherwise) with any Competitive Enterprise (or any of the affiliates, related entities, successors, or assigns of any Competitive Enterprise) that: (1) is identified on the list of competitors maintained by the Company on the myHoldings website (which list may be updated by the Company from time to time) as a Global Accenture Competitor or as being a competitor of any Restricted Business, and/or (2) is otherwise a competitor of any Restricted Business; provided, however, that with respect to the equity of any Competitive Enterprise which is or becomes publicly

traded, the Participant's ownership as a passive investor of less than one percent (1%) of the outstanding publicly traded stock of a Competitive Enterprise shall not be deemed a violation of this subsection 6(c)(i);

(ii) the Participant shall not, for a period of twelve (12) months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly (A) solicit, or assist any other individual, person, firm or other entity in soliciting, any Restricted Client or Restricted Prospective Client for the purpose of performing or providing any Relevant Services; (B) perform or provide, or assist any other individual, person, firm or other entity in performing or providing, Relevant Services for any Restricted Client or Restricted Prospective Client; or (C) interfere with or damage (or attempt to interfere with or damage) any relationship and/or agreement between the Company or any Affiliates and a Restricted Client or Restricted Prospective Client;

(iii) the Participant shall not, for a period of twelve (12) months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly, solicit, employ or retain, or assist any other individual, person, firm or other entity in soliciting, employing or retaining, any employee or other agent of the Company or an Affiliate, (A) with whom the Participant has had material dealings; (B) from whom, or as a result of contact with whom, the Participant has obtained Confidential Information or Trade Secrets; or (C) whom the Participant has supervised on a client or prospective client engagement, in the twenty-four (24) months preceding the termination of the Participant's employment with the Constituent Companies; or

(iv) the Participant shall not, unless the Participant has received the prior written consent of the Company or its Affiliates or is otherwise required by law, either directly or indirectly, use, sell, lend, lease, distribute, license, give, transfer, assign, show, disseminate, divulge, disclose, reveal, share, provide access to, reproduce, copy, distribute, publish, appropriate, or otherwise communicate any Confidential Information or Trade Secrets at any time following the termination of the Participant's employment with the relevant Constituent Company. If the Participant is requested or required pursuant to any legal, governmental or investigatory proceeding or process or otherwise, to disclose any Confidential Information or Trade Secrets, the Participant shall promptly notify the Company in writing so that the Company may seek a protective order or other appropriate remedy, or, if it chooses, waive compliance with the applicable provision of this Agreement. The Participant's obligation of non-disclosure as set forth herein shall continue for so long as such item continues to constitute Confidential Information. Notwithstanding the foregoing, if the Participant makes a confidential disclosure of a Trade Secret or other Confidential Information to a government official or an attorney for the sole purpose of reporting or investigating a suspected violation of law, or in a court filing under seal, the Participant shall not be held liable under this Agreement or under any federal or state trade secret law for such a disclosure. Additionally, if the Participant files a lawsuit in

the United States for retaliation by the Company for reporting a suspected violation of the law, the Participant may disclose Trade Secret information to the Participant's attorney, and can use the Trade Secret information in sealed filings in the court proceeding, or pursuant to a court order, as long as the Participant does not otherwise disclose the Trade Secret.

(d) In the event that (i) the Participant's employment with any of the Constituent Companies is terminated for Cause, or (ii) the Participant engages in any of the activities defined in subsection (c) above, the Company's remedy shall be limited to the recovery of Shares as set forth in subsection (b) above; provided, however, that nothing in this Agreement is intended to or should be interpreted as diminishing any rights and remedies that Affiliates may have, at law or equity, related to investments by the Constituent Companies in Confidential Information, Trade Secrets, clients and prospective client relationships, and the training, skills, capabilities, knowledge and experience of employees, including, but not limited to, any rights and remedies set forth in the Participant's employment agreement, confidentiality agreement, intellectual property agreement, restrictive covenant agreement, or any other agreement entered into between the Participant and an Affiliate of the Company.

(e) This Section 6 shall be interpreted and applied in a consistent manner to any cash paid to the Participant in accordance with Section 3(a)(ii). For the sake of clarity, cash paid to the Participant to settle vested RSUs in accordance with Section 3(a)(ii) shall be subject to forfeiture/recoupment/repayment under this Section 6 on the same basis as if such RSUs were settled with Shares.

(f) For purposes of this Agreement:

(i) "Alliance Entity" shall mean any Legal Entity with whom the Company and/or any Affiliate has entered into an alliance agreement, joint venture agreement or any other legally binding go-to-market agreement, resale agreement or any agreement to combine offerings, products and/or services, or (without limiting the foregoing) any Legal Entity in which Accenture and/or any Affiliate has an interest, whether or not a Controlling Interest; provided always that the term "Alliance Entity" shall not include: (A) any Competitive Enterprise, (B) any contractor and/or sub-contractor of Accenture and/or any Affiliate, and/or (C) any sales, buying and/or marketing agent of Accenture.

(vii) “Relevant Services” shall mean the performance of any services of the type provided by the Company, its Affiliates and/or their predecessors at any time, past, present or future, including, but not limited to, consulting services, technology services, and/or outsourcing services.

(viii) “Restricted Business” shall mean each of the businesses of each Constituent Company as such businesses are listed as “Accenture Businesses” on the list of Competitive Enterprises maintained by the Company on the myHoldings website, which list may be updated by the Company from time to time, (A) in respect of whom the Participant holds Confidential Information or Trade Secrets at the time of the termination of employment with the Constituent Companies or (B) to which business the Participant has provided services, has been materially concerned or has been responsible in the twenty-four months preceding the termination of the Participant’s employment with the Constituent Companies.

(ix) “Restricted Client” shall mean any person, firm, corporation or other organization to whom the Participant directly or indirectly performed or assisted in performing Relevant Services, or with which the Participant otherwise had material contact, or about which the Participant learned Confidential Information or Trade Secrets, within the twenty-four (24) months prior to the date on which the Participant’s employment with the Constituent Companies terminated.

(x) “Restricted Prospective Client” shall mean any person, firm, corporation, or other organization with which the Participant directly or indirectly had any negotiations or discussions regarding the possible performance of services by the Company, or about which the Participant learned Confidential Information or Trade Secrets within the twelve (12) months prior to the date of the Participant’s termination of employment with the Constituent Companies.

(xi) “solicit” shall mean to have any direct or indirect communication of any kind whatsoever, regardless of by whom initiated, inviting, advising, encouraging or requesting any person or entity, in any manner, to take or refrain from taking any action.

(xii) "Trade Secrets" shall include information relating to the Company and its Affiliates, and their respective clients, prospective clients or Alliance Entities, that is protectable as a trade secret under applicable law, including, without limitation, and without regard to form: technical or non-technical data, a formula, a pattern, a compilation, a program, a device, a method, a technique, a drawing, a process, financial data, financial plans, business and strategic plans, product plans, source code, software, unpublished patent applications, customer proposals or pricing information or a list of actual or potential customers or suppliers which is not commonly known by or available to the public and which information (A) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use and (B) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(g) If, during the twelve (12) month period following the termination of the Participant's employment with the Constituent Companies, the Participant is presented with an opportunity that might involve participation in any of the activities defined in Section 6(c) above, Participant shall notify the Company in writing of the nature of the opportunity (the "Conflicting Activity"). Following receipt of sufficient information concerning the Conflicting Activity, the Company will advise Participant in writing whether the Company considers the Participant's RSUs to be subject to Section 6(b)(ii) above. The Company retains sole discretion to determine whether Participant's RSUs are subject to Section 6(b)(ii) and to alter its determination should additional or different facts become known to the Company.

7. Data Protection. The Participant consents to the collection and processing (including international transfer) of personal data as set out in Appendix A for the purposes specified therein.

8. Collateral Agreements. As a condition to the issuance or transfer of the Shares underlying the RSUs granted hereunder, the Participant shall, to the degree reasonably required by the Company, (a) execute and return to the Company a counterpart of this Agreement (or, if acceptable to the Company, acknowledge receipt and agreement of the terms of this Agreement electronically), all in accordance with the instructions provided by the Company and (b) to the extent required by the Company, either (i) execute and return an employment agreement, a consultancy agreement, a letter of appointment and/or an intellectual property agreement, in form and substance satisfactory to the Company, or (ii) provide evidence satisfactory to the Company that the agreements referenced in clause (i) have been previously executed by the Participant.

9. Nature of Grant. In accepting the grant, the Participant acknowledges, understands and agrees that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Board at any time;

(b) the grant of the RSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs (whether on the same or different terms), or benefits in lieu of RSUs, even if RSUs have been granted in the past;

(c) all decisions with respect to future grants of RSUs or other grants, if any, will be at the sole discretion of the Committee, including, but not limited to, the form and timing of the grant, the number of Shares subject to the grant, and the vesting provisions applicable to the grant;

(d) the RSU grant and the Participant's participation in the Plan shall not create a right to employment or be interpreted as forming an employment or services contract with the Company or any Constituent Company and shall not interfere with the ability of the Company, or Constituent Company, as applicable, to terminate Participant's employment or service relationship;

(e) the Participant is voluntarily participating in the Plan;

(f) Shares (or cash) will be issued to the Participant only if the vesting conditions are met and any necessary services are rendered by the Participant over the vesting period;

(g) the RSUs and the Shares (or cash) subject to the RSUs are not intended to replace any pension rights or compensation;

(h) the RSUs and the Shares subject to the RSUs, and the income and value thereof, are an extraordinary item of compensation outside the scope of the Participant's employment (and employment contract, if any) and is not part of normal or expected compensation for any purpose, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(i) the future value of the Shares underlying the RSUs is unknown, indeterminable and cannot be predicted with certainty;

(j) no claim or entitlement to compensation or damages shall arise from forfeiture of RSUs resulting from the Participant ceasing to be employed or otherwise providing services to the Company or Constituent Company;

(k) unless otherwise provided herein, in the Plan or by the Company in its discretion, the RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares of the Company; and

(l) if the Participant resides or is employed outside the United States, the Participant acknowledges and agrees that neither the Company nor any Constituent Company

shall be liable for any exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the RSUs or of any amounts due to Participant pursuant to the settlement of the RSUs or the subsequent sale of any Shares acquired upon settlement.

10. No Rights of a Shareholder. The Participant shall not have any rights as a shareholder of the Company until the Shares in question have been registered in the Company's register of shareholders.

11. Legend on Certificates. Any Shares issued or transferred to the Participant pursuant to Section 3 of this Agreement shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the U.S. Securities and Exchange Commission, any stock exchange upon which such Shares are listed, any applicable U.S. Federal or state laws or relevant securities laws of the jurisdiction of the domicile of the Participant or to ensure compliance with any additional transfer restrictions that may be in effect from time to time, and the Committee may cause a legend or legends to be put on any certificates representing such Shares to make appropriate reference to such restrictions.

12. Transferability Restrictions – RSUs/Underlying Shares. RSUs may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance not permitted by this Section 12 shall be void and unenforceable against any Constituent Company. Any Shares issued or transferred to the Participant shall be subject to compliance by the Participant with such policies as the Committee or the Company may deem advisable from time to time, including, without limitation, any policies relating to certain minimum share ownership requirements. Such policies shall be binding upon the permitted respective legatees, legal representatives, successors and assigns of the Participant. The Company shall give notice of any such additional or modified terms and restrictions applicable to Shares delivered or deliverable under this Agreement to the holder of the RSUs and/or the Shares so delivered, as appropriate, pursuant to the provisions of Section 13 or, if a valid address does not appear to exist in the personnel records, to the last address known by the Company of such holder. Notice of any such changes may be provided electronically, including, without limitation, by publication of such changes to a central website to which any holder of the RSUs or Shares issued therefrom has access.

13. Notices. Any notice to be given under this Agreement shall be addressed to the Company in care of its General Counsel at:

Accenture
161 N.Clark Street
Chicago, IL 60601
USA
Telecopy: +1(312) 652-5619
Attn: General Counsel

(or, if different, the then current principal business address of the duly appointed General Counsel of the Company) and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party at such other address as either party hereto may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

14. Tax Withholding.

(a) Regardless of any action the Company or Constituent Company takes with respect to any or all income tax (including U.S. federal, state and local taxes or non-U.S. taxes), social insurance, payroll tax, fringe benefit, payment on account or other tax-related withholding ("Tax-Related Items"), the Participant acknowledges that the ultimate liability for all Tax-Related Items legally due by the Participant is and remains the Participant's responsibility and that the Company and Constituent Company (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSUs, including the grant of the RSUs, the vesting of the RSUs, the delivery or sale of any Shares or cash acquired pursuant to the RSUs and the issuance of any dividends, and (ii) do not commit to structure the terms of the grant or any aspect of the RSUs to reduce or eliminate the Participant's liability for Tax-Related Items.

(b) To the extent that the grant or vesting of the RSUs, the delivery of Shares or cash pursuant to the RSUs or issuance of dividends results in a withholding obligation for Tax-Related Items, unless otherwise specifically approved and directed by the Committee, the Participant authorizes the Company, Constituent Company or agent of the Company or Constituent Company to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company or the Constituent Company; (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent); or (iii) withholding from the Shares to be delivered upon settlement of the RSUs that number of Shares having a Fair Market Value equal to the amount required by law to be withheld. If the Participant is subject to taxation in more than one jurisdiction, the Participant acknowledges that the Company may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(c) Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates (as determined by the Company in good faith and in its sole discretion) or other applicable withholding rates, including maximum applicable rates, in which case Participant will receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. The Company shall repay any excess amounts due to the Participant within, where administratively feasible, thirty (30) days of withholding. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the vested RSUs, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

(d) The Participant agrees to pay to the Company or Constituent Company, any amount of Tax-Related Items that the Company or Constituent Company may be required to withhold or account for as a result of Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares, cash or the proceeds of the sale of Shares, if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

(e) The Participant hereby acknowledges that he or she will not be entitled to any interest or appreciation on Shares sold to satisfy the tax withholding requirements (including with respect to any amounts withheld in excess of the Participant's tax liability).

15. Choice of Law and Dispute Resolution

(a) THE INTERPRETATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

(b) Subject to subsections (c) through (f), any and all disputes which cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance and/or termination of this Agreement and any amendment thereto (including without limitation the validity, scope and enforceability of this arbitration provision) (each a "Dispute") shall be finally settled by arbitration conducted by a single arbitrator in New York, in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce ("ICC"), except that the parties may select an arbitrator who is a national of the same country as one of the parties. If the parties to the dispute fail to agree on the selection of an arbitrator within thirty (30) days of the receipt of the request for arbitration, the ICC shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. In the event of any arbitration between the parties, the Company shall consent to a request by the Participant to hold arbitral proceedings, including any evidentiary hearings, in the country in which the Participant principally conducts his/her business for the convenience of the parties and witnesses, it being understood, however, that the legal situs of the arbitration shall remain in New York. Each side will bear its own costs and attorneys' fees.

(c) Either party may bring an action or proceeding in any court having jurisdiction thereof for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and/or in support of the arbitration as permitted by any applicable arbitration law and, for the purposes of this subsection (c), each party expressly consents to the application of subsections (e) and (f) to any such suit, action or proceeding.

(d) Judgment on any award(s) rendered by the tribunal may be entered in any court having jurisdiction thereof.

