GUARANTEE AT&T GUARANTEE

Since the launch of the **AT&T Guarantee**, we've seen improved **Net Promoter Scores** with wireless and fiber customers following a network event

Serving customers in more ways

1M+
AT&T Internet Air customer milestone achieved

Building the network of the future

30M+
total fiber locations passed

"We are winning in a highly competitive marketplace, with the nation's largest wireless and fiber networks."

John Stankey
AT&T Chairman and CEO

Investing in America

We expect to double where AT&T Fiber is available today- reaching **60M+ fiber locations** by the end of 2030

Locations reached with fiber include consumer and business locations: (i) passed with fiber, and (ii) served with fiber through commercial open-access providers