(e) (i) Each party hereby irrevocably submits to the non-exclusive jurisdiction of the Courts located in New York, United States for the purpose of any suit, action

or proceeding brought in accordance with the provisions of subsection (c). The parties acknowledge that the forum designated by this subsection (e) has a reasonable relation to this Agreement, and to the parties' relationship with one another.

(ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to any right to assert personal jurisdiction in any other forum or to the laying of venue of any suit, action or proceeding brought in any court referred to in subsection (e)(i) pursuant to subsection (c) and such parties agree not to plead or claim the same, or to seek anti-suit relief or any other remedy to deny the arbitral jurisdiction referred to in subsection (b).

(f) The parties agree that if a suit, action or proceeding is brought under subsection (c), proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and they irrevocably appoint the General Counsel of the Company, c/o Accenture, 161 N. Clark Street, Chicago, IL 60601 USA (or, if different, the then-current principal business address of the duly appointed General Counsel of the Company) as such party's agent for service of process in connection with any such action or proceeding and agree that service of process upon such agent, who shall promptly advise such party of any such service of process, shall be deemed in every respect effective service of process upon the party in any such action or proceeding.

16. Severability. This Agreement shall be enforceable to the fullest extent allowed by law. In the event that a court or appointed arbitrator holds any provision of this Agreement to be invalid or unenforceable, then, if allowed by law, that provision shall be reduced, modified or otherwise conformed to the relevant law, judgment or determination to the degree necessary to render it valid and enforceable without affecting the rest of this Agreement. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be deemed severable from the remainder of this Agreement, and the remaining provisions contained in this Agreement shall be construed to preserve to the maximum permissible extent the intent and purposes of this Agreement. Any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

17. RSUs Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. All RSUs are subject to the Plan. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail.

18. Amendments. The rights and obligations under this Agreement and their enforceability are subject to local tax and foreign exchange laws and regulations and, in this sense, the terms and conditions contained herein may be amended at the sole discretion of the Company and/or the Committee in order to comply with any such laws and regulations.

19. Signature in Counterparts. To the extent that this Agreement is manually signed, instead of electronically accepted by the Participant (if permitted by the

Company), it may be signed in counterparts, each of which shall be deemed an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

20. Administration; Consent. In order to manage compliance with the terms of this Agreement, Shares delivered pursuant to this Agreement may, at the sole discretion of the Company, be registered in the name of the nominee for the holder of the Shares and/or held in the custody of a custodian until otherwise determined by the Company. To that end, by acceptance of this Agreement, the holder hereby appoints the Company, with full power of substitution and resubstitution, his or her true and lawful attorney-in-fact to assign, endorse and register for transfer into such nominee's name or deliver to such custodian any such Shares, granting to such attorneys, and each of them, full power and authority to do and perform each and every act and thing whatsoever that such attorney or attorneys may deem necessary, advisable or appropriate to carry out fully the intent of this Section 20 as such person might or could do personally. It is understood and agreed by each holder of the Shares delivered under this Agreement that this appointment, empowerment and authorization may be exercised by the aforementioned persons with respect to all Shares delivered pursuant to this Agreement of such holder, and held of record by another person or entity, for the period beginning on the date hereof and ending on the later of the date this Agreement is terminated and the date that is ten years following the last date Shares are delivered pursuant to this Agreement. The form of the custody agreement and the identity of the custodian and/or nominee shall be as determined from time to time by the Company in its sole discretion. A holder of Shares delivered pursuant to this Agreement acknowledges and agrees that the Company may refuse to register the transfer of and enter stop transfer orders against the transfer of such Shares except for transfers deemed by it in its sole discretion to be in compliance with the terms of this Agreement. Each holder of Shares delivered pursuant to this Agreement agrees to execute such additional documents and take such other actions as may be deemed reasonably necessary or desirable by the Company to effect the provisions of this Agreement, as in effect from time to time The Company reserves the right to impose other requirements on the RSUs, any Shares acquired pursuant to the RSUs and the Participant's participation in the Plan to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the RSUs and the Plan. Such requirements may include (but are not limited to) requiring the Participant to sign any agreements, undertakings or additional documents that may be necessary to accomplish the foregoing. The Participant agrees to take such other actions as may be deemed reasonably necessary or desirable by the Company to effect the provisions of this Agreement, as in effect from time to time. Each holder of Shares delivered pursuant to this Agreement or any prior agreement between the Company and the Participant acknowledges and agrees that the Company may impose a legend on any document relating to Shares issued or issuable pursuant to this Agreement conspicuously referencing the restrictions applicable to such Shares, and may instruct the administrator of any brokerage account into which Shares have been initially deposited to freeze or otherwise prevent the disposition of such Shares.

21. Section 409A - Disability, Deferral Elections, Payments to Specified Employees, and Interpretation of Grant Terms. If the Participant is subject to income taxation on the income resulting from this Agreement under the laws of the United States, and

the foregoing provisions of this Agreement would result in adverse tax consequences to the Participant, as determined by the Company, under Section 409A of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), then the following provisions shall apply and supersede the foregoing provisions:

(a) "Disability" shall mean a disability within the meaning of Section 409A(a)(2)(C) of the Code.

(b) Deferral elections made by U.S. taxpayers are subject to Section 409A of the Code. The Company will use commercially reasonable efforts to not permit RSUs to be deferred, accelerated, released, extended, paid out or modified in a manner that would result in the imposition of an additional tax under Section 409A of the Code. In the event that it is reasonably determined by the Company that, as a result of Section 409A of the Code, payments or delivery of the Shares underlying the RSU award granted pursuant to this Agreement may not be made at the time contemplated by the terms of the RSU award or the Participant's deferral election, as the case may be, without causing the Participant to be subject to taxation under Section 409A of the Code, the Company will make such payment or share delivery as soon as practicable on or following the first day that would not result in the Participant's incurring any tax liability under Section 409A of the Code, and in any event, no later than the last day of the calendar year in which such first date occurs.

(c) If the Participant is a "specified employee" (within the meaning of Section 409A(a)(2)(B)(i) of the Code), payments and deliveries of shares in respect of any RSUs subject to Section 409A of the Code that are linked to the date of the Participant's separation from service shall not be made prior to the date which is six (6) months after the date of the Participant's separation from service from the Company or any of its Affiliates, determined in accordance with Section 409A of the Code and the regulations promulgated thereunder.

(d) The Company shall use commercially reasonable efforts to avoid subjecting the Participant to any additional taxation under Section 409A of the Code as described herein; provided that neither the Company nor any of its employees, agents, directors or representatives shall have any liability to the Participant with respect to Section 409A of the Code.

22. Electronic Delivery. The Company may, in its sole discretion, deliver by electronic means any documents related to the RSUs or the Participant's future participation in the Plan. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

23. English Language. If the Participant is resident in a country where English is not an official language, the Participant acknowledges and agrees that it is the Participant's express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the grant of RSUs, be drawn up in English. If the Participant has received this Agreement, the Plan or any other documents related

to the RSUs translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version will control.

24. Repatriation; Compliance with Law. If the Participant is resident or employed outside the United States, the Participant agrees to repatriate all payments attributable to the Shares and/or cash acquired under the Plan in accordance with applicable foreign exchange rules and regulations in the Participant's country of residence (and country of employment, if different). In addition, the Participant agrees to take any and all actions, and consents to any and all actions taken by the Company and Constituent Companies, as may be required to allow the Company and Constituent Companies to comply with local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different). Further, the Participant agrees to take any and all actions as may be required to comply with the Participant's personal obligations under local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different).

25. Insider Trading / Market Abuse Laws. By participating in the Plan, the Participant agrees to comply with the Company's policy on insider trading. The Participant further acknowledges that the Participant may be subject to local insider trading and/or market abuse laws and regulations that are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Participant acknowledges that it is the Participant's personal responsibility to comply with any applicable restrictions, and that the Participant should consult the Participant's personal advisor on this matter.

26. Appendix B. Notwithstanding any provision of this Agreement to the contrary, the RSUs shall be subject to any special terms and conditions for the Participant's jurisdiction of residence (and jurisdiction of employment, if different) as set forth in Appendix B to the Agreement, if applicable, which shall constitute part of this Agreement.

27. Recoupment. The RSUs granted under this Agreement, and any Shares issued or other payments made in respect thereof, shall be subject to any recoupment policy that the Company may adopt from time to time, to the extent any such policy is applicable to the Participant. By accepting the grant of RSUs under this Agreement the Participant agrees and consents to the Company's application, implementation and enforcement of (a) the recoupment policy and (b) any provision of applicable law relating to cancellation, recoupment, rescission or payback of compensation and expressly agrees that the Company may take such actions as are necessary to effectuate the recoupment policy (as applicable to the Participant) or applicable law without further consent or action being required by the Participant. For purposes of the foregoing, the Participant expressly and explicitly authorizes the Company to issue instructions, on the Participant's behalf, to any brokerage firm and/or third party administrator engaged by the Company to hold the Participant's Shares and other amounts acquired under the Plan to re-convey, transfer or otherwise return such Shares and/or other amounts to the Company. To the extent that the terms of this Agreement and the recoupment policy conflict, the terms of the recoupment policy shall prevail.

28. Entire Agreement. This Agreement, including the Plan, as provided therein, contains the entire agreement between the parties with respect to the subject matter therein and

supersedes all prior oral and written agreements between the parties pertaining to such matters. Participant acknowledges and agrees that this Agreement, including the Plan, and all prior RSU or other equity grant agreements between the Company and its assignor Accenture Ltd, on the one hand, and Participant, on the other, are separate from, and shall not be modified or superseded in any way by any other agreements, including employment agreements, entered into between Participant and the Company's Affiliates.

29. Waiver. No waiver of any breach or condition of this Agreement shall be deemed to be a waiver of any other or subsequent breach or condition, whether of like or different nature.

30. Electronic Signature. Participant acknowledges and agrees that by clicking the "Accept Grant Online" button on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com), it will act as the Participant's electronic signature to this Agreement and will constitute Participant's acceptance of and agreement with all of the terms and conditions of the RSUs, as set forth in this Agreement, the Essential Grant Terms and the Plan.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective as of the Date of Grant set forth on the attached Essential Grant Terms.

Any such processing shall be in accordance with the purposes and provisions of this data protection provision. References in this provision to the Company and its Affiliates include the Participant's employer.

This includes the following categories of data ("Data"):

(i) Data already held in the Participant's records such as the Participant's name and address, ID number, payroll number, length of service and whether the Participant works full-time or part time;

(ii) Data collected upon the Participant accepting the rights granted under the Plan (if applicable);

(iii) Data subsequently collected by the Company or any of its Affiliates in relation to the Participant's continued participation in the Plan, for example, data about shares offered or received, purchased or sold under the Plan from time to time and other appropriate financial and other data about the Participant and his or her participation in the Plan (e.g., the date on which shares were granted, termination of employment and the reasons of termination of employment or retirement of the Participant); and

(iv) Other personal information about the Participant, including, but not limited to, telephone number, date of birth, social insurance number, tax identification number, resident registration number or other identification number, salary, nationality, job title or any other information necessary for implementing, administering, and managing the Plan.

(b) Access to the Participant's personal Data within the Company will be limited to those employees who have a need to know the information for the purposes described in this Appendix A, which may include personnel in HR, IT, Compliance, Legal, Finance and Accounting, Corporate Investigations and Internal Audit.

(c) The Company and its Affiliates shall retain the Data of the Participant for as long as necessary for the above mentioned purposes. In particular:

(d) This consent is in addition to and does not affect any previous consent provided by the Participant to the Company or its Affiliates. The Participant has the right to withdraw its consent at any time by contacting the Company's data protection officer at dataprivacyofficer@accenture.com.

(e) In particular, the Participant expressly consents to the transfer of personal data about the Participant as described in paragraph (a) above by the Company and its Affiliates. Data may be transferred not only within the country in which the Participant is based from time to time or within the EU or the European Economic Area ("EEA"), but also worldwide, to other employees and officers of the Company and its Affiliates and to the following third parties for the purposes described in paragraph (a) above:

(iii) actual or proposed merger partners or proposed assignees of, or those taking or proposing to take security over, the business or assets of the Company or its Affiliates and their agents and contractors;

(iv) other third parties to whom the Company or its Affiliates may need to communicate/transfer the data in connection with the administration of the Plan, under a duty of confidentiality to the Company and its Affiliates; and

(v) the Participant's family members, physicians, heirs, legatees and others associated with the Participant in connection with the Plan.

Not all countries, where the personal data may be transferred to, have an equal level of data protection as in the EU or the European Economic Area. Countries to which data are transferred include the USA and Ireland and other locations where the Company and its Affiliates, as applicable, administer the Plan. The Company has internal policies to ensure an equivalent level of protection is in place across the Company's worldwide organization. Any transfers of the Participant's personal Data to other offices of the

Company will be governed by the Company's binding corporate rules (a copy of which can be found at https://www.accenture.com/t00010101T000000Z__w__/gb-en/_acnmedia/PDF-52/Accenture-Public-Facing-BCR-June-2017.pdf). All national and international transfer of personal data is only done in order to fulfill the obligations and rights of the Company and/or its Affiliates under the Plan.

The Participant has the right to be informed whether the Company or its Affiliates hold personal data about the Participant and, to the extent they do so, to have access to those personal data at no charge and require them to be corrected if they are inaccurate and to request the erasure, request the restriction of processing or object to the processing and withdraw his or her consent. The Participant also has the right to request a copy or the portability of its personal Data which it provided to the Company. More detailed information is available to the Participant by contacting the appropriate local data protection officer in the country in which the Participant is based from time to time. If the Participant has a complaint regarding the manner in which personal information relating to the Participant is dealt with, the Participant should contact the appropriate local data protection officer referred to above. The Participant also has the right to lodge a complaint with the competent data protection authority.

(f) The Participant understands that the Participant may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data, or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Participant's local data contact referred to above. The Participant understands, however, that refusing or withdrawing the Participant's consent may affect the Participant's ability to participate in the Plan (and may result in the forfeiture of unvested RSUs). For more information on the consequences of the Participant's refusal to consent or withdrawal of consent, the Participant understands that the Participant may contact the data protection officer referred to above.

(g) Finally, upon request of the Company, the Participant agrees to provide an executed data privacy consent form (or any other agreements or consents that may be required by the Company) that the Company may deem necessary to obtain from the Participant for the purposes of administering the Participant's participation in the Plan in compliance with the data privacy laws in the Participant's country, either now or in the future. The Participant understands and agrees that the Participant will not be able to participate in the Plan if the Participant fails to provide any such consent or agreement requested by the Company.

CEO DISCRETIONARY GRANT
RESTRICTED SHARE UNIT AGREEMENT
(Fiscal 2020)

This Agreement (as defined below) is between Accenture plc (the "Company" or "Accenture") and the Participant.

WHEREAS, the Participant acknowledges and agrees that in the course of Participant's association with the Company and its Affiliates (the "Constituent Companies"), the Participant has been, and will be, provided with access to Confidential Information;

WHEREAS, the Participant acknowledges and agrees that in the course of Participant's association with the Constituent Companies, the Participant has been, and will be, provided with access to Trade Secrets in accordance with protocols and procedures that the Participant expressly acknowledges were appropriate to protect such Trade Secrets;

WHEREAS, the Participant acknowledges and agrees that in the course of Participant's association with the Constituent Companies, the Participant may, directly or indirectly, solicit or assist in soliciting clients or prospective clients of the Company and its Affiliates;

WHEREAS, the Participant acknowledges and agrees that such Confidential Information, Trade Secrets, and client or prospective client relationships of the Constituent Companies, as well as investments by the Constituent Companies in the training, skills, capabilities, knowledge and experience of their employees are extremely valuable assets, and that the Constituent Companies have invested and will continue to invest substantial time, effort and expense to develop Confidential Information, Trade Secrets, client or prospective client relationships, and the training, skills, capabilities, knowledge and experience of their employees, and which the Constituent Companies have taken all reasonable steps to protect;

WHEREAS, the Participant acknowledges and agrees that the terms and conditions set forth in this Agreement are reasonable, fair, and necessary to protect the Constituent Companies' legitimate business interests as described in the foregoing recital clauses; and

WHEREAS, the Participant acknowledges and agrees that the restricted share units ("RSUs") granted pursuant to Section 1 are good and valuable consideration for, and conditioned upon, the Participant's full compliance with the terms and conditions set forth in this Agreement, and that the Participant would forfeit such RSUs pursuant to Section 6 in the event the Participant were to engage in any of the activities defined in Section 6(c).

NOW, THEREFORE, for such good and valuable consideration, the Participant hereby covenants and agrees to the following terms and conditions, including, but not limited to, the provisions set forth in Sections 6(b) and 6(c), all of which the Participant acknowledges and agrees are reasonably designed to protect the legitimate business interests of the Constituent

Companies and which will not unreasonably affect the Participant's professional opportunities following termination of Participant's association with the Constituent Companies.

1. Grant of RSUs.

(a) The Company hereby grants the number of RSUs set forth in the Essential Grant Terms (as defined below) to the Participant set forth in the Essential Grant Terms, on the terms and conditions hereinafter set forth. This grant is made pursuant to the terms of the Amended and Restated Accenture plc 2010 Share Incentive Plan (the "Plan"), which Plan, as amended from time to time, is incorporated herein by reference and made a part of this Agreement (as defined below). Each RSU represents the unfunded, unsecured right of the Participant to receive and retain a Share on the date(s) specified herein, subject to the conditions specified herein. Capitalized terms not otherwise defined herein shall have the same meanings ascribed to them in the Plan.

(b) This grant of RSUs is subject to the CEO Discretionary Grant Restricted Share Unit Agreement Essential Grant Terms (the "Essential Grant Terms") displayed electronically on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com) and the Standard Form of CEO Discretionary Grant Restricted Share Unit Agreement Terms and Conditions which together constitute the CEO Discretionary Grant Restricted Share Unit Agreement (the "Agreement").

2. Vesting Schedule.

(a) Subject to the Participant's continued employment with any of the Constituent Companies, the RSUs shall vest pursuant to the vesting schedule set forth in the Essential Grant Terms (as modified by this Agreement) until such RSUs are one hundred percent (100%) vested. Upon the Participant's termination of employment for any reason, any unvested RSUs shall immediately terminate, and no further Shares shall be issued or transferred under Section 3 of this Agreement in respect of such unvested RSUs; provided, however, that if (i) the Participant's employment with the Constituent Companies terminates due to the Participant's death or Disability, the RSUs granted hereunder shall vest with respect to one hundred percent (100%) of the RSUs held by the Participant on the date of such termination of employment, or (ii) the Participant's employment with the Constituent Companies terminates due to an Involuntary Termination, a number of RSUs granted hereunder shall vest on the date of such Involuntary Termination equal to the total number of RSUs that would have otherwise vested within the twelve (12) month period immediately following such Involuntary Termination.

(b) For purposes of this Agreement:

(i) "Cause" shall have the meaning set forth in Section 3(c) below.

(ii) "Disability" shall have the meaning set forth in Section 3(b) below or, if applicable, Section 21(a) below.

(iii) "Involuntary Termination" shall mean termination of employment by or with the agreement of the employing Constituent Company (other than for Cause or Disability) which is not voluntary and which is recorded as "involuntary" by the Company. A resignation, voluntary retirement or other voluntary termination of employment by the Participant, is not an Involuntary Termination.

3. Form and Timing of Issuance or Transfer.

(a) In General.

(i) The Company shall issue or cause there to be transferred to the Participant that number of Shares as set forth in the Essential Grant Terms, until all of the Shares underlying the vested RSUs have been issued or transferred; provided that on each such delivery date, a number of RSUs equal to the number of Shares issued or transferred to the Participant shall be extinguished; provided further, that upon the issuance or transfer of Shares to the Participant, in lieu of a fractional Share, the Participant shall receive a cash payment equal to the Fair Market Value of such fractional Share. At the discretion of the Company, the Company may issue or transfer Shares underlying vested RSUs to the Participant earlier than the dates set forth in the Essential Grant Terms to the extent required to satisfy tax liabilities arising in connection with this RSU grant. Notwithstanding the foregoing, if the conditions set forth in Section 21 of this Agreement are satisfied, Section 21 shall supersede the foregoing.

(ii) Notwithstanding Section 3(a)(i), if the Participant is resident or employed outside the United States, the Company, in its sole discretion, may provide for the settlement of the RSUs in the form of:

(A) a cash payment (in an amount equal to the Fair Market Value of the Shares that corresponds with the number of vested RSUs) to the extent that settlement in Shares (i) is prohibited under local law, (ii) would require the Participant, the Company or Constituent Company to obtain the approval of any governmental or regulatory body in the Participant's country of residence (or country of employment, if different), (iii) would result in adverse tax consequences for the Participant, the Company or Constituent Company or (iv) is administratively burdensome; or

(B) Shares, but require the Participant to sell such Shares immediately or within a specified period following the Participant's termination of employment (in which case, the Participant hereby agrees that the Company shall have the authority to issue sale instructions in relation to such Shares on the Participant's behalf).

(b) Death or Disability. Notwithstanding Section 3(a) of this Agreement, if (i) the Participant's employment with the Constituent Companies terminates due to the Participant's

death or Disability, the Company shall issue or cause to be transferred to the Participant or to his or her estate, as the case may be, a number of Shares equal to the aggregate number of RSUs granted to the Participant hereunder (rounded down to the next whole Share) as soon as practicable following such termination of employment, at which time a number of RSUs equal to the number of Shares issued or transferred to the Participant or to his or her estate shall be extinguished or (ii) the Participant dies following an involuntary not for Cause termination of employment with the Constituent Companies, the Company shall issue or cause to be transferred to the Participant's estate all previously vested but unreleased Shares, if any (rounded down to the next whole Share) as soon as practicable following receipt of satisfactory evidence of such Participant's death; provided, however, that upon the issuance or transfer of Shares to the Participant or to his or her estate, in lieu of a fractional Share, the Participant or his or her estate, as the case may be, shall receive a cash payment equal to the Fair Market Value of such fractional Share.

For purposes of this Agreement, unless Section 21 applies, "Disability" shall mean "disability" as defined (i) in any employment agreement then in effect between the Participant and the Company or any Affiliate or (ii) if not defined therein, or if there shall be no such agreement, as defined in the long-term disability plan maintained by the Participant's employer as in effect from time to time, or (iii) if there shall be no plan, the inability of the Participant to perform in all material respects his or her duties and responsibilities to the Constituent Companies for a period of six (6) consecutive months or for an aggregate period of nine (9) months in any twenty-four (24) consecutive month period by reason of a physical or mental incapacity.

(c) Notwithstanding Sections 3(a) and 3(b) of this Agreement, upon the Participant's termination of employment with the Constituent Companies for Cause or to the extent that the Participant otherwise takes such action that would constitute Cause, to the extent legally permissible, any outstanding RSUs shall immediately terminate. For purposes of this Agreement, "Cause" shall mean "cause" as defined in any employment or consultancy agreement (or similar agreement) or in any letter of appointment then in effect between the Participant and the Company or any Affiliate or if not defined therein (it being the intent that the definition of "Cause" shall include, at a minimum, the acts set forth below), or if there shall be no such agreement, to the extent legally permissible, (a) the Participant's embezzlement, misappropriation of corporate funds, or other material acts of dishonesty, (b) the Participant's commission or conviction of any felony, or of any misdemeanor involving moral turpitude, or entry of a plea of guilty or nolo contendere to any felony or misdemeanor, (c) engagement in any activity that the Participant knows or should know could harm the business or reputation of the Company or an Affiliate, (d) the Participant's material failure to adhere to the Company's or an Affiliate's corporate codes, policies or procedures as in effect from time to time, (e) the Participant's continued and material failure to meet minimum performance standards as determined by the Company or an Affiliate, (f) the Participant's violation of any statutory, contractual, or common law duty or obligation to the Company or an Affiliate, including, without limitation, the duty of loyalty, or (g) the Participant's material breach of any confidentiality or non-competition covenant entered into between the Participant and the Company or an Affiliate, including, without limitation, the covenants contained in this Agreement. The determination of

the existence of Cause shall be made by the Company in good faith, which determination shall be conclusive for purposes of this Agreement.

4. Dividends. If on any date while RSUs are outstanding hereunder the Company shall pay any dividend on the Shares (other than a dividend payable in Shares), the number of RSUs granted to the Participant shall, as of such dividend payment date, be increased by a number of RSUs equal to: (a) the product of (x) the number of RSUs held by the Participant as of the related dividend record date, multiplied by (y) the per Share amount of any cash dividend (or, in the case of any dividend payable in whole or in part other than in cash, the per Share value of such dividend, as determined in good faith by the Committee), divided by (b) the Fair Market Value of a Share on the payment date of such dividend. In the case of any dividend declared on Shares that is payable in the form of Shares, the number of RSUs granted to the Participant shall be increased by a number equal to the product of (a) the aggregate number of RSUs held by the Participant through the related dividend record date, multiplied by (b) the number of Shares (including any fraction thereof) payable as a dividend on a Share. For the avoidance of doubt, any additional RSUs granted pursuant to this Section 4 shall be subject to the terms and conditions contained in this Agreement.

5. Adjustments Upon Certain Events. In the event of any change in the outstanding Shares by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, amalgamation, spin-off or combination transaction or exchange of Shares or other similar events (collectively, an "Adjustment Event"), the Committee may, in its sole discretion, adjust any Shares or RSUs subject to this Agreement to reflect such Adjustment Event.

6. Cancellation and Rescission of RSUs and Shares Underlying RSUs.

(a) Upon any transfer or issuance of Shares or cash underlying RSUs, the Participant shall certify in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of this Agreement and the Plan.

(b) In the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant for Cause, (ii) the Participant's employment with any of the Constituent Companies is terminated for Cause, or (iii) the Participant engages in any of the activities defined in subsection (c) below, the Company may require the Participant, to the extent legally permitted, to transfer to the Company up to a number of Shares equal to the number of Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above) and without regard to whether the Participant continues to own or control such previously delivered Shares, and the Participant shall bear all costs of transfer, including any transfer taxes that may be payable in connection with such transfer. Upon a showing satisfactory to the Company by Participant that the value of the Shares subject to transfer as described above exceeds the value of the actual benefit received by the Participant (as measured by the gross proceeds the Participant received upon the sale of Shares issued or transferred under this Agreement), then, with respect to such sold Shares, the transfer of Shares required under this Section 6(b) shall be limited to a number of Shares equivalent in value to such actual benefit received by the Participant. Upon receiving a demand from the Company to

transfer Shares to the Company pursuant to this subsection, the Participant shall effect the transfer of Shares to the Company by no later than ten (10) business days from the date of the Company's demand. For the avoidance of doubt, if the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority) and engages in any of the activity set forth in subsection (c)(i), the Company may require the Participant, to the extent legally permitted, to transfer to the Company up to a number of Shares equal to the number of Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above), as well as a number of Shares that have been issued or transferred under any prior agreement between the Company and the Participant, without regard to whether the Participant continues to own or control such previously delivered Shares and without regard to the actual benefit received by the Participant with respect to any Shares sold by the Participant, and the Participant shall bear all costs of transfer, including any transfer taxes that may be payable in connection with such transfer. Similarly, in the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant for Cause or (ii) the Participant engages in any of the activities defined in subsection (c) below, in either case at any time prior to the date that any Shares underlying RSUs granted under this Agreement have been issued or transferred, the RSUs granted hereunder (both vested and unvested) shall be forfeited immediately.

(c) In the event Participant engages in any of the activities defined in this subsection, Participant agrees to transfer Shares to the Company in accordance with any demand received from the Company for the transfer of Shares under subsection 6(b) above and/or that his award of RSUs will be forfeited in its entirety, as applicable:

(i) if the Participant's employment with any of the Constituent Companies terminates while the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority), the Participant shall not, for a period of twelve months following the termination of the Participant's employment with any of the Constituent Companies associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor or otherwise) with any Competitive Enterprise (or any of the affiliates, related entities, successors, or assigns of any Competitive Enterprise) that: (1) is identified on the list of competitors maintained by the Company on the myHoldings website (which list may be updated by the Company from time to time) as a Global Accenture Competitor or as being a competitor of any Restricted Business, and/or (2) is otherwise a competitor of any Restricted Business; provided, however, that with respect to the equity of any Competitive Enterprise which is or becomes publicly traded, the Participant's ownership as a passive investor of less than one percent (1%) of the outstanding publicly traded stock of a Competitive Enterprise shall not be deemed a violation of this subsection 6(c)(i);

(ii) the Participant shall not, for a period of twelve months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly (A) solicit, or assist any other individual, person, firm or other entity in soliciting, any Restricted Client or Restricted Prospective Client for the purpose

of performing or providing any Relevant Services; (B) perform or provide, or assist any other individual, person, firm or other entity in performing or providing, Relevant Services for any Restricted Client or Restricted Prospective Client; or (C) interfere with or damage (or attempt to interfere with or damage) any relationship and/or agreement between the Company or any Affiliates and a Restricted Client or Restricted Prospective Client;

(iii) the Participant shall not, for a period of twelve months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly, solicit, employ or retain, or assist any other individual, person, firm or other entity in soliciting, employing or retaining, any employee or other agent of the Company or an Affiliate, (A) with whom the Participant has had material dealings; (B) from whom, or as a result of contact with whom, the Participant has obtained Confidential Information or Trade Secrets; or (C) whom the Participant has supervised on a client or prospective client engagement, in the twenty-four months preceding the termination of the Participant's employment with the Constituent Companies; or

(iv) the Participant shall not, unless the Participant has received the prior written consent of the Company or its Affiliates or is otherwise required by law, either directly or indirectly, use, sell, lend, lease, distribute, license, give, transfer, assign, show, disseminate, divulge, disclose, reveal, share, provide access to, reproduce, copy, distribute, publish, appropriate, or otherwise communicate any Confidential Information or Trade Secrets at any time following the termination of the Participant's employment with the relevant Constituent Company. If the Participant is requested or required pursuant to any legal, governmental or investigatory proceeding or process or otherwise, to disclose any Confidential Information or Trade Secrets, the Participant shall promptly notify the Company in writing so that the Company may seek a protective order or other appropriate remedy, or, if it chooses, waive compliance with the applicable provision of this Agreement. The Participant's obligation of non-disclosure as set forth herein shall continue for so long as such item continues to constitute Confidential Information. Notwithstanding the foregoing, if Participant makes a confidential disclosure of a Trade Secret or other Confidential Information to a government official or an attorney for the sole purpose of reporting or investigating a suspected violation of law, or in a court filing under seal, Participant shall not be held liable under this Agreement or under any federal or state trade secret law for such a disclosure. Additionally, if the Participant files a lawsuit in the United States for retaliation by the Company for reporting a suspected violation of the law, the Participant may disclose Trade Secret information to the Participant's attorney, and can use the Trade Secret information in sealed filings in the court proceeding, or pursuant to a court order, as long as the Participant does not otherwise disclose the Trade Secret.

(d) In the event that (i) the Participant's employment with any of the Constituent Companies is terminated for Cause, or (ii) the Participant engages in any of the activities defined in subsection (c) above, the Company's remedy shall be limited to the recovery of Shares as set forth in subsection (b) above; provided, however, that nothing in this Agreement

is intended to or should be interpreted as diminishing any rights and remedies that Affiliates may have, at law or equity, related to investments by the Constituent Companies in Confidential Information, Trade Secrets, clients and prospective client relationships, and the training, skills, capabilities, knowledge and experience of employees, including, but not limited to, any rights and remedies set forth in the Participant's employment agreement, confidentiality agreement, intellectual property agreement, restrictive covenant agreement, or any other agreement entered into between the Participant and an Affiliate of the Company.

(e) This Section 6 shall be interpreted and applied in a consistent manner to any cash paid to the Participant in accordance with Section 3(a)(ii). For the sake of clarity, cash paid to the Participant to settle vested RSUs in accordance with Section 3(a)(ii) shall be subject to forfeiture/recoupment/repayment under this Section 6 on the same basis as if such RSUs were settled with Shares.

(f) For purposes of this Agreement:

Participant has provided services, has been materially concerned or has been responsible in the twenty-four months preceding the termination of the Participant's employment with the Constituent Companies.

(ix) "Restricted Client" shall mean any person, firm, corporation or other organization to whom the Participant directly or indirectly performed or assisted in performing Relevant Services, or with which the Participant otherwise had material contact, or about which the Participant learned Confidential Information or Trade Secrets, within the twenty-four months prior to the date on which the Participant's employment with the Constituent Companies terminated.

(x) "Restricted Prospective Client" shall mean any person, firm, corporation, or other organization with which the Participant directly or indirectly had any negotiations or discussions regarding the possible performance of services by the Company, or about which the Participant learned Confidential Information or Trade Secrets within the twelve months prior to the date of the Participant's termination of employment with the Constituent Companies.

(xi) "Solicit" shall mean to have any direct or indirect communication of any kind whatsoever, regardless of by whom initiated, inviting, advising, encouraging or requesting any person or entity, in any manner, to take or refrain from taking any action.

(g) If, during the twelve month period following the termination of the Participant's employment with the Constituent Companies, the Participant is presented with an opportunity that might involve participation in any of the activities defined in Section 6(c) above, Participant shall notify the Company in writing of the nature of the opportunity (the "Conflicting Activity"). Following receipt of sufficient information concerning the Conflicting Activity, the Company will advise Participant in writing whether the Company considers the Participant's RSUs to be subject to Section 6(b)(ii) above. The Company retains sole discretion to determine whether Participant's RSUs are subject to Section 6(b)(ii) and to alter its determination should additional or different facts become known to the Company.

7. Data Protection. The Participant consents to the collection and processing (including international transfer) of personal data as set out in Appendix A for the purposes specified therein.

8. Collateral Agreements. As a condition to the issuance or transfer of the Shares underlying the RSUs granted hereunder, the Participant shall, to the degree reasonably required by the Company, (a) execute and return to the Company a counterpart of this Agreement (or, if acceptable to the Company, acknowledge receipt and agreement of the terms of this Agreement electronically), all in accordance with the instructions provided by the Company and (b) to the extent required by the Company, either (i) execute and return an employment agreement, a consultancy agreement, a letter of appointment and/or an intellectual property agreement, in form and substance satisfactory to the Company, or (ii) provide evidence satisfactory to the Company that the agreements referenced in clause (i) have been previously executed by the Participant.

9. Nature of Grant. In accepting the grant, the Participant acknowledges, understands and agrees that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Board at any time;

(b) the grant of the RSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs (whether on the same or different terms), or benefits in lieu of RSUs, even if RSUs have been granted in the past;

(c) all decisions with respect to future grants of RSUs or other grants, if any, will be at the sole discretion of the Committee, including, but not limited to, the form and timing of the grant, the number of Shares subject to the grant, and the vesting provisions applicable to the grant;

(d) the RSU grant and the Participant's participation in the Plan shall not create a right to employment or be interpreted as forming an employment or services contract with the Company or any Constituent Company and shall not interfere with the ability of the Company, or Constituent Company, as applicable, to terminate Participant's employment or service relationship;

(e) the Participant is voluntarily participating in the Plan;

(f) Shares (or cash) will be issued to the Participant only if the vesting conditions are met and any necessary services are rendered by the Participant over the vesting period;

(g) the RSUs and the Shares (or cash) subject to the RSUs are not intended to replace any pension rights or compensation;

(h) the RSUs and the Shares subject to the RSUs, and the income and value thereof, are an extraordinary item of compensation outside the scope of the Participant's employment (and employment contract, if any) and is not part of normal or expected compensation for any purpose, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(i) the future value of the Shares underlying the RSUs is unknown, indeterminable and cannot be predicted with certainty;

(j) no claim or entitlement to compensation or damages to or for the Participant shall arise from cancellation of the RSUs upon any failure to satisfy a term or condition of the RSUs or forfeiture of RSUs resulting from the Participant ceasing to be employed or otherwise providing services to the Company or Constituent Company;

(k) unless otherwise provided herein, in the Plan or by the Company in its discretion, the RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares of the Company; and

(l) if the Participant resides or is employed outside the United States, the Participant acknowledges and agrees that neither the Company nor any Constituent Company shall be liable for any exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the RSUs or of any amounts due to Participant pursuant to the settlement of the RSUs or the subsequent sale of any Shares acquired upon settlement.

10. **No Rights of a Shareholder**. The Participant shall not have any rights as a shareholder of the Company until the Shares in question have been registered in the Company's register of shareholders.

11. **Legend on Certificates.** Any Shares issued or transferred to the Participant pursuant to Section 3 of this Agreement shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the U.S. Securities and Exchange Commission, any stock exchange upon which such Shares are listed, any applicable U.S. Federal or state laws or relevant securities laws of the jurisdiction of the domicile of the Participant or to ensure compliance with any additional transfer restrictions that may be in effect from time to time, and the Committee may cause a legend or legends to be put on any certificates representing such Shares to make appropriate reference to such restrictions.

12. **Transferability Restrictions – RSUs/Underlying Shares.** RSUs may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance not permitted by this

Section 12 shall be void and unenforceable against any Constituent Company. Any Shares issued or transferred to the Participant shall be subject to compliance by the Participant with such policies as the Committee or the Company may deem advisable from time to time, including, without limitation, any policies relating to certain minimum share ownership requirements. Such policies shall be binding upon the permitted respective legatees, legal representatives, successors and assigns of the Participant. The Company shall give notice of any such additional or modified terms and restrictions applicable to Shares delivered or deliverable under this Agreement to the holder of the RSUs and/or the Shares so delivered, as appropriate, pursuant to the provisions of Section 13 or, if a valid address does not appear to exist in the personnel records, to the last address known by the Company of such holder. Notice of any such changes may be provided electronically, including, without limitation, by publication of such changes to a central website to which any holder of the RSUs or Shares issued therefrom has access.

13. Notices. Any notice to be given under this Agreement shall be addressed to the Company in care of its General Counsel at:

Accenture
161 N. Clark Street
Chicago, IL 60601
USA
Telecopy: +1 (312) 652-5619
Attn: General Counsel

(or, if different, the then current principal business address of the duly appointed General Counsel of the Company) and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party at such other address as either party hereto may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

14. Tax Withholding.

(a) Regardless of any action the Company or Constituent Company takes with respect to any or all income tax (including U.S. federal, state and local taxes or non-U.S. taxes), social insurance, payroll tax, fringe benefit, payment on account or other tax-related withholding ("Tax-Related Items"), the Participant acknowledges that the ultimate liability for all Tax-Related Items legally due by the Participant is and remains the Participant's responsibility and that the Company and Constituent Company (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSUs, including the grant of the RSUs, the vesting of the RSUs, the delivery or sale of any Shares or cash acquired pursuant to the RSUs and the issuance of any dividends, and (ii) do not commit to structure the terms of the grant or any aspect of the RSUs to reduce or eliminate the Participant's liability for Tax-Related Items.

(b) To the extent that the grant or vesting of the RSUs, the delivery of Shares or cash pursuant to the RSUs or issuance of dividends results in a withholding obligation for

Tax-Related Items, unless otherwise specifically approved and directed by the Committee, the Participant authorizes the Company, Constituent Company or agent of the Company or Constituent Company to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company or the Constituent Company; (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent); or (iii) withholding from the Shares to be delivered upon settlement of the RSUs that number of Shares having a Fair Market Value equal to the amount required by law to be withheld. If the Participant is subject to taxation in more than one jurisdiction, the Participant acknowledges that the Company may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(c) Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates (as determined by the Company in good faith and in its sole discretion) or other applicable withholding rates, including maximum applicable rates, in which case Participant will receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. The Company shall repay any excess amounts due to the Participant within, where administratively feasible, thirty (30) days of withholding. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the vested RSUs, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

(d) The Participant agrees to pay to the Company or Constituent Company, any amount of Tax-Related Items that the Company or Constituent Company may be required to withhold or account for as a result of Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares, cash or the proceeds of the sale of Shares, if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

(e) The Participant hereby acknowledges that he or she will not be entitled to any interest or appreciation on Shares sold to satisfy the tax withholding requirements (including with respect to any amounts withheld in excess of the Participant's tax liability).

15. Choice of Law and Dispute Resolution

(a) THE INTERPRETATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

(b) Subject to subsections (c) through (f), any and all disputes which cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance and/or termination of this Agreement and any amendment thereto (including without limitation the validity, scope and enforceability of this arbitration provision) (each a

"Dispute") shall be finally settled by arbitration conducted by a single arbitrator in New York in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce ("ICC"), except that the parties may select an arbitrator who is a national of the same country as one of the parties. If the parties to the dispute fail to agree on the selection of an arbitrator within thirty (30) days of the receipt of the request for arbitration, the ICC shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. In the event of any arbitration between the parties, the Company shall consent to a request by the Participant to hold arbitral proceedings, including any evidentiary hearings, in the country in which the Participant principally conducts his/her business for the convenience of the parties and witnesses, it being understood, however, that the legal situs of the arbitration shall remain in New York. Each side will bear its own costs and attorneys' fees.

(c) Either party may bring an action or proceeding in any court having jurisdiction thereof for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and/or in support of the arbitration as permitted by any applicable arbitration law and, for the purposes of this subsection (c), each party expressly consents to the application of subsections (e) and (f) to any such suit, action or proceeding.

(d) Judgment on any award(s) rendered by the tribunal may be entered in any court having jurisdiction thereof.

(e) (i) Each party hereby irrevocably submits to the non-exclusive jurisdiction of the Courts located in New York, United States for the purpose of any suit, action or proceeding brought in accordance with the provisions of subsection (c). The parties acknowledge that the forum designated by this subsection (e) has a reasonable relation to this Agreement, and to the parties' relationship with one another.

(ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to any right to assert personal jurisdiction in any other forum or to the laying of venue of any suit, action or proceeding brought in any court referred to in subsection (e)(i) pursuant to subsection (c) and such parties agree not to plead or claim the same, or to seek anti-suit relief or any other remedy to deny the arbitral jurisdiction referred to in subsection (b).The parties agree that if a suit, action or proceeding is brought under subsection (c), proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and they irrevocably appoint the General Counsel of the Company, c/o Accenture, 161 N. Clark Street, Chicago, IL 60601 USA (or, if different, the then-current principal business address of the duly appointed General Counsel of the Company) as such party's agent for service of process in connection with any such action or proceeding and agree that service of process upon such agent, who shall promptly advise such party of any such service of process, shall be deemed in every respect effective service of process upon the party in any such action or proceeding.

16. Severability. This Agreement shall be enforceable to the fullest extent allowed by law. In the event that a court or appointed arbitrator holds any provision of this

Agreement to be invalid or unenforceable, then, if allowed by law, that provision shall be reduced, modified or otherwise conformed to the relevant law, judgment or determination to the degree necessary to render it valid and enforceable without affecting the rest of this Agreement. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be deemed severable from the remainder of this Agreement, and the remaining provisions contained in this Agreement shall be construed to preserve to the maximum permissible extent the intent and purposes of this Agreement. Any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

17. RSUs Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. All RSUs are subject to the Plan. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail.

18. Amendments. The rights and obligations under this Agreement and their enforceability are subject to local tax and foreign exchange laws and regulations and, in this sense, the terms and conditions contained herein may be amended at the sole discretion of the Company and/or the Committee in order to comply with any such laws and regulations.

19. Signature in Counterparts. To the extent that this Agreement is manually signed, instead of electronically accepted by the Participant (if permitted by the Company), it may be signed in counterparts, each of which shall be deemed an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

20. Administration; Consent. In order to manage compliance with the terms of this Agreement, Shares delivered pursuant to this Agreement may, at the sole discretion of the Company, be registered in the name of the nominee for the holder of the Shares and/or held in the custody of a custodian until otherwise determined by the Company. To that end, by acceptance of this Agreement, the holder hereby appoints the Company, with full power of substitution and resubstitution, his or her true and lawful attorney-in-fact to assign, endorse and register for transfer into such nominee's name or deliver to such custodian any such Shares, granting to such attorneys, and each of them, full power and authority to do and perform each and every act and thing whatsoever that such attorney or attorneys may deem necessary, advisable or appropriate to carry out fully the intent of this Section 20 as such person might or could do personally. It is understood and agreed by each holder of the Shares delivered under this Agreement that this appointment, empowerment and authorization may be exercised by the aforementioned persons with respect to all Shares delivered pursuant to this Agreement of such holder, and held of record by another person or entity, for the period beginning on the date hereof and ending on the later of the date this Agreement is terminated and the date that is ten years following the last date Shares are delivered pursuant to this Agreement. The form of the custody agreement and the identity of the custodian and/or nominee shall be as determined from time to time by the Company in its sole discretion. A holder of Shares delivered pursuant to this Agreement acknowledges and agrees that the Company may refuse to register the transfer of and

enter stop transfer orders against the transfer of such Shares except for transfers deemed by it in its sole discretion to be in compliance with the terms of this Agreement. The Company reserves the right to impose other requirements on the RSUs, any Shares acquired pursuant to the RSUs and the Participant's participation in the Plan to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the RSUs and the Plan. Such requirements may include (but are not limited to) requiring the Participant to sign any agreements, undertakings or additional documents that may be necessary to accomplish the foregoing. The Participant agrees to take such other actions as may be deemed reasonably necessary or desirable by the Company to effect the provisions of this Agreement, as in effect from time to time. Each holder of Shares delivered pursuant to this Agreement or any prior agreement between the Company and the Participant acknowledges and agrees that the Company may impose a legend on any document relating to Shares issued or issuable pursuant to this Agreement conspicuously referencing the restrictions applicable to such Shares, and may instruct the administrator of any brokerage account into which Shares have been initially deposited to freeze or otherwise prevent the disposition of such Shares.

21. Section 409A - Disability, Deferral Elections, Payments to Specified Employees, and Interpretation of Grant Terms. If the Participant is subject to income taxation on the income resulting from this Agreement under the laws of the United States, and the foregoing provisions of this Agreement would result in adverse tax consequences to the Participant, as determined by the Company, under Section 409A of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), then the following provisions shall apply and supersede the foregoing provisions:

(a) "Disability" shall mean a disability within the meaning of Section 409A(a)(2)(C) of the Code.

(b) Deferral elections made by U.S. taxpayers are subject to Section 409A of the Code. The Company will use commercially reasonable efforts to not permit RSUs to be deferred, accelerated, released, extended, paid out or modified in a manner that would result in the imposition of an additional tax under Section 409A of the Code. In the event that it is reasonably determined by the Company that, as a result of Section 409A of the Code, payments or delivery of the Shares underlying the RSU award granted pursuant to this Agreement may not be made at the time contemplated by the terms of the RSU award or the Participant's deferral election, as the case may be, without causing the Participant to be subject to taxation under Section 409A of the Code, the Company will make such payment or share delivery as soon as practicable on or following the first day that would not result in the Participant's incurring any tax liability under Section 409A of the Code, and in any event, no later than the last day of the calendar year in which such first date occurs.

(c) If the Participant is a "specified employee" (within the meaning of Section 409A(a)(2)(B)(i) of the Code), payments and deliveries of shares in respect of any RSUs subject to Section 409A of the Code that are linked to the date of the Participant's separation from service shall not be made prior to the date which is six (6) months after the date of the

Participant's separation from service from the Company or any of its Affiliates, determined in accordance with Section 409A of the Code and the regulations promulgated thereunder.

(d) The Company shall use commercially reasonable efforts to avoid subjecting the Participant to any additional taxation under Section 409A of the Code as described herein; provided that neither the Company nor any of its employees, agents, directors or representatives shall have any liability to the Participant with respect to Section 409A of the Code.

22. Electronic Delivery. The Company may, in its sole discretion, deliver by electronic means any documents related to the RSUs or the Participant's future participation in the Plan. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

23. English Language. If the Participant is resident in a country where English is not an official language, the Participant acknowledges and agrees that it is the Participant's express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the grant of RSUs, be drawn up in English. If the Participant has received this Agreement, the Plan or any other documents related to the RSUs translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version will control.

24. Repatriation; Compliance with Law. If the Participant is resident or employed outside the United States, the Participant agrees to repatriate all payments attributable to the Shares and/or cash acquired under the Plan in accordance with applicable foreign exchange rules and regulations in the Participant's country of residence (and country of employment, if different). In addition, the Participant agrees to take any and all actions, and consents to any and all actions taken by the Company and Constituent Companies, as may be required to allow the Company and Constituent Companies to comply with local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different). Further, the Participant agrees to take any and all actions as may be required to comply with the Participant's personal obligations under local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different).

25. Insider Trading / Market Abuse Laws. By participating in the Plan, the Participant agrees to comply with the Company's policy on insider trading. The Participant further acknowledges that the Participant may be subject to local insider trading and/or market abuse laws and regulations that are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Participant acknowledges that it is the Participant's personal responsibility to comply with any applicable restrictions, and that the Participant should consult the Participant's personal advisor on this matter.

26. Appendix B. Notwithstanding any provision of this Agreement to the contrary, the RSUs shall be subject to any special terms and conditions for the Participant's

jurisdiction of residence (and jurisdiction of employment, if different) as set forth in Appendix B to the Agreement, if applicable, which shall constitute part of this Agreement.

27. Recoupment. The RSUs granted under this Agreement, and any Shares issued or other payments made in respect thereof, shall be subject to any recoupment policy that the Company may adopt from time to time, to the extent any such policy is applicable to the Participant. By accepting the grant of RSUs under this Agreement the Participant agrees and consents to the Company's application, implementation and enforcement of (a) the recoupment policy and (b) any provision of applicable law relating to cancellation, recoupment, rescission or payback of compensation and expressly agrees that the Company may take such actions as are necessary to effectuate the recoupment policy (as applicable to the Participant) or applicable law without further consent or action being required by the Participant. For purposes of the foregoing, the Participant expressly and explicitly authorizes the Company to issue instructions, on the Participant's behalf, to any brokerage firm and/or third party administrator engaged by the Company to hold the Participant's Shares and other amounts acquired under the Plan to re-convey, transfer or otherwise return such Shares and/or other amounts to the Company. To the extent that the terms of this Agreement and the recoupment policy conflict, the terms of the recoupment policy shall prevail.

28. Entire Agreement. This Agreement, including the Plan, as provided therein, contains the entire agreement between the parties with respect to the subject matter therein and supersedes all prior oral and written agreements between the parties pertaining to such matters. Participant acknowledges and agrees that this Agreement, including the Plan, and all prior RSU or other equity grant agreements between the Company and its assignor Accenture Ltd, on the one hand, and Participant, on the other, are separate from, and shall not be modified or superseded in any way by any other agreements, including employment agreements, entered into between Participant and the Company's Affiliates.

29. Waiver. No waiver of any breach or condition of this Agreement shall be deemed to be a waiver of any other or subsequent breach or condition, whether of like or different nature.

30. Electronic Signature. Participant acknowledges and agrees that by clicking the "Accept Grant Online" button on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com), it will act as the Participant's electronic signature to this Agreement and will constitute Participant's acceptance of and agreement with all of the terms and conditions of the RSUs, as set forth in this Agreement, the Essential Grant Terms and the Plan.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective as of the Date of Grant set forth on the attached Essential Grant Terms.

Any such processing shall be in accordance with the purposes and provisions of this data protection provision. References in this provision to the Company and its Affiliates include the Participant's employer.

This includes the following categories of data ("Data"):

(i) Data already held in the Participant's records such as the Participant's name and address, ID number, payroll number, length of service and whether the Participant works full-time or part time;

(ii) Data collected upon the Participant accepting the rights granted under the Plan (if applicable);

(iii) Data subsequently collected by the Company or any of its Affiliates in relation to the Participant's continued participation in the Plan, for example, data about shares offered or received, purchased or sold under the Plan from time to time and other appropriate financial and other data about the Participant and his or her participation in the Plan (e.g., the date on which shares were granted, termination of employment and the reasons of termination of employment or retirement of the Participant); and

(iv) Other personal information about the Participant, including, but not limited to, telephone number, date of birth, social insurance number, tax identification number, resident registration number or other identification number, salary, nationality, job title or any other information necessary for implementing, administering, and managing the Plan.

(b) Access to the Participant's personal Data within the Company will be limited to those employees who have a need to know the information for the purposes described in this Appendix A, which may include personnel in HR, IT, Compliance, Legal, Finance and Accounting, Corporate Investigations and Internal Audit.

(c) The Company and its Affiliates shall retain the Data of the Participant for as long as necessary for the above mentioned purposes. In particular:

- the Company retains the Participant's Data during the term of the Plan;
- the Company retains the Participant's Data where it is required to do so by a legal obligation to which it is subject;
- the Company retains the Participant's Data where this is advisable to safeguard or improve the Company's legal position (for instance in relation to statutes of limitations, litigation, or regulatory investigations).

(d) This consent is in addition to and does not affect any previous consent provided by the Participant to the Company or its Affiliates. The Participant has the right to withdraw its consent at any time by contacting the Company's data protection officer at dataprivacyofficer@accenture.com.

(e) In particular, the Participant expressly consents to the transfer of personal data about the Participant as described in paragraph (a) above by the Company and its Affiliates. Data may be transferred not only within the country in which the Participant is based from time to time or within the EU or the European Economic Area ("EEA"), but also worldwide, to other employees and officers of the Company and its Affiliates and to the following third parties for the purposes described in paragraph (a) above:

(i) Plan administrators, auditors, brokers, agents and contractors of, and third party service providers to, the Company or its Affiliates such as printers and mail houses engaged to print or distribute notices or communications about the Plan;

(ii) regulators, tax authorities, stock or security exchanges and other supervisory, regulatory, governmental or public bodies as required by law or otherwise deemed necessary by the Company or its Affiliates;

(iii) actual or proposed merger partners or proposed assignees of, or those taking or proposing to take security over, the business or assets of the Company or its Affiliates and their agents and contractors;

(iv) other third parties to whom the Company or its Affiliates may need to communicate/transfer the data in connection with the administration of the Plan, under a duty of confidentiality to the Company and its Affiliates; and

(v) the Participant's family members, physicians, heirs, legatees and others associated with the Participant in connection with the Plan.

Not all countries, where the personal data may be transferred to, have an equal level of data protection as in the EU or the European Economic Area. Countries to which data are transferred include the USA and Ireland and other locations where the Company and its Affiliates, as applicable, administer the Plan. The Company has internal policies to ensure an equivalent level of protection is in place across the Company's worldwide organization. Any transfers of the Participant's personal Data to other offices of the

Company will be governed by the Company's binding corporate rules (a copy of which can be found at https://www.accenture.com/t00010101T000000Z__w__/gb-en/_acnmedia/PDF-52/Accenture-Public-Facing-BCR-June-2017.pdf). All national and international transfer of personal data is only done in order to fulfill the obligations and rights of the Company and/or its Affiliates under the Plan.

The Participant has the right to be informed whether the Company or its Affiliates hold personal data about the Participant and, to the extent they do so, to have access to those personal data at no charge and require them to be corrected if they are inaccurate and to request the erasure, request the restriction of processing or object to the processing and withdraw his or her consent. The Participant also has the right to request a copy or the portability of its personal Data which it provided to the Company. The Participant is entitled to all the other rights provided for by applicable data protection law, including those detailed in any applicable documentation or guidelines provided to the Participant by the Company or its Affiliates in the past. More detailed information is available to the Participant by contacting the appropriate local data protection officer in the country in which the Participant is based from time to time. If the Participant has a complaint regarding the manner in which personal information relating to the Participant is dealt with, the Participant should contact the appropriate local data protection officer referred to above. The Participant also has the right to lodge a complaint with the competent data protection authority.

(f) The Participant understands that the Participant may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data, or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Participant's local data contact referred to above. The Participant understands, however, that refusing or withdrawing the Participant's consent may affect the Participant's ability to participate in the Plan (and may result in the forfeiture of unvested RSUs). For more information on the consequences of the Participant's refusal to consent or withdrawal of consent, the Participant understands that the Participant may contact the data protection officer referred to above.

(g) Finally, upon request of the Company, the Participant agrees to provide an executed data privacy consent form (or any other agreements or consents that may be required by the Company) that the Company may deem necessary to obtain from the Participant for the purposes of administering the Participant's participation in the Plan in compliance with the data privacy laws in the Participant's country, either now or in the future. The Participant understands and agrees that the Participant will not be able to participate in the Plan if the Participant fails to provide any such consent or agreement requested by the Company.

WHEREAS, the Participant acknowledges and agrees that the restricted share units ("RSUs") granted pursuant to Section 1 are good and valuable consideration for, and conditioned upon, the Participant's full compliance with the terms and conditions set forth in this Agreement, and that the Participant would forfeit such RSUs pursuant to Section 6 in the event the Participant were to engage in any of the activities defined in Section 6(c).

NOW, THEREFORE, for such good and valuable consideration, the Participant hereby covenants and agrees to the following terms and conditions, including, but not limited to, the provisions set forth in Sections 6(b) and 6(c), all of which the Participant acknowledges and agrees are reasonably designed to protect the legitimate business interests of the Constituent

The Company hereby grants as of 1 March 2020 the number of RSUs as set forth in the Essential Grant Terms (as defined below) to the Participant on the terms and conditions hereinafter set forth. This grant is made pursuant to the terms of the Amended and Restated Accenture plc 2010 Share Incentive Plan (the "Plan"), which Plan, as amended from time to time, is incorporated herein by reference and made a part of this Agreement (as defined below). Each RSU represents the unfunded, unsecured right of the Participant to receive and retain a Share on the date(s) specified herein, subject to the conditions specified herein. Capitalized terms not otherwise defined herein shall have the same meanings ascribed to them in the Plan.

This grant of RSUs is subject to the Next Generation Leadership Performance Share Program Essential Grant Terms (the "Essential Grant Terms") displayed electronically on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com) and the Restricted Share Unit Agreement, which together constitute the Next Generation Leadership Performance Share Program Restricted Share Unit Agreement (the "Agreement"). The parties further agree as follows:

1. Performance-Based Vesting.

(a) Performance Period. (b) Service Relationship. Market Value of the stock of the company on 31 August 2022 shall be multiplied by the sum of (Y) one (1) plus (Z) the number of whole and fractional shares of the stock of the company that (i) were actually received in respect of one share (or such greater number of shares that are deemed to have been held at such time pursuant to this clause (c)(ii)) by way of a stock dividend and (ii) would otherwise result assuming each cash dividend paid on the stock (or fair market value of any in-kind dividend, as determined by the Committee) of the company during the Performance Period was used to purchase additional whole and/or fractional shares of stock of the company on the record date of such dividend based on the fair market value of the stock of the company (as determined by the Committee), or with respect to the Company, the Fair Market Value of a Share, on the record date of such dividend.

(iii) If at any time prior to the completion of the Performance Period, a TSR Comparison Company ceases to be a publicly-traded company, merges or consolidates with another company, is acquired or disposes of or spins off a significant portion of its businesses as they exist on the date of this Agreement or experiences any other extraordinary event as determined by the Committee, the Committee, in its sole discretion, may remove such TSR Comparison Company, ratably adjust the calculation of the Total Shareholder Return with respect to such TSR Comparison Company, include any applicable successor entity or spun off entity as a new TSR Comparison Company, determine the extent to which any distribution in kind should be valued for purposes of calculating Total Shareholder Return or make such other appropriate adjustments as determined by the Committee.

(iv) For purposes of this Agreement: (i) "TSR Comparison Companies" shall mean Aon plc (AON), Automatic Data Processing, Inc. (ADP), Capgemini SE (CAP), Cisco Systems, Inc. (MMC), Microsoft Corporation (MSFT), Oracle Corporation (ORCL), SAP SE (SAP) and the S&P 500 Total Return Index (SPX); and (ii) the "Fair Market Value" of (A) a share of stock of a company on a given date shall mean the average of the high and low trading price of the stock of the company, as reported on the principal exchange on which the stock of such company is traded (or, if the stock is not traded on an exchange but is quoted on Nasdaq or a successor quotation system, the average of the mean between the closing representative bid and asked prices for the stock) and (B) for the S&P 500 Total Return Index on a given date shall mean the average of the high and low values for such index as reported in the Wall Street Journal (or, if the S&P 500 Total Return Index is not reported in the Wall Street Journal, in such other reliable source as the Company may determine), in each case for the ten (10) consecutive trading days immediately preceding such date.

(d) Revenue Growth Rate.

(i) Up to seventy-five percent (75%) of the RSUs granted to the Participant pursuant to this Agreement shall vest, if at all, based upon the Company's Compound Annual Growth Rate ("CAGR") over the Performance Period as compared to the CAGR of the Revenue Growth Comparison Companies for the Performance Period, in the manner set forth on Exhibit 1-B hereto.

(ii) If at any time prior to the completion of the Performance Period, a Revenue Growth Comparison Company ceases to be a publicly-traded company, merges or consolidates with another company, is acquired or disposes of or spins off a significant portion of its businesses as they exist on the date of this Agreement or experiences any other extraordinary event as determined by the Committee, the Committee, in its sole discretion, may remove such Revenue Growth Comparison Company, ratably adjust the calculation of revenue with respect to such Revenue Growth Comparison Company, include any applicable successor entity or spun off entity as a new Revenue Growth Comparison Company, determine the extent to which any distribution in kind should be valued for purposes of calculating Revenue Growth or make such other appropriate adjustments as determined by the Committee.

(e) Certification. No RSUs granted to the Participant hereunder shall vest in accordance with Sections 1(c) or (d) unless and until the Committee makes a certification in writing with respect to the achievement of the Performance Objectives for the Performance Period. Following the end of the Performance Period, the Committee shall review and determine whether the Performance Objectives have been met within a reasonable period following the availability of all data necessary to determine whether the Performance Objectives have been achieved, and not later than 31 December 2022, shall certify such finding to the Company and to the Participant.

2. Termination of Employment.

(a) Termination as a result of death, Disability, or Involuntary Termination; Specified Age Attainment. Notwithstanding anything in Section 1 to the contrary, the RSUs granted hereunder shall vest upon the termination of the Participant's Qualified Status as a result of death, Disability (as defined below), Involuntary Termination (as defined below) or if the Participant's Qualified Status has terminated as a result of voluntary termination before the end of the Performance Period and Participant has attained a certain age, all as follows:

(ii) Involuntary Termination. In the event the Participant's Qualified Status is terminated during the Performance Period due to an Involuntary Termination, the RSUs granted to the Participant hereunder shall remain outstanding throughout the Performance Period and until the Vesting Date. On the Vesting Date, the Participant shall vest in the number of RSUs granted hereunder equal to the product of (i) the aggregate number of RSUs that would otherwise vest on the Vesting Date in accordance with Sections 1(c) or (d), multiplied by (ii) a fraction, the numerator of which is the whole number of months that have elapsed from 1 March 2020 through the effective date of the Participant's Involuntary Termination or the last day of the Performance Period (whichever is earlier) and the denominator of which is thirty (30).

(iii) Specified Age Attainment. by the Company or an Affiliate, (f) the Participant's violation of any statutory, contractual, or common law duty or obligation to the Company or an Affiliate, including, without limitation, the duty of loyalty, or (g) the Participant's material breach of any confidentiality or non-competition covenant entered into between the Participant and the Company or an Affiliate, including, without limitation, the covenants contained in this Agreement. The determination of the existence of Cause shall be made by the Company in good faith, which determination shall be conclusive for purposes of this Agreement.

(ii) Unless Section 23 applies, "Disability" shall mean "disability" (A) as defined in any employment or consultancy agreement (or similar agreement) or in any letter of appointment then in effect between the Participant and the Company or any Affiliate or (B) if not defined therein, or if there shall be no such agreement, as defined in the long-term disability plan maintained by the Constituent Company by which the Participant is employed or for which the Participant serves as a consultant or by appointment, as in effect from time to time, or (C) if there shall be no plan, the inability of the Participant to perform in all material respects his or her duties and responsibilities to the Constituent Companies for a period of six (6) consecutive months or for an aggregate period of nine (9) months in any twenty-four (24) consecutive month period by reason of a physical or mental incapacity.

(iii) "Involuntary Termination" shall mean termination of Qualified Status, as applicable, by or with the agreement of the employing Constituent Company (other than for Cause or Disability) which is not voluntary and which is recorded as "involuntary" by the Company. A resignation, retirement or other voluntary termination of Qualified Status by the Participant, is not an Involuntary Termination.

(iv) "Vesting Date" shall mean the date the Committee certifies the achievement of the Performance Objectives pursuant to paragraph 1(e) above.

3. Form and Timing of Issuance or Transfer.

(a) Vested RSUs. The Company shall issue or cause there to be transferred to the Participant that number of Shares as determined by the Committee pursuant to Section 1(e) hereof to have vested under this RSU award; provided however, that in lieu of Shares, fractional vested RSUs shall be distributed to the Participant in cash based upon the Fair Market Value of a Share at the time of distribution.

(b) Distribution Date. Shares, if any, shall be distributed to the Participant in the manner set forth in Section 3(a) on the date the Committee makes a certification in writing with respect to the achievement of the Performance Objectives for the Performance Period as provided in Section 1(e).

(c) Participants Outside of the U.S. Notwithstanding Section 3(a), if the Participant is resident or employed outside the United States, the Company, in its sole discretion, may provide for the settlement of the RSUs in the form of:

(i) a cash payment (in an amount equal to the Fair Market Value of the Shares that corresponds with the number of vested RSUs) to the extent that settlement in Shares (i) is prohibited under local law, (ii) would require the Participant, the Company or Constituent Company to obtain the approval of any governmental or regulatory body in the Participant's country of residence (or country of employment, if different), (iii) would result in adverse tax consequences for the Participant, the Company or Constituent Company or (iv) is administratively burdensome; or

(ii) Shares, but require the Participant to sell such Shares immediately or within a specified period following the Participant's termination of employment (in which case, the Participant hereby agrees that the Company shall have the authority to issue sale instructions in relation to such Shares on the Participant's behalf).

4. Dividends. If on any date while RSUs are outstanding hereunder the Company shall pay any dividend on the Shares (other than a dividend payable in Shares), the number of RSUs granted to the Participant shall, as of such dividend payment date, be increased by a number of RSUs equal to: (a) the product of (i) the number of RSUs held by the Participant as of the related dividend record date, multiplied by (ii) the per Share amount of any cash dividend (or, in the case of any dividend payable in whole or in part other than in cash, the per Share value of such dividend, as determined in good faith by the Committee), divided by (b) the Fair Market Value of a Share on the payment date of such dividend. In the case of any dividend declared on Shares that is payable in the form of Shares, the number of RSUs granted to the Participant shall be increased by a number equal to the product of (a) the aggregate number of RSUs held by the Participant through the related dividend record date, multiplied by (b) the number of Shares (including any fraction thereof) payable as a dividend on a Share. Any additional RSUs granted to the Participant pursuant to this Section 4 during the Performance Period or prior to the Vesting Date shall also be subject to the vesting requirements of Sections 1(c) and (d) and the other terms and conditions contained in this Agreement.

5. Adjustments Upon Certain Events.

(a) The grant of the RSUs shall not in any way affect the right or power of the Company to make adjustments, reclassification, or changes in its capital or business structure, or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets.

(b) In the event of any dividend or other distribution other than a cash dividend (whether in the form of Shares, other securities or other property), recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event (collectively, an "Adjustment Event"), the Committee may, in its sole discretion, (i) adjust the Shares or RSUs subject to this Agreement and (ii) adjust the methodology for calculating Total Shareholder Return and Revenue Growth Rate in accordance with Sections 1(c) and (d) to reflect such Adjustment Event.

6. Compliance, Cancellation and Rescission of Shares.

(a) Upon any transfer or issuance of Shares or cash underlying RSUs, the Participant shall certify in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of this Agreement and the Plan.

(b) In the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant's Qualified Status for Cause, (ii) the Participant's Qualified Status with any of the Constituent Companies is terminated for Cause, or (iii) the Participant engages in any of the activities defined in subsection (c) below, the Participant shall, to the extent legally permitted, transfer to the Company the Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above) and without regard to whether the Participant continues to own or control such previously delivered Shares and the Participant shall bear all costs of issuance or transfer, including any transfer taxes that may be payable in connection with any transfer. Upon a showing satisfactory to the Company by Participant that the value of the Shares subject to transfer as described above exceeds the value of the actual benefit received by the Participant (as measured by the gross proceeds the Participant received upon the sale of Shares issued or transferred under this Agreement), then, with respect to such sold Shares, the transfer of Shares required under this Section 6(b) shall be limited to a number of Shares equivalent in value to such actual benefit received by the Participant. Upon receiving a demand from the Company to transfer Shares to the Company pursuant to this subsection, the Participant shall effect the transfer of Shares to the Company by no later than ten (10) business days from the date of the Company's demand. For the avoidance of doubt, if the Participant holds the position of Senior Managing Director or above (or any comparable level of seniority) and engages in any of the activity set forth in subsection (c)(i), the Company may require the Participant, to the extent legally permitted, to transfer to the Company up to a number of Shares equal to the number of Shares that have been issued or transferred under this Agreement (as adjusted based on Sections 4 and 5 above), as well as a number of Shares that have been issued or transferred under any prior agreement between the Company and the Participant, without regard to whether the Participant continues to own or control such previously delivered Shares and without regard to the actual benefit received by the Participant with respect to any Shares sold by the Participant, and the Participant shall bear all costs of transfer, including any transfer taxes that may be payable in connection with such transfer. Similarly, in the event that (i) the Participant engages in any activity that could serve as a basis for the termination of the Participant's Qualified Status for Cause or (ii) the Participant engages in any of the activities defined in subsection (c) below, in either case at any time prior to the date that any Shares underlying RSUs granted under this Agreement have been issued or transferred, the RSUs granted hereunder (both vested and unvested) shall be forfeited immediately.

(c) In the event Participant engages in any of the activities defined in this subsection, Participant agrees to transfer Shares to the Company in accordance with any demand received from the Company for the transfer of Shares under subsection 6(b) above and/or that his or her award of RSUs will be forfeited in its entirety, as applicable:

(i) if the Participant's employment with any of the Constituent Companies terminates while the Participant holds the position of Senior Managing Director or above (or any comparable level

of seniority), the Participant shall not, for a period of twelve months following the termination of the Participant's employment with any of the Constituent Companies associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor or otherwise) with any Competitive Enterprise (or any of the affiliates, related entities, successors, or assigns of any Competitive Enterprise) that: (1) is identified on the list of competitors maintained by the Company on the myHoldings website (which list may be updated by the Company from time to time) as a Global Accenture Competitor or as being a competitor of any Restricted Business, and/or (2) is otherwise a competitor of any Restricted Business; provided, however, that with respect to the equity of any Competitive Enterprise which is or becomes publicly traded, the Participant's ownership as a passive investor of less than one percent (1%) of the outstanding publicly traded stock of a Competitive Enterprise shall not be deemed a violation of this subsection 6(c)(i);

(ii) the Participant shall not, for a period of twelve months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly (A) solicit, or assist any other individual, person, firm or other entity in soliciting, any Restricted Client or Restricted Prospective Client for the purpose of performing or providing any Relevant Services; (B) perform or provide, or assist any other individual, person, firm or other entity in performing or providing, Relevant Services for any Restricted Client or Restricted Prospective Client; or (C) interfere with or damage (or attempt to interfere with or damage) any relationship and/or agreement between the Company or any Affiliates and a Restricted Client or Restricted Prospective Client;

(iii) the Participant shall not, for a period of twelve months following the termination of the Participant's employment with the Constituent Companies, directly or indirectly, solicit, employ or retain, or assist any other individual, person, firm or other entity in soliciting, employing or retaining, any employee or other agent of the Company or an Affiliate, (A) with whom the Participant has had material dealings; (B) from whom, or as a result of contact with whom, the Participant has obtained Confidential Information or Trade Secrets; or (C) whom the Participant has supervised on a client or prospective client engagement, in the twenty-four months preceding the termination of the Participant's Qualified Status with the Constituent Companies; or

(iv) the Participant shall not, unless the Participant has received the prior written consent of the Company or its Affiliates or is otherwise required by law, either directly or indirectly use, sell, lend, lease, distribute, license, give, transfer, assign, show, disseminate, divulge, disclose, reveal, share, provide access to, reproduce, copy, distribute, publish, appropriate, or otherwise communicate any Confidential Information or Trade Secrets at any time following the termination of the Participant's employment with the relevant Constituent Company. If the Participant is requested or required pursuant to any legal, governmental or investigatory proceeding or process or otherwise, to disclose any Confidential Information or Trade Secrets, the Participant shall promptly notify the Company in writing so that the Company may seek a protective order or other appropriate remedy, or, if it chooses, waive compliance with the applicable provision of this Agreement. The Participant's obligation of non-disclosure as set forth herein shall continue for so long as such item continues to constitute Confidential

Information. Notwithstanding the foregoing, if the Participant makes a confidential disclosure of a Trade Secret or other Confidential Information to a government official or an attorney for the sole purpose of reporting or investigating a suspected violation of law, or in a court filing under seal, the Participant shall not be held liable under this Agreement or under any federal or state trade secret law for such a disclosure. Additionally, if the Participant files a lawsuit in the United States for retaliation by the Company for reporting a suspected violation of the law, the Participant may disclose Trade Secret information to the Participant's attorney, and can use the Trade Secret information in sealed filings in the court proceeding, or pursuant to a court order, as long as the Participant does not otherwise disclose the Trade Secret.

(d) In the event that the Participant's Qualified Status with any of the Constituent Companies is terminated for Cause, or (ii) the Participant engages in any of the activities defined in subsection (c) above, the Company's remedy shall be limited to the recovery of Shares as set forth in subsection (b) above; provided, however, that nothing in this Agreement is intended to or should be interpreted as diminishing any rights and remedies that Affiliates may have, at law or equity, related to investments by the Constituent Companies in Confidential Information, Trade Secrets, clients and prospective client relationships, and the training, skills, capabilities, knowledge and experience of employees, including, but not limited to, any rights and remedies set forth in the Participant's employment agreement, confidentiality agreement, intellectual property agreement, restrictive covenant agreement, or any other agreement entered into between the Participant and an Affiliate of the Company.

(e) This Section 6 shall be interpreted and applied in a consistent manner to any cash paid to the Participant in accordance with Section 3(c). For the sake of clarity, cash paid to the Participant to settle vested RSUs in accordance with Section 3(c) shall be subject to forfeiture/recoupment/repayment under this Section 6 on the same basis as if such RSUs were settled with Shares.

(f) For purposes of this Agreement:

(i) "Alliance Entity" shall mean any Legal Entity with whom the Company and/or any Affiliate has entered into an alliance agreement, joint venture agreement or any other legally binding go-to-market agreement, resale agreement or any agreement to combine offerings, products and/or services, or (without limiting the foregoing) any Legal Entity in which Accenture and/or any Affiliate has an interest, whether or not a Controlling Interest; provided always that the term "Alliance Entity" shall not include: (A) any Competitive Enterprise, (B) any contractor and/or sub-contractor of Accenture and/or any Affiliate, and/or (C) any sales, buying and/or marketing agent of Accenture.

(iv) “Controlling Interest” shall mean (A) ownership by a Legal Entity of at least a majority of the voting interest of another Legal Entity or (B) the right or ability of such Legal Entity, whether directly or indirectly, to direct the affairs of another by means of ownership, contract, or otherwise.

(vi) “Legal Entity” shall mean any body corporate, branch partnership, joint venture or unincorporated association or other organization carrying on a trade or other activity with or without a view to profit.

(vii) “Relevant Services” shall mean the performance of any services of the type provided by the Company, its Affiliates and/or their predecessors at any time, past, present or future,

including but not limited to, consulting services, technology services, and/or outsourcing services.

(viii) "Restricted Business" shall mean each of the businesses of each Constituent Company, as such businesses are listed as "Accenture Businesses" on the list of Competitive Enterprises maintained by the Company on the myHoldings website, which list may be updated by the Company from time to time, (A) in respect of whom the Participant holds Confidential Information or Trade Secrets at the time of the termination of Qualified Status with the Constituent Companies or (B) to which business the Participant has provided services, has been materially concerned or has been responsible in the twenty-four months preceding the termination of the Participant's Qualified Status with the Constituent Companies.

(ix) "Restricted Client" shall mean any person, firm, corporation or other organization to whom the Participant directly or indirectly performed or assisted in performing Relevant Services, or with which the Participant otherwise had material contact, or about which the Participant learned Confidential Information or Trade Secrets, within the twenty-four months prior to the date on which the Participant's Qualified Status with the Constituent Companies terminated.

(x) "Restricted Prospective Client" shall mean any person, firm, corporation, or other organization with which the Participant directly or indirectly had any negotiations or discussions regarding the possible performance of services by the Company, or about which the Participant learned Confidential Information or Trade Secrets within the twelve months prior to the date of the termination of the Participant's Qualified Status with the Constituent Companies.

(xi) "Solicit" shall mean to have any direct or indirect communication of any kind whatsoever, regardless of by whom initiated, inviting, advising, encouraging or requesting any person or entity, in any manner, to take or refrain from taking any action.

(xii) "Trade Secrets" shall include information relating to the Company and its Affiliates, and their respective clients, prospective clients or Alliance Entities, that is protectable as a trade secret under applicable law, including, without limitation, and without regard to form: technical or non-technical data, a formula, a pattern, a compilation, a program, a device, a method, a technique, a drawing, a process, financial data, financial plans, business and strategic plans, product plans, source code, software, unpublished patent applications, customer proposals or pricing information or a list of actual or potential customers or suppliers which is not commonly known by or available to the public and which information (A) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use and (B) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(g) If, during the twelve-month period following the termination of the Participant's employment with the Constituent Companies, the Participant is presented with an opportunity that might involve participation in any of the activities defined in Section 6(c) above, Participant shall notify the Company in writing of the nature of the opportunity (the "Conflicting Activity"). Following receipt of sufficient information concerning the Conflicting Activity, the Company

will advise Participant in writing whether the Company considers the Participant's RSUs to be subject to Section 6(b)(ii) above. The Company retains sole discretion to determine whether Participant's RSUs are subject to Section 6(b)(ii) and to alter its determination should additional or different facts become known to the Company.

7. Collateral Agreements. As a condition to the issuance or transfer of the Shares underlying the RSUs granted hereunder, the Participant shall, to the degree reasonably required by the Company, (a) execute and return to the Company a counterpart of this Agreement (or, if acceptable to the Company, acknowledge receipt and agreement of the terms of this Agreement electronically), all in accordance with the instructions provided by the Company and (b) to the extent required by the Company, either (i) execute and return an employment agreement, a consultancy agreement, a letter of appointment and/or an intellectual property agreement, in form and substance satisfactory to the Company, or (ii) provide evidence satisfactory to the Company that the agreements referenced in clause (i) have been previously executed by the Participant.

8. Nature of Grant. In accepting the grant, the Participant acknowledges, understands and agrees that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Board at any time;

(b) the grant of the RSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs (whether on the same or different terms), or benefits in lieu of RSUs, even if RSUs have been granted in the past;

(c) all decisions with respect to future grants of RSUs or other grants, if any, will be at the sole discretion of the Committee, including, but not limited to, the form and timing of the grant, the number of Shares subject to the grant, and the vesting provisions applicable to the grant;

(d) the RSU grant and the Participant's participation in the Plan shall not create a right to employment or be interpreted as forming an employment or services contract with the Company or any Constituent Company and shall not interfere with the ability of the Company, or Constituent Company, as applicable, to terminate Participant's employment or service relationship;

(e) the Participant is voluntarily participating in the Plan;

(f) Shares (or cash) will be issued to the Participant only if the vesting conditions are met and any necessary services are rendered by the Participant over the vesting period;

(g) the RSUs and the Shares (or cash) subject to the RSUs are not intended to replace any pension rights or compensation;

(h) the RSUs and the Shares subject to the RSUs, and the income and value thereof, are an extraordinary item of compensation outside the scope of the Participant's employment (and employment contract, if any) and is not part of normal or expected compensation for any purpose,

including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(i) the future value of the Shares underlying the RSUs is unknown, indeterminable and cannot be predicted with certainty;

(j) no claim or entitlement to compensation or damages shall arise from forfeiture of RSUs resulting from the Participant ceasing to be employed or otherwise providing services to the Company or Constituent Company;

(k) unless otherwise provided herein, in the Plan or by the Company in its discretion, the RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares of the Company; and

(l) if the Participant resides or is employed outside the United States, the Participant acknowledges and agrees that neither the Company nor any Constituent Company shall be liable for any exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the RSUs or of any amounts due to Participant pursuant to the settlement of the RSUs or the subsequent sale of any Shares acquired upon settlement.

9. No Rights of a Shareholder. The Participant shall not have any rights as a shareholder of the Company until the Shares in question have been registered in the Company's register of shareholders.

10. Unfunded Obligation; Unsecured Creditor. The RSUs granted hereunder are an unfunded obligation of the Company and no assets or shares of the Company shall be set segregated or earmarked by the Company in respect of any RSUs awarded hereunder. The RSUs granted hereunder shall be an unsecured obligation of the Company and the rights and interests of the Participant herein shall make him only a general, unsecured creditor of the Company.

11. Legend on Certificates. Any Shares issued or transferred to the Participant pursuant to Section 3 of this Agreement shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the U.S. Securities and Exchange Commission, any stock exchange upon which such Shares are listed, any applicable U.S. Federal or state laws or relevant securities laws of the jurisdiction of the domicile of the Participant or to ensure compliance with any additional transfer restrictions that may be in effect from time to time, and the Committee may cause a legend or legends to be put on any certificates representing such Shares to make appropriate reference to such restrictions.

12. Transferability Restrictions — RSUs/Underlying Shares. RSUs may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any purported assignment,

alienation, pledge, attachment, sale, transfer or encumbrance not permitted by this Section 12 shall be void and unenforceable against any Constituent Company. Any Shares issued or transferred to the Participant shall be subject to compliance by the Participant with such policies as the Committee or the Company may deem advisable from time to time, including, without limitation, any policies relating to minimum executive employee share ownership requirements. Such policies shall be binding upon the permitted respective legatees, legal representatives, successors and assigns of the Participant. The Company shall give notice of any such additional or modified terms and restrictions applicable to Shares delivered or deliverable under this Agreement to the holder of the RSUs and/or the Shares so delivered, as appropriate, pursuant to the provisions of Section 13 or, if a valid address does not appear to exist in the personnel records, to the last address known by the Company of such holder. Notice of any such changes may be provided electronically, including, without limitation, by publication of such changes to a central website to which any holder of the RSUs or Shares issued therefrom has access.

13. Notices. Any notice to be given under this Agreement shall be delivered personally, or sent by certified, registered or express mail, postage prepaid, addressed to the Company in care of its General Counsel at:

Accenture
161 N. Clark Street
Chicago, IL 60601
USA
Telecopy: +1 (312) 652-5619
Attn: General Counsel

(or, if different, the then current principal business address of the duly appointed General Counsel of the Company) and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party at such other address as either party hereto may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

14. Tax Withholding.

(a) Regardless of any action the Company or Constituent Company takes with respect to any or all income tax (including U.S. federal, state and local taxes or non-U.S. taxes), social insurance, payroll tax, fringe benefit, payment on account or other tax-related withholding ("Tax-Related Items"), the Participant acknowledges that the ultimate liability for all Tax-Related Items legally due by the Participant is and remains the Participant's responsibility and that the Company and Constituent Company (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSUs, including the grant of the RSUs, the vesting of the RSUs, the delivery or sale of any Shares or cash acquired pursuant to the RSUs and the issuance of any dividends, and (ii) do not commit to structure the terms of the grant or any aspect of the RSUs to reduce or eliminate the Participant's liability for Tax-Related Items.

(b) To the extent that the grant or vesting of the RSUs, the delivery of Shares or cash pursuant to the RSUs or issuance of dividends results in a withholding obligation for Tax-Related Items, unless otherwise specifically approved and directed by the Committee, the Participant authorizes the Company, Constituent Company or agent of the Company or Constituent Company to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company or the Constituent Company; (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent); or (iii) withholding from the Shares to be delivered upon settlement of the RSUs that number of Shares having a Fair Market Value equal to the amount required by law to be withheld. If the Participant is subject to taxation in more than one jurisdiction, the Participant acknowledges that the Company may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(c) Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates (as determined by the Company in good faith and in its sole discretion) or other applicable withholding rates, including maximum applicable rates, in which case Participant will receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. The Company shall repay any excess amounts due to the Participant within, where administratively feasible, thirty (30) days of withholding. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the vested RSUs, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

(d) The Participant agrees to pay to the Company or Constituent Company, any amount of Tax-Related Items that the Company or Constituent Company may be required to withhold or account for as a result of Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares, cash or the proceeds of the sale of Shares, if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

(e) The Participant hereby acknowledges that he or she will not be entitled to any interest or appreciation on Shares sold to satisfy the tax withholding requirements (including with respect to any amounts withheld in excess of the Participant's tax liability).

15. <u>Choice of Law and Dispute Resolution.</u>

(a) THE INTERPRETATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

(b) Subject to subsections (c) through (f), any and all disputes which cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance and/or

termination of this Agreement and any amendment thereto (including without limitation the validity, scope and enforceability of this arbitration provision) (each a "Dispute") shall be finally settled by arbitration conducted by a single arbitrator in New York, in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce ("ICC"), except that the parties may select an arbitrator who is a national of the same country as one of the parties. If the parties to the dispute fail to agree on the selection of an arbitrator within thirty (30) days of the receipt of the request for arbitration, the ICC shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. In the event of any arbitration between the parties, the Company shall consent to a request by the Participant to hold arbitral proceedings, including any evidentiary hearings, in the country in which the Participant principally conducts his/her business for the convenience of the parties and witnesses, it being understood, however, that the legal situs of the arbitration shall remain in New York. Each side will bear its own costs and attorneys' fees.

(c) Either party may bring an action or proceeding in any court having jurisdiction thereof for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and/or in support of the arbitration as permitted by any applicable arbitration law and, for the purposes of this subsection (c), each party expressly consents to the application of subsections (e) and (f) to any such suit, action or proceeding.

(d) Judgment on any award(s) rendered by the tribunal may be entered in any court having jurisdiction thereof.

(e) (i) Each party hereby irrevocably submits to the non-exclusive jurisdiction of the Courts located in New York, United States for the purpose of any suit, action or proceeding brought in accordance with the provisions of subsection (c). The parties acknowledge that the forum designated by this subsection (e) has a reasonable relation to this Agreement, and to the parties' relationship with one another.

(ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to any right to assert personal jurisdiction in any other forum or to the laying of venue of any suit, action or proceeding brought in any court referred to in subsection (e)(i) pursuant to subsection (c) and such parties agree not to plead or claim the same, or to seek anti-suit relief or any other remedy to deny the arbitral jurisdiction referred to in subsection (b).

(f) The parties agree that if a suit, action or proceeding is brought under subsection (c) proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and they irrevocably appoint the General Counsel of the Company, c/o Accenture, 161 N. Clark Street, Chicago IL, 60601 USA (or, if different, the then-current principal business address of the duly appointed General Counsel of the Company) as such party's agent for service of process in connection with any such action or proceeding and agree that service of process upon such agent, who shall promptly advise such party of any such service of process, shall be deemed in every respect effective service of process upon the party in any such action or proceeding.

16. Severability. This Agreement shall be enforceable to the fullest extent allowed by law. In the event that a court or appointed arbitrator holds any provision of this Agreement to be invalid or unenforceable, then, if allowed by law, the provision shall be reduced, modified or otherwise conformed to the relevant law, judgment or determination to the degree necessary to render it valid and enforceable without affecting the rest of this Agreement. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be deemed severable from the remainder of this Agreement, and the remaining provisions contained in this Agreement shall be construed to preserve to the maximum permissible extent the intent and purposes of this Agreement. Any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

17. RSUs Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. All RSUs are subject to the Plan. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail.

18. Rule 16b-3. The grant of the RSUs to the Participant hereunder is intended to be exempt from the provisions of Section 16(b) of the Securities Exchange Act of 1934, as amended from time to time (the "Exchange Act") pursuant to Rule 16b-3 promulgated under the Exchange Act.

19. Signature in Counterparts. To the extent that this Agreement is manually signed, instead of electronically accepted by the Participant (if permitted by the Company), it may be signed in counterparts, each of which shall be deemed an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

20. Entire Agreement. This Agreement and the Plan constitute the entire agreement of the parties and supersede in their entirety all prior undertakings and oral and written agreements of the parties with respect to the subject matter hereof. Participant acknowledges and agrees that this Agreement, including the Plan, and all prior RSU or other equity grant agreements between the Company and its assignor Accenture Ltd, on the one hand, and Participant, on the other, are separate from, and shall not be modified or superseded in any way by any other agreements, including employment agreements, entered into between Participant and the Company's Affiliates.

21. Severability of Agreement. In the event that any provision in this Agreement shall be held invalid or unenforceable, such provision shall be severable from, and such invalidity or unenforceability shall not be construed to have any effect on, the remaining provisions of this Agreement.

22. Administration; Consent. In order to manage compliance with the terms of this Agreement, Shares delivered pursuant to this Agreement may, at the sole discretion of the Company, be registered in the name of the nominee for the holder of the Shares and/or held in the custody of a custodian until otherwise determined by the Company. To that end, by acceptance of this Agreement, the holder hereby appoints the Company, with full power of substitution and resubstitution, his or her true and lawful attorney-in-fact to assign, endorse and

register for transfer into such nominee's name or deliver to such custodian any such Shares, granting to such attorneys, and each of them, full power and authority to do and perform each and every act and thing whatsoever that such attorney or attorneys may deem necessary, advisable or appropriate to carry out fully the intent of this Section 22 as such person might or could do personally. It is understood and agreed by each holder of the Shares delivered under this Agreement that this appointment, empowerment and authorization may be exercised by the aforementioned persons with respect to all Shares delivered pursuant to this Agreement of such holder, and held of record by another person or entity, for the period beginning on the date hereof and ending on the later of the date this Agreement is terminated and the date that is ten years following the last date Shares are delivered pursuant to this Agreement. The form of the custody agreement and the identity of the custodian and/or nominee shall be as determined from time to time by the Company in its sole discretion. A holder of Shares delivered pursuant to this Agreement acknowledges and agrees that the Company may refuse to register the transfer of and enter stop transfer orders against the transfer of such Shares except for transfers deemed by it in its sole discretion to be in compliance with the terms of this Agreement. The Company reserves the right to impose other requirements on the RSUs, any Shares acquired pursuant to the RSUs and the Participant's participation in the Plan to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the RSUs and the Plan. Such requirements may include (but are not limited to) requiring the Participant to sign any agreements, undertakings or additional documents that may be necessary to accomplish the foregoing. The Participant agrees to take such other actions as may be deemed reasonably necessary or desirable by the Company to effect the provisions of this Agreement, as in effect from time to time. Each holder of Shares delivered pursuant to this Agreement or any prior agreement between the Company and the Participant acknowledges and agrees that the Company may impose a legend on any document relating to Shares issued or issuable pursuant to this Agreement conspicuously referencing the restrictions applicable to such Shares, and may instruct the administrator of any brokerage account into which Shares have been initially deposited to freeze or otherwise prevent the disposition of such Shares.

23. Section 409A - Disability, Deferral Elections, Payments to Specified Employees, and Interpretation of Grant Terms. If the Participant is subject to income taxation on the income resulting from this Agreement under the laws of the United States, and the foregoing provisions of this Agreement would result in adverse tax consequences to the Participant, as determined by the Company, under Section 409A of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), then the following provisions shall apply and supersede the foregoing provisions:

(a) "Disability" shall mean a disability within the meaning of Section 409A(a)(2)(C) of the Code.

(b) Deferral elections made by U.S. taxpayers are subject to Section 409A of the Code. The Company will use commercially reasonable efforts to not permit RSUs to be deferred, accelerated, released, extended, paid out or modified in a manner that would result in the imposition of an additional tax under Section 409A of the Code. In the event that it is reasonably determined by the Company that, as a result of Section 409A of the Code, payments or delivery of the Shares underlying the RSU award granted pursuant to this Agreement may not

be made at the time contemplated by the terms of the RSU award or the Participant's deferral election, as the case may be, without causing the Participant to be subject to taxation under Section 409A of the Code, the Company will make such payment or share delivery as soon as practicable on or following the first day that would not result in the Participant's incurring any tax liability under Section 409A of the Code, and in any event, no later than the last day of the calendar year in which such first date occurs.

(c) If the Participant is a "specified employee" (within the meaning of Section 409A(a)(2)(B)(i) of the Code), payments and deliveries of shares in respect of any RSUs subject to Section 409A of the Code that are linked to the date of the Participant's separation from service shall not be made prior to the date which is six (6) months after the date of the Participant's separation from service from the Company or any of its Affiliates, determined in accordance with Section 409A of the Code and the regulations promulgated thereunder.

(d) The Company shall use commercially reasonable efforts to avoid subjecting the Participant to any additional taxation under Section 409A of the Code as described herein; provided that neither the Company nor any of its employees, agents, directors or representatives shall have any liability to the Participant with respect to Section 409A of the Code.

24. Electronic Delivery. The Company may, in its sole discretion, deliver by electronic means any documents related to the RSUs or the Participant's future participation in the Plan. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

25. English Language. If the Participant is resident in a country where English is not an official language, the Participant acknowledges and agrees that it is the Participant's express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the grant of RSUs, be drawn up in English. If the Participant has received this Agreement, the Plan or any other documents related to the RSUs translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version will control.

26. Repatriation; Compliance with Law. If the Participant is resident or employed outside the United States, the Participant agrees to repatriate all payments attributable to the Shares and/or cash acquired under the Plan in accordance with applicable foreign exchange rules and regulations in the Participant's country of residence (and country of employment, if different). In addition, the Participant agrees to take any and all actions, and consents to any and all actions taken by the Company and Constituent Companies, as may be required to allow the Company and Constituent Companies to comply with local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different). Further, the Participant agrees to take any and all actions as may be required to comply with the Participant's personal obligations under local laws, rules and/or regulations in the Participant's country of residence (and country of employment, if different).

27. Insider Trading / Market Abuse Laws. By participating in the Plan, the Participant agrees to comply with the Company's policy on insider trading. The Participant further acknowledges that the Participant may be subject to local insider trading and/or market abuse laws and regulations that are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Participant acknowledges that it is the Participant's personal responsibility to comply with any applicable restrictions, and that the Participant should consult the Participant's personal advisor on this matter.

28. Appendix B. Notwithstanding any provision of this Agreement to the contrary, the RSUs shall be subject to any special terms and conditions for the Participant's jurisdiction of residence (and jurisdiction of employment, if different) as set forth in Appendix B to the Agreement, if applicable, which shall constitute part of this Agreement.

29. Recoupment. The RSUs granted under this Agreement, and any Shares issued or other payments made in respect thereof, shall be subject to any recoupment policy that the Company may adopt from time to time, to the extent any such policy is applicable to the Participant. By accepting the grant of RSUs under this Agreement the Participant agrees and consents to the Company's application, implementation and enforcement of (a) the recoupment policy and (b) any provision of applicable law relating to cancellation, recoupment, rescission or payback of compensation and expressly agrees that the Company may take such actions as are necessary to effectuate the recoupment policy (as applicable to the Participant) or applicable law without further consent or action being required by the Participant. For purposes of the foregoing, the Participant expressly and explicitly authorizes the Company to issue instructions, on the Participant's behalf, to any brokerage firm and/or third party administrator engaged by the Company to hold the Participant's Shares and other amounts acquired under the Plan to re-convey, transfer or otherwise return such Shares and/or other amounts to the Company. To the extent that the terms of this Agreement and the recoupment policy conflict, the terms of the recoupment policy shall prevail.

30. Amendments. The rights and obligations under this Agreement and their enforceability are subject to local tax and foreign exchange laws and regulations and, in this sense, the terms and conditions contained herein may be amended at the sole discretion of the Company and/or the Committee in order to comply with any such laws and regulations.

31. Data Protection. The Participant consents to the collection and processing (including international transfer) of personal data as set out in Appendix A for the purposes specified therein.

32. Waiver. No waiver of any breach or condition of this Agreement shall be deemed to be a waiver of any other or subsequent breach or condition, whether of like or different nature.

33. Electronic Signature. Participant acknowledges and agrees that by clicking the "Accept Grant Online" button on the "Grant Agreement & Essential Grant Terms" page of the myHoldings website (https://myholdings.accenture.com), it will act as the Participant's electronic signature to this Agreement and will constitute Participant's acceptance of and agreement with all of the terms and conditions of the RSUs, as set forth in this Agreement, the Essential Grant Terms and the Plan.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective as of the date set forth above.

APPENDIX A

DATA PROTECTION PROVISION

(a) By participating in the Plan or accepting any rights granted under it, the Participant consents to and authorizes the collection, processing and transfer by the Company and its Affiliates of personal data relating to the Participant by the Company and its Affiliates for the purposes of fulfilling their obligations and exercising their rights under the Plan, issuing certificates (if any), statements and communications relating to the Plan and generally administering and managing the Plan, including keeping records of analysis of and reporting on participation levels and other information about the Plan from time to time. Any such processing shall be in accordance with the purposes and provisions of this data protection provision. References in this provision to the Company and its Affiliates include the Participant's employer.

This includes the following categories of data ("Data"):

(i) Data already held in the Participant's records such as the Participant's name and address, ID number, payroll number, length of service and whether the Participant works full-time or part time;

(ii) Data collected upon the Participant accepting the rights granted under the Plan (if applicable);

(iii) Data subsequently collected by the Company or any of its Affiliates in relation to the Participant's continued participation in the Plan, for example, data about shares offered or received, purchased or sold under the Plan from time to time and other appropriate financial and other data about the Participant and his or her participation in the Plan (e.g., the date on which shares were granted, termination of employment and the reasons of termination of employment or retirement of the Participant); and

(iv) Other personal information about the Participant, including, but not limited to, telephone number, date of birth, social insurance number, tax identification number, resident registration number or other identification number, salary, nationality, job title or any other information necessary for implementing, administering, and managing the Plan.

(b) Access to the Participant's personal Data within the Company will be limited to those employees who have a need to know the information for the purposes described in this Appendix A, which may include personnel in HR, IT, Compliance, Legal, Finance and Accounting, Corporate Investigations and Internal Audit.

(c) The Company and its Affiliates shall retain the Data of the Participant for as long as necessary for the above mentioned purposes. In particular:

- the Company retains the Participant's Data during the term of the Plan;
- the Company retains the Participant's Data where it is required to do so by a legal obligation to which it is subject;
- the Company retains the Participant's Data where this is advisable to safeguard or improve the Company's legal position (for instance in relation to statutes of limitations, litigation, or regulatory investigations).

(d) This consent is in addition to and does not affect any previous consent provided by the Participant to the Company or its Affiliates. The Participant has the right to withdraw its consent at any time by contacting the Company's data protection officer at dataprivacyofficer@accenture.com.

(e) In particular, the Participant expressly consents to the transfer of personal data about the Participant as described in paragraph (a) above by the Company and its Affiliates. Data may be transferred not only within the country in which the Participant is based from time to time or within the EU or the European Economic Area ("EEA"), but also worldwide, to other employees and officers of the Company and its Affiliates and to the following third parties for the purposes described in paragraph (a) above:

(i) Plan administrators, auditors, brokers, agents and contractors of, and third party service providers to, the Company or its Affiliates such as printers and mail houses engaged to print or distribute notices or communications about the Plan;

(ii) regulators, tax authorities, stock or security exchanges and other supervisory, regulatory, governmental or public bodies as required by law or otherwise deemed necessary by the Company or its Affiliates;

(iii) actual or proposed merger partners or proposed assignees of, or those taking or proposing to take security over, the business or assets of the Company or its Affiliates and their agents and contractors;

(iv) other third parties to whom the Company or its Affiliates may need to communicate/transfer the data in connection with the administration of the Plan, under a duty of confidentiality to the Company and its Affiliates; and

(v) the Participant's family members, physicians, heirs, legatees and others associated with the Participant in connection with the Plan.

Not all countries, where the personal data may be transferred to, have an equal level of data protection as in the EU or the European Economic Area. Countries to which data are transferred include the USA and Ireland and other locations where the Company and its Affiliates, as applicable, administer the Plan. The Company has internal policies to ensure an equivalent level of protection is in place across the Company's worldwide

organization. Any transfers of the Participant's personal Data to other offices of the Company will be governed by the Company's binding corporate rules (a copy of which can be found at https://www.accenture.com/t00010101T000000Z__w__/gb-en/_acnmedia/PDF-52/Accenture-Public-Facing-BCR-June-2017.pdf). Any international transfers of the Participant's personal Data to third parties (including those outside the EEA), will be based on an adequacy decision or are governed by the standard contractual clauses (a copy of which can be obtained from dataprivacy@accenture.com).

All national and international transfer of personal data is only done in order to fulfill the obligations and rights of the Company and/or its Affiliates under the Plan.

The Participant has the right to be informed whether the Company or its Affiliates hold personal data about the Participant and, to the extent they do so, to have access to those personal data at no charge and require them to be corrected if they are inaccurate and to request the erasure, request the restriction of processing or object to the processing and withdraw his or her consent. The Participant also has the right to request a copy or the portability of its personal Data which it provided to the Company. The Participant is entitled to all the other rights provided for by applicable data protection law, including those detailed in any applicable documentation or guidelines provided to the Participant by the Company or its Affiliates in the past. More detailed information is available to the Participant by contacting the appropriate local data protection officer in the country in which the Participant is based from time to time. If the Participant has a complaint regarding the manner in which personal information relating to the Participant is dealt with, the Participant should contact the appropriate local data protection officer referred to above. The Participant also has the right to lodge a complaint with the competent data protection authority.

(f) The Participant understands that the Participant may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data, or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Participant's local data contact referred to above. The Participant understands, however, that refusing or withdrawing the Participant's consent may affect the Participant's ability to participate in the Plan (and may result in the forfeiture of unvested RSUs). For more information on the consequences of the Participant's refusal to consent or withdrawal of consent, the Participant understands that the Participant may contact the data protection officer referred to above.

(g) Finally, upon request of the Company, the Participant agrees to provide an executed data privacy consent form (or any other agreements or consents that may be required by the Company) that the Company may deem necessary to obtain from the Participant for the purposes of administering the Participant's participation in the Plan in compliance with the data privacy laws in the Participant's country, either now or in the future. The Participant understands and agrees that the Participant will not be able to participate in the Plan if the Participant fails to provide any such consent or agreement requested by the Company.

EXHIBIT 1-A

Determination of RSU Vesting pursuant to Section 1(c) of the Agreement

1. Determine Percentile Rank (PR) for each of the TSR Comparison Companies in accordance with the following formula:

PR = (PB/N)(100)

Where:

PB = ordinal position from the lowest TSR among the TSR Comparison Companies. The TSR Comparison Company with the lowest TSR is the first position from the bottom.

N = number of TSR Comparison Companies in the computation.

2. After determining and ordering the PR for each TSR Comparison Company, if the TSR of the Company is equal to the TSR of any other TSR Comparison Company (rounded to the nearest 0.01), then the Company's PR shall equal the PR of such TSR Comparison Company. If the Company's TSR is not equal to the TSR of any other TSR Comparison Company, then the Company's PR shall be determined by interpolation, using the TSRs and PRs of the TSR Comparison Companies having the next highest and next lowest TSRs in comparison to the Company's TSR. If there is no TSR Comparison Company with a TSR that is higher than the Company's TSR, then the Company's PR shall be 100. If there is no TSR Comparison Company with a TSR that is lower than the Company's TSR, then the Company's PR shall be equal to the PR of the lowest ranked TSR Comparison Company.

3. Upon determining the PR of the Company, the percentage of maximum RSUs granted under the Agreement that vest shall be determined as follows:

Performance level	Company PR (measured as a percentile)	Percentage of maximum RSUs granted under the Agreement that vest
Maximum	The Company is ranked at or above the 80th percentile.	25%
Target	The Company is ranked at the 65th percentile.	16.67%
Threshold	The Company is ranked at the 45th percentile.	8.33%
	The Company is ranked below the 45th percentile.	0%

If the Company's Percentile Rank is at the 45th percentile or above, but below the 80th percentile, the percentage of RSUs that vest will be determined by linear interpolation between the applicable Percentile Ranks shown above, taking into account that where the Company is ranked at the 65th percentile, 16.67% of the RSUs granted under the Agreement will vest.

EXHIBIT 1-B

Determination of RSU Vesting pursuant to Section 1(d) of the Agreement

1. Determine the Company's Compound Annual Growth Rate (CAGR) over the Performance Period and then divide such result by the aggregate CAGR of the Revenue Growth Comparison Companies and express the result as a multiple (the resulting multiple being referred to as the "Revenue Growth Rate"). "CAGR" shall be calculated in the same manner that the applicable company calculates CAGR for purposes of its public disclosures.

2. Upon determining the Company's Revenue Growth Rate, the percentage of maximum RSUs granted under the Agreement that vest shall be determined as follows**:**

Performance level	Company's Revenue Growth Rate	Percentage of RSUs granted under the Agreement that vest
Maximum	3.0X or above	75%
Target	2.0X	50%
Threshold	1.2X	25%
	Below 1.2X	0%

If the Company's Revenue Growth Rate is 1.2X or above, but below 3.0X, then the percentage of RSUs that vest will be determined by linear interpolation between the applicable Revenue Growth Rates shown above, taking into account that where the Revenue Growth Rate is 2.0X, 50% of the RSUs granted under the Agreement will vest.
